Polytechnic

# ANVESH 18-19

**ANVESH** is a techno-cultural Fest hosted by Vivekanand Education Society's Polytechnic every year, as a break, from the academics and studies for the diploma students. This year we were celebrating the 9<sup>th</sup> year of our annual fest ANVESH. ANVESH provides a platform for the students in the college with great skills to display their talent in front of the whole college. There is a lot of variety in the events which would be taken place in the fest. The main purpose of the fest is to provide them a break from the daily lectures and studies to have some fun time. This fest can help the students to explore with new people and have a good working environment with other new students who work together.

ANVESH 18-19 had taken place on the 18<sup>th</sup> and 19<sup>th</sup> January and these two days were filled with mixed emotions. 18<sup>th</sup> January was the day of SURBHI where mostly all the cultural and technical events took place followed by the DJ night. 19<sup>th</sup> January was the day of Sanskriti. It is the annual day of our Fest ANVESH. All the dance performances were conducted on this date as this was the most anticipated day. The theme of our fest was '**NAVRAS**'. NAVRAS is basically based on the 9 emotions of the human beings.

The Nine emotions are:

SR NO.	NAME OF THE EMOTIONS	MEANING
1	Shringara	Love\beauty
2	Hasya	Laughter
3	Karuna	Sorrow
4	Raudra	Anger
5	Veera	heroism/courage

6	Bhayanaka	Terror\Fear
7	Bibhatsya	Disgust
8	Adbutha	Surprise/Wonder
9	Adbutha	Peace

Anvesh 18-19 was initiated by a speech by Mrs.Vaishali Rajeshirke, the Anvesh In-charge welcoming all the faculties and staff members along with the students. Anvesh In-charge, then requested Principal Mr. Vikrant Joshi sir to come on the stage and inaugurate Anvesh.

The decorations followed the theme gracefully and V.E.S.P. was a treat to look upon. The decorations done by the Decoration Head, Ms.Dharita Desai and her hard working team were just overwhelming but at the same time were graceful as well. The Technical & Creativity Head, Mr.Ujas Pandya did an outrageously good job helping the decoration team with posters and other decoration equipments while also handling the technical department. The security and control was up to the mark with the exceptional job of Mr.Avinash Gupta & Ms.Kinjal Parekh the Security Heads and their team. The publicity, done by Mr.Amey Mithbavkar and Mr.Harsh Salvi the Publicity Heads, was evident by the attendance of students at the time of Anvesh. The flow of the fest was unfaltering due to the bridging role of Mr.Amey Mithbavkar the Documentation Head.

After the inauguration ceremony Ms.Anmol Valecha and Mr Mithun Shenoy gave a speech welcoming everybody. Then there was the affair of the inauguration dance by the students and V.E.S.P. rang with melody while the performance of the Band after the dance.

#### **SURBHI:**

The episode of Surbhi began with the event of Talent Hunt in the quadrangle while the other events started in their respective venues, all but Mr.& Ms.V.E.S.P.; which was scheduled to begin after the break.

The students participated with a bang and Anvesh 18-19 looked like a real success right from the start. The Events which started on the first day of Anvesh were counter strike, Be a chef, Robo race, PUBG, Rink football, and all the other events.

**Counter-Strike (CS):**

It is a series of multiplayer first-person shooter video games, in which teams of terrorists and counter-terrorists battle to, respectively, perpetrate an act of terror (bombing, hostage-taking) and prevent it (bomb defuses, hostage rescue).

**Robo Race:**

In this game two opponents are meant to compete at a time. The task is to race a small robot car across a racing track with the player doing it in the least time emerging victorious. Each round is an elimination one.

**FIFA:**

FIFA is also known as FIFA Football or FIFA Soccer, is a series of association football video games or football simulator, released annually by Electronic Arts under the EA Sports label.

**Mr. & Ms. V.E.S.P.:**

Mr. & Ms. V.E.S.P. is mainly an event of discovering a personality from among the students of V.E.S. Polytechnic fit to represent the Polytechnic. The students pass through various rounds testing their mind-set, their intelligence and their philosophy of life as well as various aspects of their character with a boy and girl winning the respective titles.

**PUBG :**

The most famous and addictive mobile game with participant of 100 people can select a map of their choice. We had kept all the modes such as Single ,Dual, Squad .

**Rink Football:**

Rink football is identical to the actual football game but is played in a comparatively much smaller space with a little twist in the rules.

**Box Cricket:**

Box cricket is cricket on a small scale, with no fours being the only boundaries and sixes being a call of wicket for the batsman.

**Be a Chef :**

In this event the students were to make a group of max 4 members and prepare food items by their own and sell them to make money. This was meant as a means to display the cooking skills of the students as well as a means of food during the break time.

**Click It :**

This was an event for students to showcase their photography skills by clicking pictures during Anvesh with the best picture winning.

**Talent Hunt:**

This event was held in quadrangle and was intended as way for students to display their talent in front of the entire college. It was entertaining and also very inspiring for the students.

**THE DJ:**

There was a DJ event at the end of 1st day for the enjoyment of the students. The students danced on the tunes of the songs played by the DJ. This one hour episode was very exhilarating and everyone enjoyed very much. And thus the first day was ended on a good and energetic note.
