PRESIDENT'S MESSAGE

Dear Prospective Students,

VES College of Arts, Science and Commerce stands apart for its commitment to values and its student-centered approach. At VESASC, our aim is to groom you not just into accomplished professionals, but also worthy citizens and good human beings.

As Swami Vivekanand said, "Education is the manifestation of perfection already existing in man" We believe in an education that enables you to discover your potential and be a worthy asset to society. Our aim is not to fill your minds with facts, but to empower you to think for yourselves.

VESASC has all the facilities required for your physical, mental and emotional development, dedicated teachers and support staff who are committed to your welfare, and a motivating environment that encourages you to aim for the stars.

I wish you a happy journey with us, as you go through a crucial phase of your lives, building the foundation of your future.

Warmest Regards,
Shri. Suresh Malkani
President,
Vivekanand Education Society (VES)

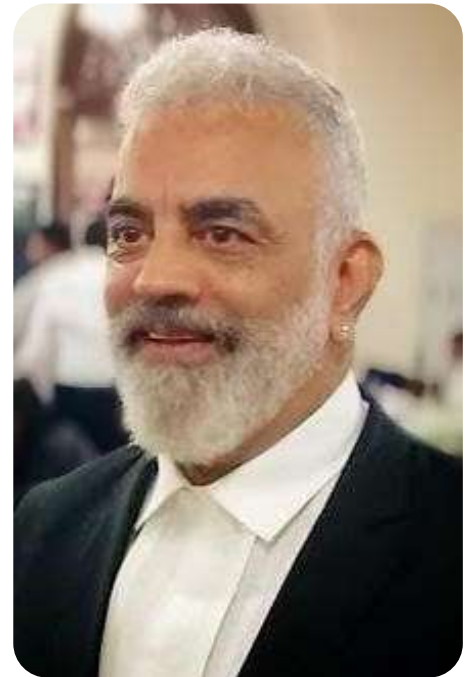

A teacher affects eternity; he can
never tell where his influence
stops.

HENRY ADAMS

SECRETARY'S MESSAGE

Arise, awake and stop not
till the goal is reached.

SWAMI VIVEKANAND

We at Vivekanand Education Society live by this and other teachings of Swami Vivekanand. and strive to provide quality education at all our institutes. Our students and teachers together endeavor to create an effective learning environment that is conducive to developing a child's innate talents. The VES institutions are approved by the regulatory authorities like UGC, AICTE, MSBTE and DTE.

At VES College of Arts, Science and Commerce we provide undergraduate, post-graduate and doctoral degrees in various basic and applied fields. The college became autonomous last year and has executed all the courses independently and judiciously along with introducing new applied courses under autonomy. VES offers the best undergraduate and postgraduate programs in unique areas which are relevant and required at present and in the near future.

As the college gears up to implement the New Education Policy (NEP) in the next academic year we promise to impart holistic multidisciplinary knowledge in all streams. The students will have the choice to learn all the skills they wish to acquire for their future goals.

This new holistic and choice based system of learning will provide the students with complete growth and skill building which will prepare them to face the challenges of the future.

We at VES provide multiple platforms and opportunities to the students to nurture their skills and talents and polish their personalities to become responsible citizens of our great nation. The ideals of VES combined with the principles of NEP promises to provide the best platform for all students entering our institution.

I wish all the students the very best for their journey with us and for a bright and shining future.

Shri. Rajesh Gehani,
Management Secretary,
Vivekanand Education Society (V.E.S.)

PRINCIPAL'S MESSAGE

The academic year 2023–2024 will be a significant milestone for Maharashtra's educational system. The Maharashtra government has decided to start implementing the National Education Policy (NEP) this year .

Since the time of Takshashila and Nalanda universities, India has a long history of being a superpower in the field of education, focusing on all-around growth with holistic and multidisciplinary learning. All streams of education, from the physical, chemical, mathematical, and social sciences to economics, cultural, and commerce activities, have revelled in India's rich cultural legacy. We must once more restore education's former luster in the twenty-first century.

The goal of good higher education in the current times must be to create good, intelligent, creative all-rounders. Higher education must help students develop their character, ethical and constitutional principles, intellectual curiosity, scientific temperament, and creativity in addition to their academic skills. A person with such a degree should lead the society by using his or her knowledge and abilities to address pressing issues. In order to contribute to a developing national economy, higher education must serve as the foundation for knowledge development and innovation.

The tight discipline specific division in the current higher education system leaves little room for the development of cognitive abilities and inventiveness. To address these issues, NEP envisions reviving the entire educational system and transforming it into a multidisciplinary one that can merge the arts, sciences, commerce, academic and technical streams. As a result, an environment will be created where science graduates with a background in accounting can launch their own businesses. Graduates in commerce will benefit from computational and scientific temperaments. Students who excel in sports and music can earn respectable degrees in the subject of their choice at their own speed with multiple entries and multiple exits (ME-ME) permitted.

We have an edge over others, at the Vivekanand Education Society's College of Arts, Science, and Commerce since we have all the streams under one roof in addition to practical training for music, sports, and many other talents. To make the teaching-learning process exciting and relevant, it is crucial to have a learner-centric strategy, successful learning outcomes, and engaging pedagogy. With autonomy, we have the opportunity to create our own curriculum and evaluation plan in accordance with the requirements of our stakeholders, providing them with more satisfying and desirable teaching-learning experiences.

At the heart of NEP is our vision of creating an enlightened society through holistic education. With the help of numerous disciplines, we have easily combined a flexible curriculum structure, and we have made baskets for students to select the subjects they are passionate about. Almost all departments have made an effort to include additional soft skills, ability enhancement courses and creative vocational subjects. Additionally, we have post-graduate divisions in each of our streams, allowing us to offer 3- or 4-year degree programs based on the preferences and needs of our stakeholders and students.

Students have a wide range of options for a great campus experience, including involvement in sports, the Youth Festival, the Culture and Art Forum, department association activities, outreach community service projects, etc. To address emotional and stress-related concerns, a top-notch counseling system (VESLARC) is in place. Outstation students get access to hostel amenities. The VES Samarthan program offers financial aid to needy and deserving students.

We strive to create an affordable, worthwhile, valuable, employable, fun-filled, and holistic learning higher education experience.

Best wishes
Principal,
Dr. Anita Kanwar

An investment in
knowledge pays the best
interest.

WELCOME TO VIVEKANAND EDUCATION SOCIETY

- Vivekanand Education Society (VES) runs 26 institutions in the vicinity of Chembur.
- The Society's aim is to impart quality education to all including the economically backward classes thereby playing an important role in the progress of our country, vision of Shri Hashu Advaniji, a great social worker.
- All institutions are located in Kurla and Chembur, a lush green suburb convenient to travel from any part of Mumbai. Today, VES has a vibrant community of Native students, faculty, staff, and alumni.
- Over 18000 students enroll for pre-primary, primary, secondary, higher secondary schools, graduate and postgraduate colleges, higher educational institutions like engineering, management, pharmacy, law, polytechnic.
- VES believes in the overall development of its students and hence has a dedicated leadership academy, sports academy, catering & craft center, and vocational guidance institutes. VES provides, for its out-station students, separate hostel facilities for girls and boys.

ABOUT THE COLLEGE

- V.E.S. College of Arts, Science and Commerce (Autonomous) was established in June 1979 with First Year Course in all three faculties.
- It is permanently affiliated to the University of Mumbai. It is also recognized by U.G.C. under 2(f) and 12B. Our College has minority status (Sindhi linguistic minority).
- **The college has been Re-accredited by NAAC (3rd Cycle) with A grade (CGPA 3.26) in December 2026.**
- **We have been conferred with Autonomous Status by UGC and the University of Mumbai from the Academic Year 2021-2022.** The college is an autonomous college and the degree will be awarded by the parent University - University of Mumbai.
- The college has been bestowed with 'Best College Award' by University of Mumbai in the year 2012-2013 (Urban Area). It has also received grants from DST under the FIST scheme and the Star College Grant from DBT in the year 2015-2016.
- Our goal is to impart Quality Education and contribute towards character building of students. Our endeavor to achieve it, is reflected through our curriculum wherein continuous efforts are directed to make the educational programs more relevant.

MISSION:
Pursuit of
Excellence in
Higher
Education

VISION:
Enlightened
Society
through
Holistic
Education

OBJECTIVES:

- To provide a conducive academic atmosphere to students.
- To improve the overall academic performance of students.
 - To inculcate discipline as a value among students.
 - To develop employable skills among students.
 - To render service to society.

ADMISSION PROCEDURE

All first year Admissions will be made as per the guidelines issued by the University of Mumbai and the Government of Maharashtra. **Our college has minority status (Sindhi linguistic minority)**

FIRST YEAR ARTS

Students passing S.Y. J. C. (Std. XII) with Arts or Commerce or Science and S.Y.J.C. with vocational subjects are eligible for admission to F. Y. B. A.

Students from other states (eligibility) are required to have ENGLISH as a compulsory paper at H.S.C. (level)

FIRST YEAR SCIENCE

Students passing S. Y. J. C. (Std. XII) with Science subjects only. Vocational courses/MCVC with relevant subject combinations/students with Post SSC 3 Year Engineering Diploma who have at least completed 2nd year with required subjects as per ordinance no. O.2145 are eligible for admission to F.Y.B. Sc.

FIRST YEAR COMMERCE

Students passing S. Y. J. C. (Std. XII) Commerce or S. Y. J. C. Science with mathematics or S. Y. J. C. (Commerce) with vocational subjects are eligible for admission to F. Y. B. Com.

Students passing Diploma in Administration Services (Commercial and Secretarial Practices) conducted by Premila Vithaldas Polytechnic, S.N.D.T. Women's University are eligible for admission to F.Y.B.Com.

Students coming from Universities/Board other than Maharashtra State: Students coming from outside, i.e. other than Maharashtra State Board, will be admitted to the college on the basis of provisional eligibility certificate. In case the admission of the student is found to be invalid for any reason, the responsibility will lie with the student. Students will account for the gap if any, between H.S.C. and joining F. Y. Class by submitting a gap certificate, N.O.C. & T.C. from the previous institute.

Admission under Minority Quota (Sindhi): Students seeking admission at FY level under 'minority category' are required to produce documentary proof (affidavit) certifying their Sindhi status. It is desirable that they complete the Sindhi Certificate Course.

International Students: Foreign students seeking admission are required to submit the following documents:

a) Photocopy of Passport b) Copy of Transcript

Documents Required for Admission:

Students should bring the following documents in original along with duly attested photocopies for verification at the time of admission:

- a) For F.Y. Admission, it is mandatory to register for Pre-admission Enrollment form online at www.mum.digitaluniversity.ac and submit the same along with college admission form.
- b) Original Mark sheet of H.S.C., two photocopies of H.S.C. Mark sheet, one photocopy of S.S.C. mark sheet and one photo copy of Leaving Certificate (LC) for F.Y. admission.
- c) Original Mark sheet of Sem-I & II along with one photo copy for S.Y. admission.
- d) Original Mark sheet of Sem-I, II, III & IV along with one photo copy each for T.Y. admission
- e) For new admission at S.Y./ T.Y.-NOC with enrolment details to be produced from the previous-college.
- f) One recent Passport size photograph taken in a light coloured dress for all classes.
- g) One recent Passport size photograph of Parent/Guardian.
- h) Address Proof (photo copy of Ration Card/Electricity Bill/Telephone Bill/Passport/Driving License, Aadhar Card. any one)
- i) You are requested to preserve your Current ID. Card. & Revalidate from the College office after commencement of the college.
- j) Caste Certificate (if applicable)
- k) Documentary evidence regarding special category status
- l) Eligibility Certificate (students coming from other than Maharashtra Board and Maharashtra Technical Board). Eligibility forms will be distributed by the colleges and the same will be resubmitted to the college along with necessary documents. (eligibility fees Rs. 220/-Rs.320/- and Rs. 750/- as the case may be). **Admission will be provisional till University approves the documents.**
- m) Physically challenged candidates should produce the relevant Certificate from competent authority.

