Library Collection Development Policy

- **Purpose:** Collection Development Policy provides guidelines to the to conduct the process of selection and acquisition of selected material to build library's collection.
- **Selection Criteria:** While selecting, library takes into Consideration
 - University of Mumbai and BCI norms,
 - Funds available, and
 - Books already available on the same subject.
 - It also considers general reference needs of the user.
 - It makes use of circulation record to find out the books in more demand.
 - Library also selects material from the brochures/websites of various publishers and book sellers, web opac of other libraries, bibliographies, and based on the syllabi from the university
 - Library also selects material using other two modes where
 - a. In the first mode, being aware about the books from the sources such as web, faculty members send their requisitions to the library in the prescribed requisition form and the library decides the suppliers who are best suited to supply the books.
 - b. In the other mode suppliers show copies of their books to the faculty members and the faculty members recommend some of those books for procurement by the library.
- **Collection:** VES College of law library procures library material i.e. books, periodicals, bound volumes, reference sources to support the curriculum and satisfy academic and research needs of its user community.
- **User Community:** Students, faculty and staff of the VES College of Law.
