Activity: “ Attitude And Attribute required for Business”

Date: 02/08/2019

Time: 2 pm to 4 pm

Venue: Forum hall

Description:

In today's competitive world students have lot of career options here and there which one to click as per his/her ability and attributes .During this activity they are in big dilemma .

To address this issue Entrepreneur development cell of VES Polytechnic had organized a seminar on “ **Attitude And Attribute required for Business**”

Mr. Premanand Shenoy and his five most enthusiastic teammates from Lakshya Organization conducted event.

Final year Students from ET,EJ,EQ,IS,CM and IE program attended the seminar. In all 195 attendees were the beneficiaries. There was lot of interaction by VESP students with Lakshya team on how to explore more options for career, if business is career choice then what are the individual traits required was more focused on .

Many rural area agricultural entrepreneur, young entrepreneur interviews were shown in this session, which provoked our students to think for **Business as** carrier options available in and out city.
