**Item for Board of Dean's**

**Resolution passed by Board of Studies in Law meeting held on 25.05.2020**

**vide item no. 2**

**Item no. 2: Confirmation of Resolution passed by BOS members online on 60:40 pattern (20 points) clarifications on 24.4.2020:**

The members of BOS had on 24.4.2020 had extensive discussion with regard to certain grey areas identified by Senior Principals of Law Colleges affiliated to University of Mumbai (Dr.Nilima Chandiramani from Nari Gursahani Law College, Dr.Priya Shah-Jitendra chauhan Law College, Dr.Bindu Variath-K.C.Law College, Dr.A.K.Singh-Ram Narain Thakur Law College and Mrs.Vaishali Gurav-PES Law College) in the implementation of manual of 60:40 pattern and requires immediate attention. After exhaustive deliberations/discussions, the following clarifications by way of addendum is recommended.

1. 4.8 Specimen- the Grade Card should state the Programme- LLB (three years) and BLS, LLB (five years) whichever is applicable.
2. 4.8 Specimen- Grade Card need not include the photograph of the student. However the University emblem should be added to the left top as required in the manual.
3. 4.8 Specimen-the Practical Training course should be reflected as shown in the revised specimen grade card.
4. There will be no gracing for the internal 40 marks
5. 5.3.1-The passing of 12 marks in internal will be in the total provided the student has appeared in all components. There is no requirement of passing each component of 10/20/5/5
6. 5.5 -If the student has not appeared in class test or project there will be an additional test and project submission/presentation. In case the student fails or absents in either or both class test and project he/she shall be deemed to have not passed the internals. The Class test and /or project will have to be completed as a KT student. The marks of the remaining components will be carried forward.
7. 5.5B which reads "student remains absent for Internal Component as well as semester end exam should be marked FAIL." This is rectified as "ABSENT"
8. 6.7 is rectified with respect to Sem II LL B Three years as follows- DPC -I will be a hundred marks applied component course with 4 credits on the course structure mentioned in Annexure II.
9. There will be no Photocopy and reevaluation for class test and project work.
10. The fees payable by the students for Additional Semester end examination will be same as that payable for university semester examination for the semester.
11. The fees payable for the additional internal will be Rs 100/per subject
12. In case the learner has passed in both internal as well as external semester end examination but fails to obtain the passing minimum of 40% marks, he/she shall appear in either internal or the external as his/her choice on payment of necessary fees. If the student chooses to appear in internal he/she shall appear in both the internal class test and project. The other marks

secured in external semester end examination or the internal examination will be carried forward. For removal of doubts it is further clarified that the marks obtained in the components class participation(5) and activities (5) will remain same; the improvement will have to be by appearing in the class test and project.

13. The provisions for the visually impaired/physically disabled and otherwise differently abled persons shall remain as prescribed by the University and government.

14. 4.8 The applied component has also 4 credits and will be included in the semester grade calculation. The specimen grade card will be changed accordingly. In 5.2 it is mentioned that there will be 20 credits in each semester each paper of the semester having 4. Please note this is a departure from (3) of earlier set of recommendations.

15. The unsuccessful students will be issued provisional marks statements indicating only the marks and not grades. When the students subsequently pass they will be issued the regular grade sheet after the return of the provisional marks statement.

16. In the backside of the grade sheet will be printed the grading system and abbreviations as prescribed in 4.6

17. The usual Ex, P A Female, Dyslexic Benefit etc will be printed in the bottom of the Grade Sheet

18. The students will not be permitted to appear in the even semesters of the three year LL B programme and semesters 6, 8, 10 of five years BLS LL B examination unless the students appear and pass in the applied components of the semesters of that year.

19. In the specimen marksheet marks of practical will be mentioned as total out of 100 (without bifurcation)

20. University should officially release the university emblem to the colleges for use in the grade sheet.

**Subject: Request for Re-examination Due to Absence in Internal Examination**

Respected Ma'am,

I hope this letter finds you in good health and high spirits. I am writing to request your kind consideration regarding a matter of utmost importance to my academic progress.

