## NOTICE

### Assignment of Mentor-Mentee Policy

This is to inform all students and faculty members of **VES College of Law** that, as part of our ongoing efforts to enhance academic support and personal development, the **Mentor-Mentee Policy** has been implemented for the academic year **2023-24**.

Each faculty member has been assigned a group of students (mentees) as part of the **Mentor-Mentee System**, which is designed to provide individualized guidance, academic support, and career counseling to our students. The assigned mentors will be responsible for fostering a positive relationship with their mentees, offering academic advice, monitoring progress, and assisting in career planning and personal development. These sessions may take place in person or through digital platforms (e.g., Zoom, Google Meet) as per mutual convenience. We encourage all students to make the most of this valuable mentoring system, which is designed to promote holistic development and assist in navigating academic challenges and career decisions.