NOTE 1: In case the original mark sheet of H.S.C. has been submitted for admission to any college, a certificate to that effect, signed by the Principal of that College must be produced.

NOTE 2: University Enrolment forms are required to be submitted on-line by First Year Students to confirm their admissions.

ACADEMIC ACTIVITIES

Additional Credit Program:

This special program, referred to as ACP, is a unique program offered solely to the students of VESASC. It caters to the needs of advanced learners. It is an interdisciplinary advanced level program designed to provide an educational experience from diverse fields to nurture the growth of the student academically, socially, emotionally and intellectually and to sensitize him/her towards the vast research potential in his/her field of interest.

Research Activities:

The college strives for a robust mechanism for developing and strengthening the research ecosystem with integrity and research ethics. Building research capacity among students and teachers through research monitoring and administration is the significant objective of the research development cell. The college has a Research Circle which helps teachers prepare their research proposals, provides information on funding avenues and also holds seminars and research poster competitions for students and teachers.

Educational Visits:

Several departments of the college arrange educational tours and industrial visits for their students. This widens the horizons of our students, giving them an opportunity to see the application of theoretical texts and gauge how reality may actually be different from bookish knowledge.

EXTRA CURRICULAR ACTIVITIES

Sports

Sports are seen as an integral part of education. The college encourages both sports and sportsmanship. Through the Sports Department, we provide facilities and opportunities to young students for enhancement of their athletic skills and fitness. Last year two sports in-charges have been appointed by the college to improve the sports training facilities provided to our students. Annual Sports Day is conducted every year during the month of November/December. Over the years many students of the college have represented the state and the country in various athletic events. Last year two students of the BMS department, Mr. Ritesh Borade and Ms. Ritika Mahavar won the Asian gold medal as well as the state gold medal in Acrobatic Gymnastics. VES promises to nurture all sportsmen and sportswomen who will represent India in the future.

Forum Activities

The Cultural Forum of the college organizes events and competitions throughout the year. We have made provision for a special one hour time slot in our time table, once a week for co-curricular and extracurricular activities. This time slot is known as 'Forum Time' and is between 11:10 a.m and 12:20 p.m. on Saturday. No lectures are conducted during this time, which is devoted entirely to extra-curricular activities.

Talentia and Annual Day

Talentia is the most awaited Annual Cultural Festival of the college. This is the occasion during which students exhibit their talents in a variety of cultural events that fall under the categories of Performing Arts, Fine Arts and Literary Arts.

The Annual Day program at VES is rich in meaning and spirit. The program appreciates the academic, and cultural achievements of our students. The academic toppers are awarded and the cultural programs performed by our students in various inter-collegiate festivals are showcased.

Music

There is a well-equipped Music Room where interested students are provided training in Hindustani Classical music by our music teacher Shri Santosh More. Sir is associated with Gandharv Mahavidyalaya from where students can give qualifying exams in music. Music workshops are also conducted.

Sindhi Association

The Sindhi Association of our college is active in teaching and promoting the Sindhi language and its culture. Sindhi language classes are conducted on a weekly basis.

Marathi Vangmay Mandal

The Marathi Vangmay Mandal is a platform that promotes the beauty and richness of the Marathi culture through dance, drama, songs and literary activities.

Nature Club Activities

The Nature Club is a club of nature lovers amongst teachers, researchers, and students. The Nature Club organizes adventurous trips, trekking events etc. for the students under the guidance of the teaching staff to develop self-confidence, interpersonal skills, team spirit, ability to manage difficult situations and most of all, learn to appreciate, respect and value nature.

STUDENT WELFARE ACTIVITIES

Women Development Cell: Aim of WDC is to build a gender sensitive campus and address concerns of gender discrimination. WDC follows UWDC guidelines to achieve gender parity at the campus. WDC aims to prevent sexual harassment at campus Following the UGC guidelines (2015) based on the Sexual Harassment Act of 2013, college has the Internal committee team that addresses complaints of sexual harrassment.

Career and Placement Cell: The Cell conducts activities for guiding the students in developing employability skills and selecting a good career. It conducts campus placements for Third Year students to make them confident and financially independent. The placement fair is also conducted by CGPC that helps to gain the employability amongst students. Various companies in which our students are placed are Wipro, TCS, Deloitte, L&T InfoTech, Willis Towers Watson and many more. Internship opportunities are also offered to the First-year and Second-year students.

Personal Counselor: College life can be challenging and is often stressful. Students experience these challenges in a number of different ways: difficulties adjusting to college, confusion in deciding on a major career path, struggles in relationships, or-friends. The college has an appointed counselor for students to help them identify more effective strategies to cope with difficult situations and to achieve their goals. All services are rendered free of cost.

DEPARTMENTAL ACTIVITIES

Departmental Associations

Many departments have a student association that conducts co-curricular activities throughout the year where students learn more about their subjects through non-academic activities and also develop organizational and leadership skills. Participation in departmental association activities also carries credits in some semesters.

Inter-collegiate Event - VESCON

Various departments and departmental associations used to organize intercollegiate academic events Chem-Talentia (Chemistry) Confluence (B.M.S) Sagacity (I.T). Vihaan (Comp. Science), Kaun Banega Physicist (Physics) and Arvestus (BAF), Mathemight (Mathematics), Niraya (BFM), Confluence (BMS), Euphony (B&I), Impressions (BAMMC). These vibrant events facilitated interaction of our students with students of other colleges. Last year these were all clubbed together to have a three day mega event - VESCON. All departments hosted students of other colleges as participants in a varied variety of co-curricular events. The inaugural session was chaired by Shri Ashish Shelar, member of Maharashtra Legislative Assembly. Many celebrities also attended the event which saw participation from over 18 colleges.

Academic Affiliations/Collaborations

The college has established external linkages with several academic institutions, industries and NGOs to facilitate activities such as practical training and to create awareness about social issues among the students. Some of these include B.A.R.C., Dr. Patani Scientific & Industrial Research, Indofil Chemicals Company, Bombay Dyeing Mfg. Sitec Pvt. Ltd., Raptakos, Brett & Co. Ltd. Aarti Healthcare Ltd., Elder Pharmaceuticals. R.C.F. Ltd. Sharon Biomedicine. Pidilite industries ltd. PepsiCo India Holing Private, Excel Industry Pvt. Ltd., Sandoz Dighe Kalwe, Reliance Industries Ltd. (NMD), Pharmasolve Specialities India Pvt. Ltd., C.I.P.LA., Hindustan Chemicals Ltd., Nycomade Micro, Ribopham Laboratories India, Forum of Free Enterprise, Centre for Education, Million Minds.

EXTENSION ACTIVITIES

Life Long Learning and Extension (LLE)

The college has an active department of Lifelong Learning and Extension (DLLE). The department conducts activities in accordance with the guidelines given by University of Mumbai. The main objective of LLE is to sensitize students towards social responsibility and to inculcate in them leadership qualities and team spirit. In the past we have worked on projects like Survey of Women Status(SWS), Population Education Club (PEC) and Career Project (CP) with participation of around 500+ students every year. Students who complete the 120 hours of extension work are eligible for credits in some semesters.

National Service Scheme

The N.S.S. unit of our college has been in existence since 1982, with the primary objective of arousing social consciousness and providing the students with opportunity to work with the community. In the process, the unit also aims to enhance the personality of the participating volunteers. The Government of India and Ministry of Education and Culture in collaboration with the State Government sponsors the programme. The unit conducts various activities such as blood donation camps, books distribution, tree plantation etc. Students have to complete 30 hours of volunteer work to get additional marks/credits.

Outreach Cell

Our college has a social service cell called "Out-reach". This cell is dedicated to social and extension activities at sister institutions and national and international NGOs. Our endeavor is to sensitize our students towards the physically challenged, visually impaired and differently abled students of our community. In the past five years we have developed interactions with many NGO's and social groups like Youth for Seva which works for Adivasi children, Bal Anand, NASEOH as well as with institutions in the neighborhood such as TISS and the NGO, HUM.

AMENITIES

Introduction

The institution recognises that academic possibilities aren't the sole factor in enhancing a student's personality; co-curricular and extracurricular activities, and campus life all contribute to the student's entire growth. The college, which is set over a 4-acre campus and has a built-up area of 6878 sq.m., assists students in achieving their academic goals while also enhancing their personalities.

Sports

“You miss 100% of the shots you don’t take.” -

Wayne Gretzky (Canadian Hockey player)

At VESASC, sports is seen as an integral part of education. The college encourages both sports and sportsmanship. The college has a multi-purpose ground (2 acres) for outdoor events like Athletics, Football, Cricket, Handball, Kabaddi, Kho-Kho and Volleyball. It has a separate facility for indoor sports like Table Tennis, Chess and Carrom. In addition, the college has various fitness and training equipment and kits for Badminton, Taekwondo, Boxing, etc. The college provides opportunities to students and supports them to participate in various tournaments at the Intra-collegiate, Inter-collegiate, University, District, State and National level by:

- Appointing coaches for systematic training for improving performance.
- Paying registration / entry fees for the tournament.
- Providing apparels, sports gears, medical kits, etc.
- Providing TA/DA
- Felicitating the winners

Sports In-charge: Mr. Shrikant Ghodke (Assistant Professor in Physics)

DST-FIST AND DBT-STAR COLLEGE GRANT

VES College of ASC is a proud recipient of the "FIST- Fund for Improvement of Sciences and Technology infrastructure "grant from "DST-Department of Science and Technology "and "Star

College Grant" from "DBT-Department of Biotechnology". It gave us an opportunity to upgrade our science laboratories and helped in promotion of Science Education, making it exciting by shaping our curriculum to extend enriching learning opportunities for our students. Three department viz. Chemistry, Physics, Microbiology were selected as Recipients of FIST grant by DST. We have been sanctioned Rs. 80 lakhs under FIST grant. Five departments viz. Chemistry, Physics, Microbiology, Biotechnology and Computer Science were selected as recipients of the Star College grant. We have been sanctioned Rs.58 lakhs under this grant

Central Instrumentation Facility

We have a Central Instrumentation Facility having high end research equipment, namely - HPLC, FTIR and UV-Visible etc. It will be a great facility for the Chemistry, Physics, Microbiology departments as they are recognized Ph D. Centres and therefore can avail the facility to undertake several research projects. This will definitely give an impetus to research activity at the college.

