Seminar Report: **Voyage of Vigilance - Unveiling the Secrets of Road Safety**
Date: August 23, 2023

The workshop on " Voyage of Vigilance - Unveiling the Secrets of Road Safety" held on August 23, 2023, talked about the critical issue of road safety, presenting an in-depth analysis of current challenges, key contributing factors, and potential strategies to enhance road safety; the workshop was delivered by Deputy Regional Transport Officer Mr. Vinay Ahire who took on a fabulous start by explaining road safety being a global concern with significant social, economic, and health implications, despite numerous efforts road accidents continue to result in a high number of fatalities and injuries worldwide.

The workshop dived into the convolutions of road safety wherein Mr Ahire also said that road safety education should be included in school curricula to instil responsible road behaviour from a young age. The workshop embarked at the scheduled time that is 10:00 AM with an awe-inspiring response from the student community. The event was truly an eye opener for the audience. Mr. Ahire showed statistics of people dying in Maharashtra resulting in death, injury and accidents. Later on, an interesting concept of "Road Hypnosis" was explained Mr. Dattatraya Dhanawade Sir, during his speech audience listened to him meticulously.

Mr. Vinay Ahire our esteemed guest speaker of the day went on to diligently explain in depth about the reasons causing accidents due to motor vehicles. His passion for indulging into road safety and urging the same to the audience was extremely praiseworthy. He imparted good amount of knowledge on the working of each and every aspect of motor vehicles. He minutely explained how the friction happens between a 4 wheelers tyre and the road beneath which eventually leads to bursting of the tyres and how one must check wearability of tyres. Several videos were shown about grievous accidents happened due to drivers' negligence.

The event came close to an end when Priyanka Salve a fellow student beautifully recited a poetry on road safety in Marathi. Mr. Sushant Dhumale Sir performed a song in Marathi called "Ghaar Maajhe Vaat Pahat" which showcased importance of road safety. Then Nikhil Jamdale sir made the audience to take a pledge for vigilantly following road safety. And here comes the highlight of the event where helmets were distributed to fellow students who had a valid two wheelers licence; students were extremely grateful and delighted to receive the same.

The workshop came to an end after giving the vote of thanks. Such workshops are extremely valuable and insightful. Enhancing road safety requires a collaborative effort involving governments, communities, organizations, and individuals. The workshop concluded on a positive note by expressing to work significantly in reducing road accidents and creating safer roads for everyone.

REPORT- WORKSHOP ON ART OF MOOTING BY ADV. APEKSHA SINGH

Date and Time: October 6, 2023, from 08:00 AM onwards

Venue: Vivekanand Education Society's College of Law, Auditorium, VESASC

On October 6, 2023, the Vivekanand Education Society's College of Law hosted a comprehensive Moot Court Workshop led by Advocate and Alumni Ms. Apeksha Singh. The workshop aimed to enhance the mooting skills of law students, providing them with practical insights and techniques essential for effective participation in Moot Court Competitions.

The primary objectives of the workshop included equipping students with necessary skills for mooting, such as legal research, drafting memorials, and oral advocacy. Additionally, it provided a platform for practical experience through simulated moot court scenarios and aimed to create networking opportunities between students and experienced legal professionals.

The workshop was structured into several key segments. It began with an introduction to mooting, where Adv. Apeksha provided an overview of the mooting process, its significance in legal education, and the essential skills required for successful participation. This was followed by a session on research techniques, where participants learned effective methods to gather relevant case law and statutes that form the basis of their arguments.

A detailed session on drafting memorials was also conducted, emphasizing clarity, structure, and persuasive writing. Students engaged in mock oral arguments during the oral advocacy segment, practicing their presentation skills while receiving constructive feedback on their delivery and argumentation style. The workshop concluded with a question-and-answer session that allowed participants to seek advice on specific challenges they faced in mooting.
