**4.2.2. – E-resource subscribed by the library**

**E-resources:** Information resources that are available in an electronic format and can be accessed through a network connection are known as electronic resources. These days, e-databases are crucial since they are more current, accessible from anywhere, and have a wide range of uses.

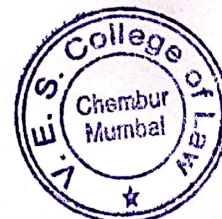

**Digilegal International - E-database (Annual Subscription):** To satisfy users' rising expectations and to serve the academic community particularly their exams, preparation of moot court and other competitions, projects, assignments, and research works, VES College of Law library subscribed to **Digilegal International - E-database of Digilegal Services Pvt. Ltd.** for the year 2019-20.

Name	Type of e-resource	Access	Vendor	Subscription Period		Amount
Digilegal International	E-database	IP Based	Digilegal Services Pvt. Ltd.	September 2019	September 2020	8850

### About Digilegal

Digilegal Services Pvt. Ltd. have developed an online and offline database of Supreme Court and All High Court's software that enables access to all the reportable judgments of various journals from 1899 onwards, with cross citations indicating the other journals where the judgments are reported.

- Most Authentic Legal Database.
- India's Fastest and Most User-Friendly Search Parameters.
- Daily Updates of Supreme Courts, All High Courts, and Tribunals.
- Latest Amended Central & State Acts with Rules.
- Overruled & Reversed Judgments.
- Case Map - Cases Referred and Cited in Cases.
- Sharing Judgment via WhatsApp, Facebook, E-mail, twitter etc.
- Multi-Language Judgment Translator.