I am a student in your college at Vivekanand college of law, bearing **Roll number 166 (FYLLB Div 'B')**. Regrettably, I was unable to attend the internal examination held on **5<sup>th</sup> & 6<sup>th</sup> April 2024** due to an unforeseen and unfortunate circumstance. My father's brother, who held a significant place in our family, passed away unexpectedly, compelling my immediate presence with my family to manage the ensuing affairs and provide emotional support during this challenging time.

Understandably, amidst the turmoil and grief, attending the internal examination was not feasible for me. I deeply regret the inconvenience caused to the college administration and my teachers due to my absence. However, I assure you of my earnest intention to make up for the missed examination and fulfil my academic responsibilities diligently.

Considering the circumstances and the importance of the internal examination in evaluating my academic progress, I humbly request your kind assistance in arranging for a re-examination for the missed subjects. This opportunity would not only enable me to demonstrate my understanding of the curriculum but also uphold the integrity of my academic record.

I am willing to provide any necessary documentation or evidence, such as the death certificate or any other formal documentation, to support my request. Additionally, I am prepared to abide by any guidelines or procedures set forth by the college regarding re-examinations.

I am sincerely grateful for your attention to my request and for your understanding during this challenging time. Your support and consideration mean a great deal to me, and I am committed to ensuring that my academic pursuits remain unaffected despite the unfortunate circumstances.

Thank you for considering my request. I eagerly await your favourable response and guidance regarding the next steps to proceed with the re-examination process.

Yours sincerely,

Dear Sir,

I am writing to inform you that my daughter Hesta Apte, F.Y.BLS. LLB, Div A Rollno. 05, has been unwell since March 8th and has been unable to attend college since then.

We have consulted a doctor regarding her condition, and despite the medication prescribed, her health has not improved. She is experiencing difficulty standing properly and is constantly feeling dizzy. Due to these health challenges, she is unable to attend the College and will continue to be absent until she is feeling well enough to return.

I hope you will understand and we will update you about her health progress.

Yours sincerely,  
Bharat Apte

Respected Madam,

Myself Kausturi Ashok Yadav, studying in class SYLLB, Div 'C' - Roll No 160. This is regarding my exam pattern. I was informed while collecting hall ticket for Sem III that my exam pattern will be 60:40. But the internal exams and assignments which I have submitted that is according to 75:25 like other students. My concern is regarding internal marks which is of 40; and I am eligible only for 25 marks. Do I need to submit other assignments for 15 marks? Please suggest and help me with the same. Sorry for the inconvenience.

My Seat number is :- RL233168

Subject: Apology for Missing Internals  
due to Family Wedding

Respected

I am writing to express my sincere apologies for not being able to attend the Internals of English & Logic as scheduled. Unfortunately, I faced an unforeseen circumstance that prevented me from being present.

A family wedding, which was initially planned to conclude earlier, faced unexpected delays. Despite my best efforts, the late-night journey from Satara to Mumbai was not feasible.

I understand the importance of the interest internals & the inconvenience my absence may have caused. I genuinely regret any disruption this that I am committed to making up for the missed internals and am willing to discuss any alternative arrangements or assignments that can compensate for my absence.

I appreciate your understanding

In this matter I would be grateful for any guidance or instructions on how to proceed to mitigate the impact of my absence.

Once again, I apologize for any inconvenience caused & appreciate your understanding.

Sincerely,

Sakhi Bhosale

SUBJECT :- Wrongly usage of question paper to remember pointers of answers but misunderstood as copying.

Respected Sir/Madam,

I Nirali Bharat Pokharna, of class FYLLB Div. B was confiscated with the papers (question & answer) for copying in class during the internal test (Legal Language) on 12 Dec 2023.

On my defence, I had written the pointers after getting the question paper and I wrote the pointers on question paper. I was not copying because if I had I would have written all the pointers but I have written only the ones I remembered. It is wrong on my part to write on the question paper but it is because of the stress I didn't realize. The paper-question was on the writing pad where the pointers were visible but if I had to copy why would I even keep the paper thus open. I know me personally, I have never copied in my life except when we had online exam in COVID, where also thereby hardly 5%.

I request you to look into the matter and not consider this as copying and take my marks respectively. Please take care of the matter as it is concern of 10 marks. Thanking you in anticipation