Laboratories

“The true laboratory is the mind, where behind illusions we uncover the laws of truth.”
- Jagadish Chandra Bose (Biologist, Physicist, Botanist and Writer)

- The college has separate laboratories for Physics, Chemistry, Microbiology, Psychology & Computer Science. B.Sc. IT, Biotechnology, Mathematics & Language Lab
 - **Physics:** Two main Laboratories, One dark room where about 3 batches of 20 students each can work at a time.
 - **Chemistry:** One big laboratory where 4 batches of 20 students each can work at a time and one small lab where 2 batches of 20 students can work. Besides there is a separate Physical Chemistry laboratory, three Post-graduate Chemistry laboratories, an instrumentation laboratory and store-room.
 - **Microbiology:** One big undergraduate laboratory, two post-graduate laboratories, an instrument room, along with cubicles equipped with a laminar airflow system.
 - **Biotechnology:** One undergraduate lab and one Animal Tissue Culture lab
 - **Psychology:** One laboratory with relevant equipment and materials. It has a computer with internet connection, OHP and LCD projector.
 - **Computer Science:** Three full-fledged computer labs equipped with the latest software & hardware. The labs are constantly updated to cater to the current demands
 - **Information Technology:** Full-fledged computer labs equipped with the latest software & hardware. The labs are constantly updated to cater to the current demands
 - **Mathematics:** One lab
 - **Media and Language Lab:** Equipped with computers and television
- **Laboratory Equipment:** All the laboratories are adequately equipped as per the University norm.

Class-Rooms

"Let us remember: One book, one pen, one child, and one teacher can change the world." -**Malala Yousafzai** (Education activist)

- Well equipped for ICT (Internet connections, overhead projectors and projection screen)
- Spacious, ventilated and well lighted
- Well furnished with furniture with full of lively interactions

Library

Our College Library is the hub of learning with a rich collection of more than 59,000 Books, Standard Reference Sources and other audio - visual material like videocassettes and CD ROM's. The Library subscribes to around 80 periodicals some of which are International Journals. The College Library is fully automated with Online Public Access Catalogue (OPAC) <http://veslibrary.ves.ac.in/> of Library holdings and the same is also accessible from College Website.(<http://vesasclibrary.ves.ac.in/>) The entire Library is under 24 hour's electronic surveillance.

The Library is on the fourth floor. The Library Reading Room can accommodate around 200 students. The Library is open on all working days from 7.30 a.m. to 5.45 p.m. The timings of the Library during the examinations and the vacations will be informed from time to time. It will be closed on Sundays & holidays.

We at the library are here to support you all in your academic endeavors and will help you to locate, select and acquire the information you need from what may seem like a rather daunting mountain of information resources. We try our level best to acquire and make available all the material that is required for your learning.

Services and Activities

- Document Delivery
- Bibliographic Service
- User Orientation and Information Literacy Sessions
- Reference Service
- Plagiarism check
- Remote access to e-resources
- Current Awareness Service
- Book Banks
- Inter Library Loan facility
- Book exhibitions and theme based monthly display.
- Book Discussions in small groups
- Annual Book Review Competition for students
- Webinar/Sessions on various topics

Salient Features of Our Library: Physical library with a rich print collection, digital library with remote access to e-resources, section for students to access e-resources.

LIBRARY RULES:

1. Every student must possess his/her Identity card for use of the Library. Books and other material will be issued against valid ID card only.
2. Complete Silence must be maintained in the Library. Any student who is found causing any sort of disturbance in the Library is liable to be debarred from the Library facilities.

3. Students can get any book i.e. Textbooks, reference books, Reference Sources for reading in the Reading Room against his/her Identity Card. If such a book is taken outside without the permission of the Librarian then a non compliance charge of Rs. 10/- will be charged and no book will be issued to him/her in future.
4. Newspapers and Periodicals are issued against Identity Card for Reading in the Reading Room. Bound volumes of journals will be issued for current reading only.
5. When books are issued, students should check the pages of the issued books and if pages are found missing, they should report the same to the Library staff before leaving the counter. On returning the books if pages are found missing the last borrower of the book shall be held accountable for the missing pages and penalty will be levied accordingly.
6. Students are required to handle books and reading material very carefully. Marking Library books with pencil or ink, tearing the pages or spoiling the same in any other way will be viewed very seriously. In such a case, the last reader will be held responsible unless he shows the Library staff at the time of issue that the book had been previously marked or damaged. In the event of damage of any kind, the last reader will be liable to compensate for damage. Books will have to be replaced and an additional cost of Rs. 10/- will have to be paid as processing charges.
7. It is observed that some of the students do not return the Library Books on or before the due date stamped on the date slip in the book, thus depriving other students using the Library facilities. In order to prevent such students from keeping Library books with them for longer than normal, overdue charges will be as follows :-
After the due date Re. 2/- per day
Onsite /Current book : Rs 5/- per day
8. In case a Reader loses a book he/she should replace the book. In case the book cannot be replaced; the current price of the book and an additional charge of Rs. 10/- as processing charges will have to be paid.
9. Membership card is non-transferable. Students must not lend their Identity Card to any other student to borrow books from the Library. Library facilities will be suspended for students misusing cards.
10. The College Leaving Certificate or Transfer Certificate will be issued to student only after he/she has returned all the Library books.
11. Students should not speak on Mobile Phones in the Library. They must go out and attend/make their call so as to avoid disturbance to others. Suitable action will be faced by Students flouting the rules.

For any further details please contact: library.asc@ves.ac.in

Other Amenities

- Conference Hall: College has a big conference hall with 200 seats. The various programmes like seminars and talks by eminent scholars etc., are arranged in the Hall.
- Audio-visual Aids: College has over-head projectors, T.V. and Video Sets & LCD Projectors.
- Girls' common room
- Canteen
- Sick Bay for staff & students.

Career Katta

(Career and Entrepreneurship Counseling, Skill Development, Internships, Placement, etc.)

Career Katta is an initiative of Department of Higher and Technical Education, Govt of Maharashtra and in coordination with Maharashtra Information Technology Support Centre. The college conducts various activities to guide students about Career, Competitive Examinations (UPSC, MPSC, Banking, SSB, SSC, Police, LIC, etc.), Entrepreneurship, Skill Development; Credit Earnings under new CBCS and NEP Curriculum Framework, Internship and Placement Opportunities, etc.

Eligibility to Join:

Any student admitted for any regular course in the college or college alumni referred by College Coordinator.

Registration Fees: One Time Rs. 365 for Three-year degree period (Rs. 0.36 per day), which will be reimbursed in the form of subsidy on examination charges of CBCS. It including free access to all the activities, courses, State Level Competitive Exams, etc.

How to Register: Download the MITSC application from Google Play Store and pay fees using any online payment mode

College Code: A 466 (Please include the Career Katta code of the College)

Contact: For more details visit college webpage _____ or contact Coordinator Dr. Prashant Mandlik, Department of Chemistry, 94038 66611 or Career Katta Helpline 75076 52555

SCHOLARSHIPS AND AWARDS

Scholarships

- **V.E.S. Samarthan:** Applicable to any students studying in Vivekanand Education Society's Schools and Colleges only are eligible. Therefore students from any stream can avail this scholarship and VES Staff.
- **V.E.S. Welfare:** Can be availed by wards of V.E.S staff.
- **Nihchal Israni Foundation:** Any student of the college who has secured academic aggregate more than 65% and family annual income less than Rs. 4 Lakh per annum is eligible for this scholarship.

Awards

- **Shri Mahavirprasad G. Saraf Best Student Award:** The Best Student Award is the most prestigious award of our institution. "Ghanshyamdas Saraf Memorial Rolling Trophy" along with a Trophy from the College and a cash prize is given to the 'Best Student'.
- **Academic Proficiency prize:** Students who secure the highest marks in the college exams or in the University exams year wise/overall will be awarded Academic Proficiency prize by the College.
- **Shyamlal Damani award:** To be given to physically handicapped students for his/her creative skills/Commendable academic performance.
- **Sports Awards:** Students winning prizes in Sports at University, Inter- University, District, State, National and International Level competitions are felicitated with Appreciation Letters, Cash prizes and Trophies during Annual prize distribution program.
- **NSS Best Volunteer Awards:** To be given to the one boy and one girl NSS volunteer of the year, who has worked dedicatedly for the whole year.

“The beautiful thing
about learning is that no
one can take it away from
you.”

B. B. KING

National Education Policy 2020 and its implementation in the academic year 2023-24

The world is undergoing rapid changes in the knowledge landscape. With various dramatic scientific and technological advances, such as the rise of big data, machine learning, and artificial intelligence, many unskilled jobs worldwide may be taken over by machines, while the need for a skilled workforce, particularly involving mathematics, computer science, and data science, in conjunction with multidisciplinary abilities across the sciences, social sciences, and humanities, will be increasingly in greater demand. With climate change, increasing pollution, and depleting natural resources, there will be a sizeable shift in how we meet the world's energy, water, food, and sanitation needs, again resulting in the need for new skilled labour. The growing emergence of epidemics and pandemics will also call for collaborative research in infectious disease management and development of vaccines and the resultant social issues heightens the need for multidisciplinary learning. There will be a growing demand for humanities and art, as India moves towards becoming a developed country as well as among the three largest economies in the world. Education thus, must move less towards content, and more towards learning about how to think critically and solve problems, how to be creative and multidisciplinary, and innovate, adapt, and absorb new material in novel and changing fields. Pedagogy must evolve to make education more experiential, holistic, integrated, inquiry-driven, discovery-oriented, learner-centered, discussion-based, flexible, and, of course, enjoyable. Education must build character, enable learners to be ethical, rational, compassionate, and caring, while at the same time prepare them for gainful, fulfilling employment.

This National Education Policy 2020 is the first education policy of the 21st century and aims to address the many growing developmental imperatives of our country. This Policy proposes the revision and revamping of all aspects of the education structure, including its regulation and governance, to create a new system that is aligned with the aspirational goals of 21st century education. It is based on the principle that education must develop not only cognitive capacities - both the 'foundational capacities' of literacy and numeracy and 'higher-order' cognitive capacities, such as critical thinking and problem solving - but also social, ethical, and emotional capacities and dispositions.

Quality Universities and Colleges: A New and Forward-looking Vision for India's Higher Education System

Higher education plays an extremely important role in promoting human as well as societal wellbeing and in developing India as envisioned in its Constitution. Higher education significantly contributes towards sustainable livelihoods and economic development of the nation. As India moves towards becoming a knowledge economy and society, more and more young Indians are likely to aspire for higher education.

The policy's vision includes the following key changes to the current system:

- (a) moving towards a more multidisciplinary undergraduate education;
- (b) moving towards faculty and institutional autonomy;

- (c) Internationalization of HE
- (d) Emphasis Regional Language in Education including Technical Education
- (e) revamping curriculum, pedagogy, assessment, and student support for enhanced student experiences;
- (f) governance of HEIs by high qualified independent boards having academic and administrative autonomy;

VES College of Arts, Science and Commerce being an autonomous institute since 2020-21, will be able to implement this policy to the greatest extent and achieve its goals of a multidisciplinary and flexible education system that allows students to learn and grow in a holistic and independent manner with each student getting the freedom to learn and develop skills that they desire.

NEP Implementation in First Phase:

The implementation of the National Education Policy in the academic year 2023-24 stresses on two aspects primarily,

- (i) Multiple entry/exit points giving the student the freedom to learn at their own pace, and
- (ii) Multidisciplinary model of learning, allowing the student the flexibility to take courses from different streams according to their choice and the demand of the field which they wish to undertake in the future.

(i) Multiple Entry and Multiple Exit options: Students from this year onwards do not have to do a three year bachelor's degree mandatorily. The bachelor's program is now divided into four years. The student can exit the program at the end of even semester and make reentry at the odd semester depending on their requirement.

The structure of the Three/Four-year bachelor's degree programme allows the opportunity to the students to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per their choices and the feasibility.

Depending upon how many years of the program the student completes, they will be given the following degrees:

Qualification Title	Duration (in years)	Semesters
UG Certificate	1	2
UG Diploma	2	4
Bachelor's Degree	3	6
Bachelor's Degree with Honours	4	8

At the end of every even semester, the student has the freedom to leave the course. If they wish to do so, they will be asked to take up an additional skill-based course on the completion of which they will be awarded the above mentioned degree.

