### FROM PRINCIPAL'S DESK

V.E.S. Polytechnic, established in 1983, is one of the leading Institutes which has taken a leap forward in the quality technical education. Showing excellence in academic activities which is evident from the outstanding result and long list of rank holders of MSBTE.

We aim to develop our institute as a center of Academic Excellence in the field of Engineering and Technology. All the efforts are focused towards fulfillment of vision and mission

Apart from innovative teaching methods, students are well trained through practical experiences. Thus the technical students chapters are introduced i.e. International Society of Automation (ISA), Indian Society for Technical Education (ISTE), Computer Society of India (CSI) and Indian Society of Structural Engineers (ISSE) to get the students direct exposure in their respective fields.

Vivekanand Education Society's Leadership Academy and Research Center (VESLARC) plays a vital role in creating better citizens which essential to be imbibed in the future Engineers and Technocrats.

We have introduced "Local Mentoring Scheme" for the group of twenty students, with the motto of resolving academic as well as personal problems. The mentor guides and inspire them for achieving academic and overall personal development.

It is rightly said by SWAMI VIVEKANAND- "Be free; Hope for nothing from anyone. I am sure if you look back upon your lives... Help has come from within yourself."

Wishing you all very successful, prosperous and bright future.

## **Vivekanand Education Society's Polytechnic**

### **A Tradition of Excellence**

V. E. S. Polytechnic was established in the year 1983 by Vivekanand Education Society with an aim to impart technical education and developing technical skills to 10+ students. Vivekanand Education Society has total 27 Educational, Technical and Management Institutes, catering to the need of the students from K. G. to Post graduation level.

The Institute started with two disciplines initially which has increased to 6, viz **Computer Engineering, Electronics & Telecommunication, Automation & Robotics, Electrical Engineering, Mechanical Engineering & Civil Engineering**. In last 35 years, it has constantly been showing excellence in the academic activities which is evident from the outstanding result in MSBTE and long list of Rank Holders. We believe in Swami Vivekanand's vision of Life building, with true discipline and assimilation of ideas for developing better citizens of India.

Further we regularly upgrade the quality of technical education keeping pace with the need of the industry and also emphasis has been given in upgradation of Laboratory facilities, adopting modern teaching techniques and improving teaching standard and methodologies. The main purpose is to prepare a student to enter the industry with in- depth technical knowledge and skills to handle all the tasks as first line managers.

We are proud to say that on January 6, 2003 our former Honorable Prime Minister, Shri. Atal Behari Vajpayee laid the foundation stone for the Hashu Advani Memorial Complex - to create better facilities for our Engineering College and Polytechnic. Four of the buildings are fully functional, which runs ME, MCA, MMS, Pharmacy, Engg. B. E., Boys & Girls Hostel & Staff Quarters. Our Journey thus continues from strength to strength.

VES formed in 1962, entered into 50th glorious year of its academic life. To mark the golden jubilee year, eminent personalities, Shri A P J Abdul Kalam (Former President), Shri L K Advani (Former Deputy Prime Minister) and Shri Mohan Bhagwat (Sarsanghachalak-Rashtriya's Swayamsevak Sangh) Shri Narayan Murthy (Founder Chairman, Infosys) visited our premises and interacted with our students. Various events like academic motivational lecture, essay competition, technical paper presentation and project competition were conducted at the institute as a part of golden jubilee year celebrations.

“Education is not the amount of information put into your brain and runs a riot here, undigested all your life, we must have life-building, man-making, character-making, assimilation of ideas. If you have assimilated five ideas and made them your life and character, you have more education than any man who has got by-heart a whole library. If education were identical with information, the libraries would be the Greatest Sages in the world and encyclopedia the Rishis”

We need education that forges our life, generates the ideal man, imbibes noble thoughts and develops the abilities in us.
