No.

No

Nothing

Nope

Teachers should be more approachable.

No suggestions

NO suggestions

Request to schedule lectures timing in morning & Student Connect (5 mins Interaction with teachers of per student on topic apart from studies) is required very much.

Everything Was Normal As Of Now Final Year Students Should Get Some Farewell For Completion of Academic..

Even No Offline Fest For Aided Section No Enjoyment For Aided Section Students ,

SFC students Have Some Kind Of Official Organised Events That BCOM/BA or any Aided section Doesn't have

Fees should be reduce and students should not be forced to pay in advance

No suggedtions

No

Please update the projector, speakers, mics, etc. Curtains and benches are always very dusty. Need much improvement and cleanliness.

All is good

Overall activities conducted by college are awesome

Try to give good placements for students .

I m happy.

Really need to work on the college website its not user friendly

Stop partiality

Good

Overall college experience is very good.

All knowlwdge and power given by the faculty was excellent for my future.

Provide more and excellent placement through college

College should have more support towards an individual's talent like western dance, western music and etc. Also should be more active in conducting different kind of fests and events.

Yes

-NA-

—

You must learn at least from Ruia college because you're college has nothing given good to students

The faculty aren't seem educated

. Online/ offline mode is going to Good.. if any problem college, Teacher will help You.

Please give the placement

Change Canteen staff.

need to improve in mangement of exam time table

office staff is not very co operative

A lady who cleans washroom misbehaved with me. I felt like vomiting one day. I was on the ground floor. I rushed to Teaching staff's washroom. I didn't use the washroom. I didn't vomit also. I just felt. When I came out, that lady said to me, "padhne nahi aata hai kya, teachers ka washroom hai" without even knowing why I had to do that. That was very rude. I don't expect and want this in my college. I know that was my fault but she could have said that in a better way.

NO

No suggestion.

No, But make the website more friendly

No Suggestions

Washroom should be clean,

If possible give scholarship those who really need

Improve Social Media Existence

No suggestions.

COLLEGE NEED TO UPDATE MANY THINGS , DISCIPLINE GONE FROM COLLEGE ,NOW ITS LIKE NORMAL COLLEGE , NO TIME VALUE OF THE FACULTY. I THINK COLLEGE MAIN PUPERPOSE IS ONLY EARN MONEY FROM STUDENT AND NOT GOT PROPER KNOWLEGE FROM COLLEGE.

During online exams .Sometimes technical issues occurs.. at that time student are hopeless what do .. it is not in the hands of students .. so I request please to help or give a second chance to those who missed their paper (exam) during that time. I think students too are aslo not responsible for any of the technical issues .. technical issues happen sudden so please humble request to take action towards this problem. Don't put direct ATKT for that exam .. bcoz I faced technical issues during exam and I missed my paper later I got ATKT 😞 . Technical issues are not in students hand .it can be by their side or devices ..but not students problem . Seen the problem discuss the problem and take decision. Thankk you

Over all good learning.

There are some rules regarding dressing style for every student whether boys or girls. But still it is seen that many girl students are not following the rules and seen wearing crop tops, tank tops and it is also seen that once a girl wore a sleeveless top yet she was scolded. Maybe rules regarding dressing up need to be properly followed

No

Better career guidance should be available

No. Clg doing their work perfectly

Rules should be same for every student from every departmnet , discrimination seen in a particular demartment fest .

NOTHING

Placement conduct tybsc chemistry students.

Boys common room required

Best staff

Nk

No comment

All good 😊

No suggestion

Placement for tybsc chemistry students

I dont know if comes in this form but I would like to tell you that cafeteria system is very bad even service too plus prices of dishes are not affordable at all. As a student we cant afford such prices even staff is very rude they talk to us like we owe them something. So please look into it

please put college website for migration...it looks very old fashioned...now our college is autonomous...as a number one college website should also be number one...and college app should be there our college has website (not that good)..youtube page instagram page...except android app...an app should be there that can be used for admission process and instid of making whatsapp group user can put queries there... same app should be used for getting info about every event happening in college even in different branches... student should also able to see attendance...and if a student is filling admission form in fy why we need to fill all that details every year collge can ask for fees that it there js no need to ask for same details every time..thats it

..

No other suggedtions

Give placement

Please help first year students understand the importance of internships, and ask them to do some. And please invite some more companies in the placement drive for accounts and finance roles 😊

No suggestions all is good

NCC

It's okay

Excellent

Placements in biotechnology should be offered by college as it is for IT and CS students of final year.

It's amazing to be part of college which has helped me in shaping my life. Many activities, personality and occasion have given chance to prove and mould us in becoming better version of ourselves. Even in online mode, college always remained connected to us.I received great support from my department and my beloved teachers in my difficult time which keep me moving forward.

All good

Canteen issues are a lot there

It is nice.

No,Not any suggestion

All are excellent 🙏

More interaction and guidance for students to be active in areas of interest. Support to find interested topics

Do you see any improvements based on your last feedback/ needed changes to help cope with the academic challenges thrown up by the current pandemic situation?

Good

Nothing

Social media visibility of the college has improved. Online Teaching was better than last year. Extra curriculars were good. Just many of the teachers resigned this year and I didn't find new

extra-curriculars were good. Just many of the teachers resigned this year and I didn't find new teachers as approachable as the old ones.

No improvement

No

Somewhat

No Complaints For the teachers In Pandemic Situation... As many Were not Aware about Technology and They have Done Excellent Teaching on Online mode also 😊

Can be more better than this

Not much

No I didn't see any improvement in college.

No need

N.A

Everything is nice and the lectures were conducted very nicely and lot of online activities were also conducted

I m happy.

Not sure

Its not written anywhere that science student are superior and arts once are gone case... Please change the approach students are students theres nothing like arts commerce science every one is equal and every one should be looked equally.

Ni

During online schedule should be change and exam time ket at under 12 Am not in afternoon.

Everything is good.

No changes required

Please improve admin office staff behaviour. Thankyou

Yes .

Everything as a college

Everything as a college

No everything is good

Please take placement for bsc chemistry student

Nice

I don't any changeee

Dont no

Yes changes are seen

There is a major requirement for improvement

College actually change after the covid pandemic

Cleaning workers and sweepers should behave well with students.

NO

yes

Online lectures should be done with more transparency, Practically should be done.

Help in getting interships.

Placement cell and student interaction should be very open. For job placements there should be a separate whatsapp group (Coz we missed out some msgs in official group)

Everything is good

Campus should make comfortable for students

Nope.

Nothing

NO

No

NOTHING

Internship and placement conduct.

Not yet

Everything is ok

Nothing all good 😊

Placement

Overall I like college as it is

Badminton court and boys common room

Please give ac in the classroom

Yes. Lecture timing were reduced to students comfort and will.

No changes needed all things are good

Nothing to say

Nope

Just do some changes in office service like it's good at all no reply by college authority when we try to approach the college authority.

Should give placements to students

-

Ok

I didn't faced any problem with admission process and any office work, my academic years were very smooth without any obstacles.

Happy to know that college is introducing some new courses.

Yed

No, Give the proper Notes. otherwise All is ok!!

Good