If the student continues with the course for four years, they get an Honours' degree which is equivalent to doing one year of post graduation.

This program also allows the student to enter any course at different stages, provided they have earned the required mandatory credits of that entry point. This gives the student the opportunity to switch fields, if they feel the degree they are pursuing is not suitable for them. This is a huge opportunity for students who take up a course and then realize that they are not comfortable in the field they have chosen. So if an engineering student wishes to switch fields and take up regular B.Sc. the years they spend in engineering will not go wasted, depending on the credits they have earned and the subjects they have learned they can join the B.Sc. programme at a parallel stage.

(ii) Multidisciplinary mode of learning: This system of learning has been designed keeping the current economy in mind. In the current times, it is very important for every individual to have the basic knowledge of all fields. Also, a very diverse set of skills is required by every individual, irrespective of which stream they are in. For example, to succeed in the field of E-commerce, one needs to have the knowledge of commerce, management as well as Information Technology. The burgeoning pharmaceutical industry requires experts with knowledge of drug chemistry, human biology and marketing and management skills.

Keeping this in mind, all the programs have been designed in such a way that apart from doing core courses in their main subject the students will have to choose and take up multidisciplinary courses from different streams. For instance, an arts graduate can take up a few courses in either commerce or science. Apart from this skill based courses will be provided in every semester to give the students the employable skills required by the industry they wish to join. Certain skills such as communication and research will be a part of every course. Students will also be asked to take up either research projects or internships at the third year level to have expertise and experience in their chosen stream. All these will carry credits which the student has to acquire for the completion of the degree. Students will be encouraged to acquire extra credits by doing online courses from government registered sites such as SWAYAM. Field projects, intership, community engagement and on-job-training have also been introduced as a part of the curriculum.

Every student will have to earn credits by choosing major, minor, multidisciplinary (open elective), ability and skill enhancement courses, value added courses. These credits will be deposited in the national level repository called "Academic Bank of Credits- ABC". Whenever a student at any level will earn more than 50% of the credits from a major subject, he or she will be awarded a degree in that subject.

In conclusion, the National Education Policy is a boon to the students who are preparing themselves to become the workforce of a growing economy such as India. The work environment is demanding creativity, diversification and risk-taking ability for every individual. The stress now is on becoming entrepreneurs rather than an employee. This new education system has been developed keeping all this in mind. It promises to allow the student to learn everything they want and require for their future. It will ensure that the students acquire the skill set that makes them ready to face the challenges at workfront. It is a different and new way of learning that will be enjoyable and engrossing for every adolescent as they grow into responsible citizens of our great nation.

[Adapted from the National Education Policy 2020, Ministry of Human Resource Development, Government of India]

Examination

The College has been granted Autonomous Status by University Grants Commission (UGC) for a period of Ten Years w.e.f. 2020-2021 to 2030-2031 (Letter No. F. 22 1/2017(AC) dated 7th Sept, 2021) and further has received conferment by the University of Mumbai vide its letter Aff/ICD/21-22/1101. However, the college will remain affiliated to University of Mumbai with an autonomous status.

Choice Based Credit Semester System (CBCS)

Assessment and Evaluation Pattern

The performance of each learner will be evaluated in two components.

- For UG programs - Internal: Total marks 25, External: Total marks 75. Individual passing in both internal and external exams is a must.
- For PG programs - Internal: Total marks 40, External: Total marks 60. Individual passing in both internal and external exams is a must.
- Internal exams would include a minimum of two academic activities (Test/PPT/Project etc.)

Passing Standard

- There would be no internal exams for Practical Papers.
- Passing in each individual head is a minimum of 40% (Independently in External and Internal).
- However, overall grades would be given by combining marks of External and Internal exams in aggregate for each course.
- ATKT as per University Norms.

Grading System-10 POINT

Revised Scheme of Evaluation under Choice Based Credit and Grading System (CBCS) for UG programs is applicable from the A.Y. 2022-2023 progressively.

- At the end of every semester, a student will be awarded a grade based on his/her performance in examination and/or assignments in every course registered by him/her.

- Grading System-10 POINT

Marks	Grade Point	Grade	Performance
80 & Above	10	O	Outstanding
70 - 79.99	9	A+	Excellent
60 - 69.99	8	A	Very Good
55 - 59.99	7	B+	Good
50 - 54.99	6	B	Above Average
45 - 49.99	5	C	Average
40 - 44.99	4	D	Pass
Less than 40	0	F	Fail

0.299

- Candidate shall be eligible for the award of maximum 10 grace marks, wherever necessary in addition to the mark secured in each head of passing for participation in any one of the activities like Sports, NCC, NSS, DLLLE

Additional Credits

- These additional Credits could be earned from both Co-Curricular activities credit (CCC) and Extra-curricular activities credit (ECC).
- Co-curricular credits under NEP are course specific and are mandatory credits for completion of the program.
- In CCC every 30 hours will enable the student to earn 2 credit points and in ECC every 30 hours will enable the students to earn 1 credit point.
- Students can earn as many additional credits as they can which will be mentioned in their mark sheets.
- **Co-Curricular Credits (CCC)-few examples**
 - Presenting paper/poster in National, International conferences,
 - University Avishkar participation,
 - Publications in peer reviewed journals,
 - Attending online courses (with completion certificate) from MOOC, Coursera, NPTEL, Swayam or offered by college,
 - Internships, participating in Co-curricular activities at department level certified by the HOD/Coordinator.
- **Extra-curricular activities credit (ECC)-few examples**
 - Winning awards at University -Youth festival, Avishkar.
 - Sports at University/ State/ National/ International level.

Department of Economics

About the Department

- Learner-Centric approach using multiple teaching tools to make the subject easy to grasp while at the same time current, relevant and interesting.
- Multiple student co-curricular activities for an all rounded development are organized in collaboration with prominent institutions and bodies.
- Encouraging student participation in subject based intra and inter-collegiate competitions.
- Encouraging subject based research by students with paper/ poster presentations/ publications.
- Invited talks by eminent personalities/ practitioners/ prominent alumni.

Faculty details

1. Name of Faculty : Mrs. Samhitha Sharma Kain
Designation : HOD, Associate Professor
Qualification : M.A. Economics, Delhi School of Economics, University of Delhi, NET.
Area of Interest Specialization : Indian Economy, Environmental Economics, International Economics
2. Name of Faculty : Mrs. Sunita Choudhury
Designation : Assistant Professor
Qualification : M.A, M.Phil, Utkal University, Odisha, SET
Area of Specialization : Advanced Economic Theory, Macro Economics, Micro Economics, Rural Economics
3. Name of Faculty : Dr. Heena Ganatra
Designation : Assistant Professor
Qualification : M.A, DHRM, NET (Economics), PhD in Economics from SNDT University
Area of Specialization : Growth and Development, Industrial and Labour economics, Investment Analysis

Salient Features of the Department:

- Entrepreneurship Workshop (Flagship Programme) with hands-on experience for in-house budding student-entrepreneurs.
- Prestigious A.D. Shroff Elocution and Essay Writing Competition at regional level in collaboration with Forum of Free Enterprise for encouraging thinking, speaking and writing on current socio-economic issues.

- Student participation in an Annual Residential Leadership Camp (for one week in December) organized by Forum of Free Enterprise.
 - Know Your Economy' (KYE) National Level Test/ Competition in collaboration with the Scientific Research Association for Economics and Finance (SRAEF).
-

Department of Commerce

About the Department

- The Department of Commerce is the perfect blend of experienced and young faculty members.
- The Department conducts a number of co-curricular activities that help the students not only in their academics but also in their overall development.
- The Department has international collaborations that offer one of the excellent internship opportunities for the students.

Faculty details

1. Name of faculty: Dr. (Mrs.) Varsha Ganatra
Designation : HOD, Associate Professor
Qualification : M.Com ,SET, Ph.D.
Area of Specialization : Management, Entrepreneurship and Marketing
2. Name of faculty : Dr. Sachin Bhandarkar
Designation : Assistant Professor
Qualification : M.Com., M.Phil., NET, SET, PhD
Area of Specialization : Finance and Tourism
3. Name of faculty : Dr. (Mrs.) Sadhana Digvijay Singh
Designation : Assistant Professor
Qualification : M.Com, B.Ed, NET, SET, Ph.D.
Area of Specialization : Banking, International Business, Supply Chain Management & Marketing
4. Name of faculty : Ms. Preeti Matharu
Designation : Assistant Professor
Qualification : B.M.S (Finance), M.com (Accountancy) (Gold medallist), PGDFM, NET/JRF
Area of Specialization - Taxation, Banking and Finance

Salient Features of the Department:

- The Department conducts an Intra-Collegiate Festival, “INNOVISION” consisting of events like Ad Showmanship, Speechcraft, Finance ka Sikandar and Treasure Hunt on themes and topics related to subjects of Commerce and Management. This event develops students’ creative skills, organization skills, technical skills and communication skills.
 - The Department regularly conducts Expert and Guidance sessions in various areas related to Business and Commerce.
 - Visits to various Business Organisations like BSE, SEBI, Mumbai Port Trust etc. and industries are organized to give practical insights to the students.
 - Department encourages students to participate in the Avishkar Research Convention organized by University of Mumbai and at Conferences and Competitions organized by various colleges.
 - Caters to diverse career options due to combination of subjects.
-

Department of Accountancy

About the Department

- Unique way of executing the course curriculum so as to develop interest in various papers offered by the department at different levels.
- The subject is taught by using different methods and techniques depending on the scope of the subject like Case studies / Problem Solving / Reading of audit reports / preparing various accounting documents / Screening of topic related videos.
- It has an active Accountancy Association which conducts various Accountancy, Finance, Investment and Research related Programs.

Faculty details

1. Name of Faculty : Dr. Sunita Sherifani
Designation : HOD, Associate Professor
Qualification : M.Com , SET, M.Phil, MBA(Finance), Ph.d , CMA (Inter)
Area of Specialization : Financial Accounting, Cost Accounting, Management Accounting, Financial Management & Micro Finance.
2. Name of Faculty : Dr. Sanjay Chandralal Premchandani
Designation: Associate Professor
Qualification: M.Com, SET, M.Phil, Ph.d, LLB, B.Ed, CMA (Inter)
Area of Specialization : Financial Accounting, Cost Accounting, Direct and Indirect Taxation, Management Accounting, Auditing, Management, Human Resource Management and Marketing.

Salient Features of the Department:

- Department encourages students to participate in inter- collegiate competitions.
- It aids students in enhancing subject knowledge by organizing an Intra college competition 'Smart Accountant'.
- Interested students are offered a 'Tally Course'.
- Invited talks by eminent personalities and prominent alumni.
- Educational visits add to the practical knowledge of students and give them a fair idea about the work structure of Banks and Manufacturing units.

Department of Sociology

About the Department:

- The department encourages students to have a non-conventional worldview and critically analyze the realities of the social world.
- For the holistic development of the student, we encourage and provide avenues for them to participate and get involved in actual field work like working with NGOs, Special care centers etc.
- We aim to nurture mature citizens of the country where positive social change can be brought about by our students and see that as our ultimate goal.

