

## **CAREER GUIDANCE AND PLACEMENT CELL**

The Career Guidance and Placement Cell (CGPC) of our college has always endeavored to ensure students walk away with not just a degree but also a job at hand. The committee goes beyond its means to set our students on the path to a right career where they can explore their skills at work. We provide adequate training and grooming sessions to our students through our alumni and also by inviting professional trainers from reputed organisations. We conducted various sessions to ensure our students are market-ready. Some of these included:

1. An insight to LinkedIn profile making
2. Resume writing, GD & personal interview training
3. Clinical research awareness session
4. Ten hours career guidance & employability skill enhancement training workshop
5. Certificate Courses in different stream in collaboration with TATA Strive to enhance employability skills

These insightful sessions enthused our students to step into the world seeking jobs in a very well-prepared manner. The mock interview and GD sessions in particular were immensely useful in providing hands-on training of the students.

Apart from the training sessions, there were a whole host of reputed companies that also offered jobs to many third-year students. Some of these companies were, Aspire, Study League IT, Deloitte, LTI Mindtree, Sutherland, TechnoPurple, Wipro, NeoSOFT, Kotak Life, Go Source, CB Chajed & Co., eClerx and many more.

<b>Sr No.</b>	<b>Name of Company</b>	<b>No of students Shortlisted</b>
1.	Study League IT	30
2.	Go Source	24
3.	WIPRO BPO	9
4.	CB Chajed and Co.	8
5.	E Clinical Labs	22
