GOVERNANCE

1. Certifications and Rankings

The Institution will aim to go for certifications including ISO certification to upgrade our academic standards. It also plans to participate in the National Institutional Ranking Framework (NIRF).

2. Going towards paperless administration

In the light of Sustainable Development Goals (SDGs), the Institution also aims to shift its functioning in the direction of sustainability. The Institution aims to have a robust website which will have all the details of the day to day functioning for the convenience of all the stakeholders. In addition to the same, it plans to move towards Digital Notice Boards.

3. Collaborations and tie-ups

To enrich the teaching-learning experience and offer a wider exposure to our students, the Institution aims at increasing collaborations and tie-ups with various Institutions of Excellence (eg. National law Schools), Foreign Universities, Governmental and non-governmental bodies.

INFRASTRUCTURE

1. Physical and Communication Infrastructure

As the college has built a new building of its own, the College plans to provide spacious facilities for Staffroom, Administrative Staff, Labs and research room. With regards to provision of Wifi and better communication, the college has made arrangements. It aims to provide faster Wifi facilities and more laptops/computers available for Teachers and students.

2. Counselling Centre

Currently VES as an institution collectively has a single Counselling Centre, which has been effectively counselling students. With the increasing student strength, the College plans to have a dedicated Counselling Centre or dedicated counsellors of its own, which will effectively help resolve issues of the students, strengthening their mental health.

3. Go Green

With its commitment to SDGs, the Institution aims to follow the norms which will in turn convert the campus into a Green Campus. Increasing use of LEDs, advanced rainwater harvesting, better renewable energy system, practises like best from waste, Plastic free campus.

ACADEMIC ASPECTS

1. Strengthening of Existing Programmes

The Institution currently has a total strength of more than 1200 students, with three divisions of LLB 3 years course, two divisions of LLB 5 years course and two streams of LLM with 30 students each . Taking into account the overall demand for our Institution, it plans to increase the number of divisions at all levels, particularly at the Masters level so as to cater to the increasing demand for these courses in general and our college in particular.

2. Extensive use of ICT in Teaching

The increased usage of ICT especially during the Covid crisis has enhanced the teaching-learning process. In view of the same, the institution aims to make use of ICT in the pedagogical process by increasing the use of projectors, high-speed internet connections, and increased e-learning initiatives.

3. Focus on Practical aspects to improve skill sets

The very nature of the profession demands that the academic aspect focuses more on practical elements so as to make the students profession ready. Increasing Moot Courts, increased interactions with experts, Guest talks from eminent personalities and mentoring by Alumni are few of the initiatives that the Institution wishes to pursue at a larger scale in the years to come.

4. Research Centre, Centres of learning and Cells

The Institution plans to create a dedicated Research Centre for Faculty members and students. It also plans to initiate few of the following centres and cells- Centre for Alternative Dispute Resolution (ADR), Intellectual Property Rights (IPR), Clinical Legal Education along with Cells on issues related to Human Rights, Women Empowerment, Cyber Law.

Faculty and Administrative Staff Welfare/ Empowerment

Strategic policy and time bound implementation plans (normally within a year) for filling in the vacancies with qualified faculty and staff as and when vacancy arises.

1. Staff Development initiatives

The Faculty has been empowered by permitting them to attend Orientation Programme/ Refresher Course / Faculty Development Programmes to empower them with newer skills and help them rise the ladder via promotion. Along with this, faculties have been encouraged to attend Seminars, conferences, workshops to add value to their teaching process.