Faculty details:

1. Name of Faculty : Ms. Sonia Lal

Designation : HOD, Assistant Professor

Qualification : M.A Sociology- St.Xaviers College, Mumbai, M.Phil, NET

Area of Specialization : Cultural studies, Gender studies, Critical thinking, Anthropology

Salient Features of the Department:

- Department encourages students to participate in inter- collegiate competitions.
- We help students in enhancing subject knowledge by organizing interactive sessions like debates, discussions on socially relevant movies, news article reviews, presentations to equip them with professional skills and many such activities
- We undertake an annual field trip to 'Umaang' in Karjat, a home for the specially-gifted. This enables students to understand the ground realities of life and also makes them in turn more appreciative of their talents and life experiences.
- We also organize talks by eminent personalities and prominent alumni.

- Apart from introducing the students to various careers with sociology, we also take special care to make the classroom more inclusive for vernacular medium students, which helps them become more confident individuals.

Department of Psychology

About the Department

- Department of psychology offers both an undergraduate as well as a post graduate program in Psychology
- Teaching learning methodologies adopted are primarily student centric with use of multiple techniques to engage learners such as peer learning, role plays, movie screenings and class interactional activities.
- Students are encouraged to participate in intra and inter collegiate activities for overall development.
- Several students are successful in getting admission abroad after graduating from this department.
- Exposure to on field training through internships.

Faculty details

1. Name of Faculty : Mrs. Aarohi Khar
Designation : HOD, Assistant Professor
Qualification : M.A. Psychology, M.S.University of Baroda, Pursuing PhD from TISS Mumbai, NET. PG Diploma in Clinical & Applied Hypnosis. Certifications in REBT, EMDR
Areas of specialization : Clinical Psychology
2. Name of Faculty : Dr. Radhika Mohan
Designation : Assistant Professor
Qualification : PhD- IIT, Mumbai, NET
Area of Specialization : Clinical & Community Psychology
3. Name of Faculty : Mrs. Bharavi Vishwasrao
Designation : Assistant Professor
Qualification : M.A, Applied Psychology, Mumbai University, Pursuing PhD from Chhatrapati Shivaji Maharaj University, SET
Area of Specialization : Counseling Psychology

Salient Features of the Department:

- Dedicated and Experienced staff.

- Experiential learning methodologies employed
- Student research is encouraged.
- Dedicated laboratory for conduct of Psychology experiments.
- Robust participation of students in organizing various college activities.
- Field trips each year
- Internships for masters students.
- Campus placement opportunities for masters students.

Department of Physics

About the Department

- The department offers B.Sc. in Physics (Aided) and Ph.D. in Physics.
- The department is a recipient of the DST-FIST (Department of Science and Technology Funding for Improvement of Science and Technology Infrastructure) grant and Department of Biotechnology (DBT) – STAR College grant.

Faculty details

1. Name of faculty : Dr. Anita Kanwar
 Designation: Principal & HOD
 Qualification: M.Sc. (Mumbai University), Ph.D. (Mumbai University)
 Area of Specialization : Material Science
 Research Interest: Liquid crystals, Nano-particles, Materials science and electronics
 Membership of professional bodies:
 - Indian Science Congress Association
 - International Liquid Crystal Society
 - Indian Liquid Crystal Society
 - Indian Association of Physics Teachers
 - Vijnana Bharati
 Recognition/ Achievements/ Activities :
 - Recognised guide of Mumbai University for Ph.D. in Physics.
 - Completed two Minor Research Projects (Mumbai University) and one Major Research Project (UGC).
2. Name of faculty: Dr. Devidas Gulwade
 Designation : IC-Head, Assistant Professor
 Qualification : M.Sc. (Amravati University), Ph.D. (I.I.T. Bombay)

Area of Specialization : Material Science

Research Interest : Ferroelectric materials, X-ray Crystallography and Rietveld analysis as well as Electrical and dielectric properties of ceramics

Membership of professional bodies: Indian Association of Physics Teachers (IAPT)

3. Name of faculty : Mr. Shrikant Ghodke

Designation: Assistant Professor

Qualification: M.Sc. Physics (Nuclear Physics), M.Sc. Physics (Astronomy & Space Physics) (Mumbai University), JRF-NET (CSIR)

Area of Specialization : Materials science and Linux (free and open source software) popularization

Research Interest : Liquid crystals, Nano-particles, Materials science

Membership of professional bodies :

- Indian Association of Physics Teachers (IAPT),
- Indian Association of Teacher Educators (IATE)

Recognition/ Achievements/ Activities :

- Completed two Minor Research Projects (Mumbai University)

4. Name of faculty : Dr. Sarla Rathi

Designation: Assistant Professor

Qualification: M.Sc., Ph.D

Area of Specialization : Experimental Nuclear Physics

Research Interest: Radiation detection, Accelerator based Nuclear Physics, mainly Nuclear Structure and Nuclear Reactions using both stable and unstable ion beams, and electron scattering experiments.

Membership of professional bodies:

- Indian Association of Physics Teachers (IAPT)
- Indian Physics Association (IPA)
- Ex-member of DPG organization, Germany
- Alumni of DAAD (Deutscher Akademischer Austausch Dienst)

Recognition/ Achievements/ Activities :

- Recipient of IPA Best thesis award for the year 2003-2004 in D.A.E. symposium held at BARC.
- Recipient of DAAD fellowship for the year 2005-2006 (Awarded by the German Academic Exchange Service for postdoctoral research)
- Recognized guide of Mumbai University for Ph.D. in Physics

5. Name of faculty : Dr. Santosh Bhaskaran

Designation: Assistant Professor

Qualification: M.Sc. (IIT Bombay), JRF-NET (CSIR), Ph.D. (Pune University)

Area of Specialization : Biophysics, Space Biology

Research Interest : Responses of biological systems (mainly plants and microbes) to microgravity, hypogravity and hypergravity

Membership of professional bodies :

- International Society for Gravitational Physiology, COSPAR Associate

Recognition/ Achievements/ Activities :

- Third prize for oral presentation at the 4th National Conference of the Indian Society of Systems for Science & Engineering, Space Applications Centre, Ahmedabad in September 2019
- Reviewer in Astrobiology, PLOS-One and Life Sciences in Space Research
- Recognized PG teacher for M.Sc.(By Research)
- Completed 1 Mumbai University Minor Research Project

Salient Features of the Department:

- Department has Active Physics Association
- Activities include lectures by eminent scientists on special topics
- Stargazing trips accompanied by experts, Exhibition, quiz, Presentation by students on topics of their choice, Physics Problem League, Physics Treasure Hunt, Sci-Fi story writing competitions, etc
- Organization of intercollegiate events like Kaun Banega Physicist Quiz and Workshops on recent trends in various areas of physics
- Organizes Visit to research labs in BARC, TIFR, HBCSE and Mumbai University
- Summer training/Internship for students in BARC, HBCSE, TIFR
- Talent nurture/Bridge Course for students The course involves problem solving sessions, lab sessions.
- Besides improving on their conceptual understanding and orienting students for final year, this program is also intended to prepare our students for competitive exams such as NGPE, IIT-JAM, Central universities etc.
- Department has State-of-the-art equipment for academic and research activities.

Department of Microbiology

About the Department (Established since inception of college)

Microbiology involves the study of microscopic organisms like bacteria, viruses, fungi, algae, and protozoa, including their genetics, biochemistry, cell biology and ecology. The omnipresence of microorganisms leads to applications in various fields such as the Pharma, Food and Biotech industries, Health and diagnostics, Forensics, IPR, Bioinformatics, Waste management, Environment conservation and agriculture.

We guide the students so that they explore the different avenues offered by the subject. Research is promoted right from the UG level. The department takes up consultancy projects and has conducted certificate courses to bridge the academia-industry gap. The department offers courses from undergraduate to Doctoral level in Microbiology.

Faculty details :

Aided

1. Name of Faculty: Dr. Santhini S. Nair (Vice Principal & H.O.D. and Controller of Examination)
Designation: Professor
Qualification: PhD (Microbiology)
Area of Specialization: Medical Microbiology, Environmental Microbiology, Bio nanotechnology
Recognised teacher/guide for: PhD (Microbiology), MSc (by Research), MSc (by Papers) from University of Mumbai (UoM), Co - guide for PhD Microbiology LPU
2. Name of Faculty: Dr. Dona Joseph
Designation: Associate Professor.
Qualification: PhD (Microbiology), SET
Area of Specialization: Genetics, Virology, Environmental Microbiology
Recognised teacher/guide for: MSc (by Papers) from UoM
3. Name of Faculty: Dr. Malay Shah
Designation: Assistant Professor.
Qualification: PhD (Microbiology), NET
Area of Specialization: Industrial Microbiology, Environmental Microbiology
Recognised teacher/guide for: MSc (by Research), MSc (by Papers) from UoM
4. Name of Faculty: Dr. Shweta Patil
Designation: Assistant Professor.
Qualification: PhD (Microbiology), SET

Area of Specialization: Biochemistry, Molecular Biology, Environmental Microbiology
Recognised teacher/guide for: PhD (Microbiology), MSc (by Research), MSc (by Papers) from UoM

5. Name of Faculty: Mr. Suman Ganger
Designation: Assistant Professor.
Qualification: MSc (Microbiology), SET
Area of Specialization: Fermentation technology, Biotechnology, Biophysics.
Recognised teacher/guide for: MSc (by Research), MSc (by Papers) from UoM
Currently pursuing PhD from ICT, Matunga, Mumbai.

SFC

1. Name of PG Faculty: Dr. Mugdha Apte
Designation: Assistant Professor.
Qualification: PhD (Microbiology), SET
Area of Specialization: Nanotechnology, Environmental microbiology, GMp, GLP
2. Name of PG Faculty: Dr. Pradnya Gogte
Designation: Assistant Professor.
Qualification: PhD (Microbiology), SET
Area of Specialization: Genetics, Industrial Microbiology Food and Environmental Biotechnology

Salient Features of the Department:

- **Excellent academic results**; several **university top rankers** over the years
- **Dedicated and experienced staff**
- **Varied teaching methods employed** - POGIL (Program oriented guided interactive learning), group activities, videos, skits, games, quiz, etc
- **Well-equipped** laboratories and computers with **internet facility**
- **Strong alumni network**
- **Departmental library** with more than 250 books.
- Activities initiated to facilitate boundary free learning
 - **Microbytes** - an **e-learning class** that includes interactive learning and virtual lab experiences followed by assessment on the basis of the quizzes and peer graded assignments.
 - **Inspire Me** - a webinar series in which talks are given by Ph.D. scholars, Professors and Scientists from premier research institutes all over the globe
 - **SCOPE** (Sessions on Career Opportunities and Perspectives) - a series of online career guidance sessions conducted by our alumni in various fields

- **Certificate course on Pharmaceutical Microbiology (CiPM)** - a series of lectures and practicals conducted by industry professionals (35 hours) covering most aspects of Pharma and Microbiology.
- **Internships and Project guidance**- The department offers training and internship in the lab for the junior college students. We have also completed microbiology related work for students from other universities
- **Strong research culture** with doctoral, post graduate, undergraduate and **consultancy** projects with industry.
- An active Department association that organizes **various subject based competitions** and **fun activities** such as poster-making, model making, debate, seminar presentation essay writing, skits and movie shows.
- **Educational visits** to research institutes and industries.
- **Guest lectures** by alumni, scientists and industry experts.
- Recognition of excellence in academics and co-curricular activities by way of prizes including a '**Star Student of the Department**' award.
- Collaboration with National level organizations like Marathi Vidnyan Parishad, Vijnana Bharati, Homi Bhabha Centre for Science & Education (HBCSE) for various activities
- Consultancy projects undertaken to expose students to industry requirements
- **Placement** opportunities provided by strong alumni networking
- Assists students to avail Internships at various industries

Department of Chemistry

About the Department

The Department of Chemistry is a proud recipient of the DST-FIST (Department of Science and Technology Funding for Improvement of Science and Technology Infrastructure) grant and Department of Biotechnology (DBT) – STAR College grant from A.Y. 2016-17.

