DONE

They need to be more quick and diligent .

VERY SUPPORTING

Should be more organised

please value the time of students as well a lot of time is wasted in minute things by the admin staff

None

The staff as always been the most help full

The admins should be faster in completing what they are suppose to as everything for the students hence gets delayed. Initially in my first and second year the admins were really rude and bad but the new set are really sweet and helpful.

done

can be more helpful in matters related to university and do their work instead of telling students to do it

Durga Ma'am is the pillar!

WEBSITE MUST BE MADE/UPDATED. TOKEN FOR QUEUES IF MORE THAN 5 STUDENTS WAITING. DEDICATED TIME (SAY 1 HR. B/W 2 PM AND 3 PM) TO SOLVE DOUBTS. MORE PROFESSIONALISM IN GENERAL.

THEY SHOULD BE MORE HELPFUL AND DO THE WORK ON TIME AND SHOULD NOT KEEP WAITING THE STUDENTS OUTSIDE THE OFFICE

NEEDS TO BE MORE SYSTEMATIC AND PROFESSIONAL

abhishek sir and prasad sir are the best

GOOD & COOPERATIVE STAFF

when any doubt pertaining to university is asked, prashant is really discouraging and pathetic towards it, has no discipline at all towards the students.

Information should be given through phone calls and emails. Some one should always be in the office who can answer queries

The only person helpful there is abhishek Sir and Sobha Tai. the Most useless person in the entire staff is Prasad is attitude is not good at all

There's an acute shortage of admin staff and there is a need to increase them with the ever growing number of students around

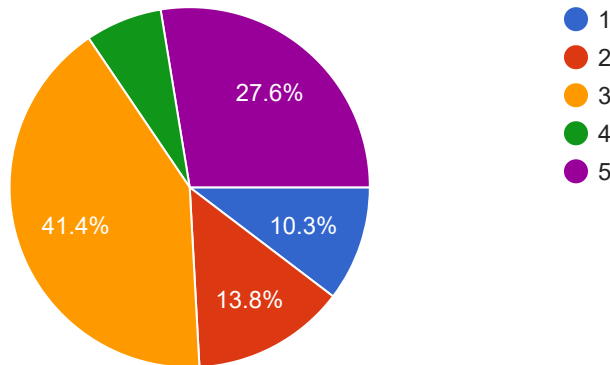

first of all the staff is arrogant. never ever gives proper reply to our questions. awlays have to wait for 15min minimum for a work to be done. and please give a printed recipit and not handwritten one. will save time of both students and them

Durga mam is the pillar of last year students , she was the one who helped all especially LLB students .

durga mam bohot pyaare ho aap. all the staff members are helpful. thank you

There should be a notice board in polytechnic building for law students.

There should be little formalities for refunds of fees in case students are passed in revaluation and refund their money back to them.

BE MORE OF A HELPFUL ADMIN RATHER THAN JUST TORCHRING STUDENTS WITH THE WORK AND ALSO HAVE SOME PROFESSIONALISM ATTITUDE AND NOT BE PARTIAL AND STUDENTS SHOULD BE VALUED ON THERE TALENT BASIS ON NOT ON BASIS OF FAVOURITISIM

best part of the admin is help provide by durga mam . other Admin staff are liitle bit lethargic in work . yes clg make student suffer a lot foe something . lastly plz take less fees as we have pay 300re for from even after being in same clg Just stop Robbing us

Right from the Durga maam (Prerna Maam) to the Prashant all are very supportive, durga maam plays a very important role in each and every student in VES college to encourage them may it be from any mode or median, Principle maam also very supportive and calm and she stand where ever she has to stand we appreciate the role of Principle maam and Prerna Maam, apart from the higher authority, Prasad Sir, Abhisekh Sir, Prashant Sir, Shobhatai, Shamal Madam, all are very supportive and humble towards the student, during my 3 years all of them are very supportive and humble towards me and my classmate, i would be very thankful to each and very one who supported me and my classmate as well as the students who all are active
