4. University Nominee: Mrs. Reema Castelino
5. Subject Expert (R&D/ Industry): Mr. Abhay Chopra
6. PG Alumnus: Ms. Tama Dutta

❖ **Minutes of the Meeting:**

- It was decided that “Introduction to different branches of accounting” or “Basics of Accounting” will be incorporated in Financial Accounting – I. (First Year – Sem I)
- It was suggested that internship should be made compulsory for financial accounting subjects as practical problems and applications are required to build a strong base for students.
- It was discussed that if 60 External and 40 Internal Examination pattern is adopted, then the subject faculties will get a lot more flexibility but the nature of assignments, projects and internships should be decided prior.
- Debt Market I and Debt Market II should be compiled together for Second Year – Sem III.
- It was decided that Yield Curve Analysis, Duration & Convexity, Spot Rate, Forward Rate, Bootstrapping

and PVBP can be omitted from Debt Market II.

- It was also decided that Valuation of Fixed-income securities with embedded options can be omitted and Basics of Fixed-income securities valuation can be added in Debt Market - I.
- Equity Market I and Equity Market II should be complied together for Second Year – Sem IV.
- ICDs concept should be included either in Debt Market (Second Year – Sem III) or Money Market (Second Year – Sem III) subject.

- NPCI and NACH concepts should be introduced in the last module of Money Market (Second Year – Sem III) under “Recent Developments in Money Market”.
- It was decided that “Theories of International Trade” will be omitted from Business Economics – II Syllabus (Second Year – Sem IV) and “Free Trade v/s Protection” will be added in the last module.
- It was recommended by the BOS that credit points should be given to students on completion of NISM certifications if permitted by the college.