Chemistry is an incredibly fascinating field of study. It plays an important role in everyone's life and touches almost every aspect of our existence in some way. Apart from being an integral part in meeting the basic needs of food, clothing, shelter, it plays an important role in health, energy, and environmental issues.

The Chemistry department offers the following courses: B.Sc. Chemistry, MSc Chemistry (Organic and Analytical), MSc By Research, Ph.D. Chemistry.

We encourage our students to take part in various competitive examinations including SET, CSIR NET and IIT-JAM examinations etc. Our best practice is the conduct of a special coaching lecture series for students who are appearing for the Chemistry Aptitude test.

Faculty details

1. Ms. Varsha Ahuja
Designation: HOD, Associate Professor
Qualification: M.Sc., D.H.E.
Area of Interest: Physical Chemistry
Research Interest: Synthesis and characterization of heterocyclic compounds and their spectrophotometric studies.
2. Dr. Ritika Makhijani
Designation: Professor
Qualification: M.Sc., Ph.D.
Area of Interest: Physical Chemistry
Research Interest: Synthesis of transition metals complexes and their analytical application, spectrophotometric analysis of drugs
3. Dr. Pooja Jagasia
Designation: Professor
Qualification: M.Sc., Ph.D
Area of Interest: Organic Chemistry
Research Interest: Spectrophotometric determination of cations and anions in synthetic mixtures and real samples like vegetables, Medicinal plant extracts, Pharmaceuticals. Standardization of Herbal formulations. Phytochemical screening and comparative antioxidant activity in Herbal formulations and Medicinal plants.
4. Dr. Dinesh Navale
Designation: Assistant Professor
Qualification: M.Sc./NET, Ph.D(Organic Chemistry)
Area of Interest: Organic Chemistry
Research Interest: Synthesis of Liquid Crystals (including low temperature liquid crystalline materials), Metallomesogens, Material Science, Organic Synthesis, New Synthetic Methods, Multistep Organic Synthesis, Multi component reactions, Green Chemistry
5. Dr. Prasanna Ranade
Designation: Assistant Professor
Qualification: M.Sc., Ph.D(Organic Chemistry)
Area of Interest: Organic Chemistry

Research Interest: Drug Discovery, Organic Synthesis, Catalysis. Study of Drug-DNA Interaction using Spectroscopic Techniques. Study of Drug-Protein Interaction using Spectroscopic Techniques

6. Shradha Warang

Designation: Assistant Professor

Qualification: MSc. B.Ed., CSIR-NET (Dec 2019, Nov 2020),MAH-SET (Dec 2020), GATE (2021, 2022)

Area of Interest: Organic Chemistry, Analytical Chemistry

Research Interest: Synthesis of transition metals complexes and their analytical application.

7. Manoj Yadav

Designation: Lecturer

Qualification: B.Sc, M.Sc, NET

Area of Interest: Chemistry

Research Interest: Measurements of binary mixtures, Deep eutectic solvent like Reline, Ethylene, Glyceline

Salient features of the department:

- Experienced and dedicated staff
- Well-equipped laboratories which has HPLC, IR and UV-spectrophotometer, GC Chromatography instruments and are recognized for M.Sc. and Ph.D in Chemistry
- Book Bank Facility.
- Varied teaching methods employed - POGIL (Program oriented guided interactive learning), group activities, videos, skits, games, quiz, etc.
- Lecture series for Chemistry aptitude test aspirants.
- Educational visits to research institutes and industries like BARC, TIFR, Science Express, Mapro industries Cheese factory, CETP plant Nerul, Muenzer Bharat.
- Internships at RCF, BARC, BMC.
- Alumni's at ICT- Bhubneshwar, IIIT- Bangalore, Jawaharlal Nehru Centre for Advanced
- Scientific Research Integrated PhD Programme in Chemistry, ICT Matunga, Department of Chemistry University of Mumbai, IIT- Bombay etc.
- Placements in CIPLA, IPCA, Zydus.
- Guest lectures by Alumni , Scientists and Industry experts.
- CO -CURRICULAR & EXTRA- CURRICULAR ACTIVITIES:

- The Chemistry Association conducts co-curricular activities like Chem Quiz, seminar, poster competitions.
 - Department encourages students to participate in inter-collegiate activities.
 - Intercollegiate Activities through online mode.
-

Department of Mathematics

About the Department

- The Department of Mathematics, functioning since 1979, caters to the needs of the mainstream undergraduate students of science and commerce using diverse teaching methods.
- Regular tutorial classes are held in smaller batches for Science as well as Commerce students.

Faculty details

1. Name of Faculty: Mr. Vikas Ware [Head of Department]
Designation: Assistant Professor
Qualification: M.Sc., N.E.T.
Area of Interest: Mathematics and Computer Programming
2. Name of Faculty: Ms. Riddhi Bharani
Designation: Assistant Professor
Qualification: M.Sc., M.Phil., N.E.T.
Area of Interest: Mathematics and Math Education
3. Name of Faculty: Ms. Sadhana Mishra
Designation: Assistant Professor
Qualification: M.Sc., N.E.T.
Area of Interest: Mathematics in particular algebra and analysis.
4. Name of Faculty: Mr. Kunalkumar Shelar
Designation: Assistant Professor
Qualification: M.Sc., S.E.T.
Area of Interest: Linear Algebra, P.D.e, Combinatorics and Computer Programming.

Salient Features of the Department

- The Department runs a Bridge Program to help FYBCom students who did not have Mathematics at HSC Level to brush up on their basics.
 - Apart from classroom academics, the department conducts activities like Popular lectures by eminent Mathematicians, M³ Quiz Contest, Mathemight (an inter collegiate paper and poster presentation competition), Solver Competition, Python, Tableau Workshops etc.
 - The department encourages students to participate in intercollegiate competitions and mathematics training schools of national repute.
-

Department of Biotechnology

About the Department

- The Department of Biotechnology was established in the year 2003 and has completed 20 years of incredible accomplishments through 17 batches of T.Y.B.Sc.
- Since its inception, it has a list of accomplishments to its credits like 100% passing results from 2006- 2018.
- We believe that learning takes place through activities in and beyond the classroom.
- Biotechnology is a subject that fascinates students with an interest in biological sciences, research, and a conviction to contribute to science and society.
- Recipient of STAR-DBT Grant 2016-17
- Research Partner: HiMedia Laboratories Pvt. Ltd, Mumbai
- Teaching-Learning Collaborator: HBCSE (Homi Bhabha Centre for Science Education) Trombay

Faculty details

1. Name of Faculty: Mrs. Vinaya Jategaonkar
Designation: Coordinator, Associate Professor.
Qualification: Msc (Microbiology), D.C.A, NET
Area of Specialization: Cell biology and Immunology
2. Name of Faculty: Mrs. Shmilona Jain
Designation: Assistant Professor
Qualification: M. Sc. (Biomedical Science), NET-JRF
Area of Specialization: Biochemistry and Bioinstrumentation

3. Name of Faculty: Ms. Geetanjali Harale
Designation: Assistant Professor
Qualification: M. Sc. (Microbiology), GATE Qualified (Life Science), NET
Area of Specialization: Industrial & Molecular Biology

4. Name of Faculty: Mrs. Ankita More
Designation: Assistant Professor
Qualification: M.Sc. (Life Science) PET (Microbiology and life sciences) SET
Area of Specialization: Cell biology and Tissue culture technique.

Salient Features of the Department:

- **Mentorship program** which caters to every student.
- Two air-conditioned laboratories are operational, one for regular practicals and the other for **Animal Tissue Culture** and other research activities. **50** students successfully trained for Animal Tissue culturing. (2017-2020)
- Undergraduate research activities leading to participation in **Avishkar Research Convention** (Research competitions).
- **Industrial Visits** to renowned Biotechnology based Institutes in the nation.
- A very strong **Alumni network** which helps in arrangement of Internships and placements.

Department of Computer Science

About the Department

- Recipient of DST-FIST and DBT- STAR College grant from A.Y. 2016-17
- Good placements and Internships
- Provide guidance for technology certifications & Post Graduate Courses like MCA
- Syllabus includes technologies like – Java, Python, R, IoT, Android, MongoDB, Data Science, Game Programming, Cloud Computing, Ethical Hacking, Linux, Soft skills
- Various teaching learning methods used: using internet groups, use of mobiles in classroom for learning, intra-class sessions, using role plays, GDs etc

Faculty Details

1. Name : Mr. Kamlakar Bhopatkar
Designation : Coordinator

Qualification : MSc Computer Science, SET
Area of Interest : Programming, AI, IOT

2. Name : Dr. Madhavi Vaidya
Designation : Assistant Professor
Qualification : MCA, MPhil, Ph. D.
Area of Specialization : Database, Python Programming & Data Analytics
3. Name : Mr. Sujit Chavan
Designation : Lecturer
Qualification : MSc(Maths), MCA
Area of Interest : Mathematics and Programming Technologies
4. Name : Ms. Laxmi Tiwari
Designation : Lecturer
Qualification : MSc Computer Science
Area of Interest : Programming
5. Name : Ms. Rajashree Date
Designation : Lecturer
Qualification : MSc Computer Science
Area of Interest : Database, Programming

Salient Features of the Department

- Each year students publish a department E-Magazine called TecKnow.
- Students participate in Industry Competitions, present Research Papers/ Posters, design software for the college and alumni.
- Regular conduct of seminars, workshops and add-on courses for students and faculty members by Industry Professionals or Alumni.

Department of Information Technology

About the Department

- B. Sc IT Department of VES College is preparing its students and team for the future to attain gradual success by adopting value-based strategies with positive spiraling effect.
- B.Sc IT Department secured the Best Department Award in recognition of defined thrust areas by the College for the year 2012-13 and 2015-16.
- The Department fulfills its dream of inculcating group dynamics, human skills, and employable skills in the students by publishing its annual News tabloid THAT'S IT and through the department activity REDISCOVERING IT, college Tech-Fest VESCON.
- Department conducts subject-oriented seminars, and other activities for the students to develop their communication and managerial skills. Besides the above, we conduct many activities like ITCL and Industrial Visits to make the best of the students' potential.
- Our innovative practice includes Min Web/App Development, 3P evaluation, GO Presentation and many more other activities that are conducted throughout the year.

Faculty Details

1. Mrs. Shital Patil
Designation: In-charge Co-ordinator
Qualification: MCA., C-DAC.
Area of Interest: Linux RHLL, Programming Languages, DCN, Internet Technology, Web Designing, Modern Operating System, AI.
2. Mrs. Prajisha Jitesh
Designation: Lecturer
Qualification: M.Sc.(CS)
Area of Interest: Network Security, Programming Languages, Web Designing, DCN, Internet Technology, Wireless Communications
3. Mrs. Divya Shetty
Designation: Lecturer
Qualification: M.Sc.(IT)
Area of Interest: Software Engineering, Software Testing, Project Management, Computer Networks, Operating System, Introduction to Computers

Salient Features of the Department:

- Qualified core faculty.
- Experts from the field are invited as Visiting Faculty.
- Very good placement record.

- Practices notice board study to share the latest happenings.
 - Develops vocabulary building skills to improve the vocabulary skills of the students.
 - Peer-to-peer learning methodology of teaching.
 - Regular conduct of guest lectures and seminars in the forum slot by the Industry/alumni/Subject-Expert.
 - Regular conduct of behavioral study sessions and GD sessions at forum slots.
 - Provides In-House Library (other than the college library) to access more books.
 - Strong and effective informal external linkages.
 - Extended Alumni Support.
 - Mini projects to collate the theoretical view into practical applications.
 - Alumni and Industry Sessions and workshops to enhance the employability skills of the students.
-

Department of Financial Markets (BFM)

About the Department

- Unique way of executing the course curriculum to encourage students to develop interest in finance.
- Learner-Centric approach using multiple teaching tools to improve their knowledge base.
- Co-curricular activities of the department contribute to an all rounded development of the students especially their soft skills.
- Industrial visits add to the practical knowledge of students and give them a fair idea about corporate work structure.

Faculty details:

1. Name of Faculty : Mrs. Sangeeta Bhattacharya
Designation : Co-ordinator, Assistant Professor
Qualification : M.Sc.(Economics), Calcutta University, SET
Area of Specialization : Finance, International Economics
2. Name of Faculty : Mrs. Ekta Singh.
Designation : Assistant Professor
Qualification : M.Com, Mumbai University, SET, Pursuing Phd.
Area of Specialization : Accountancy
3. Name of Faculty: Dr. Vaishnavi Bagul
Designation: Assistant Professor

Qualification: M.Com, MBA (Finance) , NET (Management), PhD in Pune University
Area of Specialization: Finance

Salient Features of the Department:

- Industrial Visits- With an aim to go beyond academics, industrial visits are organized for the students to provide students with a practical perspective on the world of work.
- Niraya- Students of BFM organize an intercollegiate academic event to showcase their abilities and interact with students of other colleges at the intercollegiate level.
- Saudagiri – A mock stock market activity where students get an opportunity to get an insight into the stock market.
- Social Extension Activities- Department also conducts social extension activities for society, the recent one is the Financial Literacy program.
- Guest Lectures- Department organizes seminars and guest lectures for the students.
- BSE/NSE Visit-The students visit these stock exchanges to understand the pulse of the stock market and have experience of live trading terminals.
- Add-on Course- The students have the opportunity to complete certification courses along with their regular degree to improve their competency in the job market.

Future Plans and Goals:

Currently, the financial market in India is growing at a much faster pace than any other sector. Demand for skilled people is also increasing, widening the prospect of graduates with suitable knowledge to flourish in this field. The department is looking forward to catering to this growing market by preparing employable graduates to serve the industry requirement. The department is also planning to provide internships to the students.

Career Opportunities: Portfolio Manager, Foreign Exchange Management, Equity Analyst, Credit Analyst, Banker, Stock Broker, Insurance, Personal Financial Planner,etc.

Department of Management Studies (BMS)

About the Department

The BMS department is a center for excellence in management as students imbibe important concepts in the classroom, experiment with its implementation through innovative events and engagements. This in turn helps them to bridge the gap between academia and industry. The course gives them an edge in corporate jobs related to communication, content, social media and general management. The dedicated faculty, student centric approach, real time course delivery, live assignments, visits to industries and active involvement of the alumni of the department has ensured highly successful and satisfied stakeholders across the spectrum from parents to students to recruiters.

Faculty Details :

1. Name of Faculty : Mrs. Kanthi Viswanath
Designation : Co-ordinator, Assistant Professor
Qualification : MBA(Finance), NET (Management), CTM(ICFAI)
Area of Specialization : ESG, CSR, Sustainability, Ethics & Governance, Corporate Communication
2. Name of Faculty : Mr. Chirag Pagaria
Designation : Lecturer
Qualification: MBA(Finance)
Area of Specialization : Economics, Marketing, Finance, General Management
3. Name of Faculty : Dr. Urmila Sandesh Sonavane
Designation : Assistant Professor
Qualification : Ph.D, MBA (HR),NET, M.Com., SET, B.Ed.
Area of Specialization : HRM, Marketing, Commerce

Salient Features of the Department:

- Students conduct an **annual event SEWA** (Social entrepreneurship & Welfare activity) to collect funds by engaging in entrepreneurial activity and donate the proceeds for welfare.
- **Student-led innovative teaching methodology** is adopted through events such as: Biz Dramatize, Investor's Summit, Jugaad, Rural Haat, BMS Premier League, India 1990-2020.

- **Engaging real-time course delivery which** enriches the classroom participation and prepares the students for the corporate world.
 - **Illustrious Alumni** who are pursuing higher education in world class universities in the US, UK, Australia, Canada and other parts of the world and placed with top-notch companies.
 - **Subject specific Industrial Visit** to automobile industry like Mercedes Benz and Volkswagen & Guest lectures from esteemed industry experts to complement regular course work.
 - **Encourages student research and Community programs.**
 - **Industrial projects and live assignments** are given to expose students to the business world
 - **Various student initiated and run in-house clubs like Knowledge Club, Mentor Club, Entrepreneurial Club** which organizes various events, competitions, guest lectures, quizzes, debates, GDs and other activities throughout the year making the department come alive on a day-to-day basis and ensures a sense of bonding and belonging amongst students.
-

Department of Accounting & Finance (BAF)

About the Department

- Student centered approach of learning through flipped classroom, game based learning, case studies, class projects, discussions, experiential learning, etc.
- Syllabus in line with the professional courses like CA, CS, CMA, CFA.
- Continuous evaluation through PPTs, live simulation, brainstorming sessions, debates and group discussions, etc.
- Qualified faculty to provide knowledge with practical experience

Faculty Details :

1. Name of faculty : Dr. (CS) Anu Bansal
 Designation : Coordinator, Assistant Professor
 Qualification : NET (Commerce & Management), Ph.D., MBA (IB), Company Secretary, M.Com (ABST)
 Areas of Specialization : Financial Management, Cost Accounting, Portfolio Management, Law, Economics
2. Name of faculty : Ms. Chaitali Gaonkar
 Designation : Assistant Professor

Qualification : NET, SET, M.Com., CA Final (I)

Area of Specialization : Taxation, Financial Accounting, Management Accounting, Auditing

3. Name of faculty : Ms. Vidya Kailash Darvesh

Designation : Assistant Professor

Qualification : SET, M.Com., PGDFM

Area of Specialization : Financial Accounting, Cost Accounting, Financial Management.

4. Name: Ms. Sonal Saki

Designation: Assistant Professor

Qualification: SET, MMS, M.Com. DBM

Areas of Specialization: Financial Accounting, Cost & Management Accounting, Financial Management

5. Name : Ms. Neha Vishwanath Shinde

Designation : Teaching Assistant

Qualification : M.Com, LLB, NET, SET (Commerce)

Area of Specialization : Business Economics, Law, FC

Salient Features of the Department:

- Students organize and participate in various co-curricular activities under BAF Students Association
- Regular conduct of guest lectures by industry professionals and field trips to RBI, BSE, SEBI.
- Annual industrial visits for better and in-depth knowledge of corporates.
- Relevant add-on courses for practical training to the students.

Department of BAMMC

About the Department:

The Department of BAMMC caters to the overall development of students in the field of Media. The department offers three years full time graduate degree with specialization at third year level.

Academics and Co Curricular Activities:

- Media Exhibition: Subject Related media Exhibition.
- Raaga: Intra-collegiate Cultural Festival.

- Impressions: The department is renowned for its inter collegiate festival, Impressions, that brings together mass media students from across the city together to collectively develop their identities and socialize while also giving an experience of an event that focuses on encouraging management skills and displaying various talents.
- Social Awareness Week: The department also attempts to sensitize its students with its humane event SAW (Social Awareness Week) that aims to provide services to this in the society that appreciate it from the bottom of their hearts.
- Unmasking Media: A digital workshop that helps students understand and explore different aspects of the professions of Media.
- Industrial Visit: The Department organizes Industrial visits to Flames University, Whistling Woods, National Museum of Indian Cinema.
- Goonj: In house Publication by the students.

Prospects After BAMMC:

Today, it has become one of the most desirable courses among various youngsters. The students get the choice to specialize in a particular field in the 3rd year. They can either choose Advertising or Journalism in their last year. Options after BAMMC: Filmmaking, Public Relations, Advertising, Digital Marketing, Radio Jockey, Journalism, Photography.

Faculty Details:

1. Name of faculty : Mrs. Mahek Sukhani
Designation : Coordinator
Qualification : BMM (Journalism), MACJ
Areas of Specialization : Mass Communication and Business Journalism
2. Name of faculty : Mr. Pankaj Bathija
Designation : Lecturer
Qualification : BMM (Advertising), MAPR
Areas of Specialization : Computers, Graphic Designing, Photography & Film Making.

First Year BAMMC

Total Number of Seats: 60

Seats Reserved: 50% for Arts; 25% for Commerce; 25% for Science

Eligibility:

A) Candidate for being eligible for admission to the Degree Course in Bachelor of Arts in Multimedia & Mass Communication shall have passed the XII std. Examination of the Maharashtra Board of Higher secondary Education or its equivalent, from the Science, Arts or Commerce Stream.

OR

B) X or Second School Certificate (S.S.C) or Equivalent Examination Passed

AND

Three Years Full Time Government Recognized Diploma Passed

Students coming from other than Maharashtra Board & Maharashtra Technical Board are required to apply for a provisional Eligibility Certificate at college by submitting eligibility form along with requisite fees.

Bachelor of Arts in Multimedia and Mass Communication (BAMMC)

The BAMMC course is a full-time course. The duration of the course shall be six semesters spread over three years.

Department of Banking & Insurance

About the Department

As Banking and Insurance sector of India play a major role in the growth of the economy hence Bachelor of Commerce in Banking & Insurance provides an avenue for shifting from general education to professional education. The three year (six semesters) BBI degree aims at preparing students to exploit opportunities, continuously striving to provide a strong understanding of fundamentals about Banking, Insurance & other financial services by Remedial Teaching for slow learners. We inculcate training, and practical approach, by organizing industrial visits, Guest lectures and use modern technology for teaching.

Faculty details:

1. Name of Faculty: Mrs. Minal Vipul Gandhi
Designation: Coordinator, Assistant Professor
Qualification: PGDFM, M.Com., University of Mumbai, NET
Area of Specialization: Financial Accounting, Banking & Finance, Costing, Direct Taxation
2. Name of Faculty: Mrs. Sneha Birje
Designation: Lecturer
Qualification: DFM, M.Com, University of Mumbai, SET
Area of Specialization: Financial Accounting, Management Accounting, Cost Accounting, Auditing
3. Name of Faculty: Dr. Bharti Valechha
Designation: Assistant Professor

Qualification: M.com, M.phil, M.B.A, Phd. SET (MAH)

Area of Specialization: Accounts, Banking, Finance , Cost and Works Accountancy, Research Methodology .Management Accounting, Security Analysis & Portfolio Management, Mutual Fund Management

Academics and Co Curricular Activities:

- **Industrial Visits-** With an aim to go beyond academics, industrial visits are organized for the students to provide students a practical perspective on the world of work. Recent visits were to Parle-G, Alok industries, Bombay Rayon, Nilkamal Ltd, NIBM, NIA.
- **Euphony-** An Annual Academic theme-based fest is organized every year by the Banking and Insurance students at an intercollegiate level.
- **BITS CLUB** - has been formed which conducts various Academic activities for the students so as to enable them to learn beyond books. Competitions like Mr. And Ms. Fresher, Treasure Hunt through Whatsapp, banking quiz, mix-n-match, etc.were organized through BITS Club
- **Bank Nationalization Day-** The wave of Bank Nationalization stunned the entire Banking Industry and caught a caption in the Indian economy. This day is celebrated by organizing poster and ppt competitions.
- **Guest Lectures:** Department organizes seminars and guest lectures for the students. Recent Seminars were on HR needs and Challenges, Green Banking,Transaction transition in the financial market, Insights of RBI by RBI officials etc.
- **Research Methodology Workshop:** To inculcate research temperament among the students, the department organized “ 15 Hours Research Methodology Workshop” and encouraged and guided the students to participate in “Research Conventions” organized by University of Mumbai .
- **Investor Awareness Program:** To Literate the students financially and make them aware about various investment opportunities the department organized Investors awareness programme” .
- **Educational Visit:** Every year department organizes educational Visits i.e RBI Museum, SEBI, etc
- **Innovative Teaching Methodologies:** Quiz, games, BFL (Banking Financial League - Cricket), Moot Court, Taboo, Financial Bingo, Tol mol ke bol, best portfolio manager etc..
- **Internships and Project guidance :** To provide practical exposure of working in the Banking environment/Industry, the department arranges internships for interested students and students are guided for their research projects through field visits in various Banks and insurance companies.

Career Opportunities available for students

Bank Manager, Portfolio Manager, Financial Planner, Mutual fund Manager/distributor, Development officer, RBI Assistant , Actuaries, Investment Banker, Investment Broker , Finance Manager, Auditor.

Prospects

Banking is converting the surplus money on one hand to productive and prosperous investment on the other side to ensure growth of the entire economy while insurance is the protection against possible loss. Students can make up their expertise in the field of Actuarial Sciences, Auditing, Financial Counseling, Investment Advisors, Insurance Agents, policy processing are some fields that come under this. Apart from this Investment Banking Analyst, Insurance claims adjuster, Credit Analyst, Insurance investigator.

Department of Data Science and Data Analytics

About the Department

The Data Science and Data Analytics Department is dedicated to preparing students for careers in the fast-growing field of data science. Our program provides students with the skills and knowledge needed to analyze and interpret complex data sets, extract meaningful insights, and communicate findings effectively.

Faculty details:

1. Name of faculty : Mr. Gokul Dhanraj Choudhary
Designation : Assistant Professor
Qualification : M. Tech (CSE), MHSET (Computer Science), PhD (Pursuing)
Area of Specialization : Computer Networks, Data Science

Curriculum and Coursework:

The curriculum of the Data Science Department includes core courses in statistics, programming, and data Science concepts, as well as a range of elective courses in areas such as machine learning, data visualization, and Internet of Things (IoT). Our courses are designed to provide hands-on experience with real-world data sets, and we use a variety of teaching methods, including lectures, labs, and group presentations.

Salient Features of the Department:

- The Data Science Department is well-equipped with resources such as LCD's , Projector and facilities to support Practicals and teaching .

- We have a dedicated computing lab equipped with specialized softwares for programming and statistics .
- We also have a free wifi facility for internet access in the lab.

Future Plans and Goals:

In the coming year, the Data Science Department plans to expand our subject offerings to include more specialized tracks of business management domains and electives. We also plan to establish new partnerships with industry partners to provide our students with internships.

Department of Bachelors in Business Administration **(BBA)**

About the Department

- The Department of BBA offers a perfect blend of Academics + Professional Training with an objective to provide an Industry ready pool of students.
- BBA degree @VESASC is powered by the 21C Skills that:
 - Prepares students for Future with 21st century skills
 - Provides Corporate connect
 - Improves Job Readiness
 - Sparks an Entrepreneurial Mindset
- Future Prospects
BBA, as a Bachelor's Degree, carries a high brand value in the corporate world in India as well as abroad. It enables students to get lucrative job offers in the area of administration and management.
- From the view of further education, BBA + MBA is often considered the most sought combination over MBA + other undergraduate degrees in pure management roles.

Faculty details:

1. Name of Faculty: Mrs. Anusuya Yadav
Designation: Co-ordinator, Assistant Professor
Qualification: M. Com (Management), LLB, LLM (Corporate Law), MBA (Marketing), MA (Sociology), NET, SET
Area of Specialization: Law and Management
2. Name of Faculty: Mr. Utkarsh Kapadia
Designation: Assistant Professor
Qualification: MBA (Marketing), M. Com (Business Management), SET (Commerce), NET (Commerce)

Area of Specialization: Marketing, Logistics & Supply Chain Management, International Finance, Portfolio Management

Salient Features of the Department:

- Use of Innovative Teaching Methodologies for engaging lectures.
- Application based learning where students are given practical projects for subjects/topics covered.
- Conduct of co-curricular & extra- curricular activities to facilitate all round development of students.
- Compulsory internship to all students to give hands on training to acclimatize in the corporate environment.
- Association with NGO to develop the concept of Accountability & Responsibility in the mind of students.
- Regular Guidance Lectures / Seminars / Workshops

Department of B.Com (E-Commerce)

About the Department

E-Commerce is the future of the growing digital world. Bachelor of Commerce with E-Commerce Specialization is designed to equip the students with the knowledge and skills that are required to withstand the evolving needs of the global e-commerce industry. The curriculum comprises a balanced blend of commerce subjects specialized with Information Technology and e-commerce modules. The department also believes in bridging the gap between the education and practical knowledge hence industry experts are introduced to the students in the form of guest lectures and workshops. Students are also motivated to take up internship opportunities to apply their knowledge in the real world Settings and gain hands-on experience in e-commerce operations. We foster entrepreneurial mindset and encourage students to explore their potential as e-commerce innovators. At the end of the Course the students are expected to take up projects in multinational companies for e-commerce or venture their own startups, websites as e-commerce associates. This course provides students to develop their own identity and businesses in the global online world.

Faculty Details:

1. Name of faculty: Mrs. Snehal Obhan
Designation: Assistant Professor
Qualification: NET (Commerce), M.Com (Marketing Management), BMM (Advertising), Phd. (Pursuing)
Area of Interest: Marketing Management, Consumer Behavior, Advertising, E-Commerce, NPD.

Salient Features of the Department:

- Master Class with industry experts to connect industry knowledge with Class room teaching.

- ICT enabled classrooms with Wifi, Projectors, computer labs to connect students with technology.
- Industrial visits and Educational tours to gain experiential learning experience with supply, chain, logistics, product management, Banking systems and stock market.
- Financial Literacy to manage money in a better way at a very young age.
- Individual mentoring to facilitate student connect and bridge the gap of learning and any hindrances.
- Career guidance seminars and placement committee to provide maximum output of the learning.

Department of B.Com. (Finance)

About the Department

In this day & age, whether it is an individual or an entity, having a niche expertise is vital since it is the only way to substantively differentiate yourself from the rest. Therefore, the Department of B.com (Finance) at VESASC is designed to make the learners specialize in the field of Finance.

In this course, the learners gain an in-depth knowledge of core courses focusing on financial management, corporate finance, risk management, foreign exchange management, portfolio management, business law, global economy, merger & acquisitions etc. The course is meticulously designed keeping in mind the industry needs. The teaching - learning pedagogies adopted involves experiential learning, expert talks, role plays, case studies, inquiry-based learning etc.

Faculty details:

1. Name of Faculty: Ms. Kiran Ghosh

Designation: Assistant Professor, B.com (Finance) In-charge.

Qualification: M.com (Banking & Finance), M.A. (Business Economics), University of Mumbai, SET

Area of Specialization: Management, Business Economics

GENERAL INFORMATION

I) Appellant Authority - Principal Dr. (Mrs.) Anita Kanwar

Public Information Officer - Dr. Sunita Sherifani

Assistant Public Information Officer- Mrs. Shital Patil

Vivekanand Education Society's College of Arts, Science & Commerce (Autonomous), Sindhi Society, Chembur, Mumbai, 71.

Phone: 8591983685 / 8591983686 ; Office Timing: 11:00 am to 01:00 pm (Monday - Friday)*

E-mail: vesasc.admin@ves.ac.in

II) Medium of Instruction: Our College is an English Medium College hence the instructions in all the subjects are imparted through English language only. Students must write their examinations in English only.

III) Arrangement of Terms: Reopening/ First Term - The First Term will start on **13th June, 2023**. Second Term & Exact schedule will be notified later.

IV) College Timings: The first lecture starts at 7.30 am and the last lecture typically ends at 5.20 pm. The students might have different timetables depending on their course.

V) Holidays: The college will remain closed on Sundays and all public holidays as declared by the Government of Maharashtra and on such other days as the Principal declares from time to time.

VI) Granting of Terms: The college will grant terms on the basis of (a) 75% attendance in lectures and in Practicals separately in each term/each subject. (b) Good conduct.

According to University rules attendance at lectures, practical and tutorials is compulsory. The minimum attendance required for granting the term is three fourth of the days on which lectures, Practicals and tutorials are conducted. (Ordinance 0.6086). Attendance will be condoned on medical grounds by 10% (A student must keep minimum 65% attendance) provided it is substantiated by relevant medical certificate within a week of getting the fitness certificate. Parents/ Guardians are requested to check their ward's attendance from the college regularly.

VII] ATKT Examination: Candidates who have been declared failed at the examination or who have been allowed to keep terms for the higher class shall appear for the ATKT examination of respective semester held by the college. ATKT Examination will be conducted in each semester and notification will be made. Details of the ATKT Examination can be obtained from the office as and when required. Students will have to fill the ATKT exam before appearing in the ATKT examination.

VIII] Railway Concession: All students are eligible to avail concession for railway journeys between the stations near to the place of their residence in Mumbai and the college, and for journeys between their place of permanent residence (where the students or his parents normally reside as declared in their application form for admission) and Mumbai during vacations. Students are required to enter their local and permanent address correctly in the admission form to facilitate the issue of Railway Concession order. The student may be required to produce documentary evidence of his/her residential address. If necessary.

IX) Students Council: (In charge- Prof. Vikas Ware) Nomination of all the members of the student council will be held as per the rules prescribed by the University and on the dates announced by it.

- The student council shall consist of the following:

- o One student from each class, who has shown academic merit at the examination held in the preceding year and who is engaged in the full time studies in the college, nominated by the principal.
- o One student from each of the activities, who has shown outstanding performance, nominated by the Principal namely: Sports, National Service Scheme and Adult Education, Cultural Activities.
- o Two lady students nominated by the principal.
- The student members of the student council shall elect from amongst themselves, the **secretary of their council** and his or her name will be sent to the Students Council of the University.
- All the members of the Students Council shall help the Principal in the maintenance of the order and discipline among the students in general and at the time of college functions in particular, and they shall not use their position to be irregular in attending lectures, practicals or any other way harming the interest of the institution.

X) Identity Card: No duplicate Identity Card will ordinarily be issued. The loss of Identity card should be immediately reported to the Principal, Vice Principal along with a detailed written explanation of the circumstance in which the Identity card was lost. The report of the loss of Identity card should be reinforced with a police complaint made to the nearest police station. The Principal may issue an Identity card after considering the propriety of the concerned student. Serious disciplinary action will be taken against students for misusing the Identity Card. The students will be charged Rs. 500/-for duplicate Id Card.

XI) College Discipline: The institution attaches utmost importance to discipline and character building. Therefore, the following rules must be followed by the students:

- The College premises are under 24 hours Electronic Surveillance.
- Students shall not be allowed to enter the college premises without showing the valid Identity Card. Penalty for not wearing the Identity Card is Rs. 100/-
- Students shall attend all classes, tutorials, seminars, practical and college examinations according to the time-table. Students remaining absent shall submit a leave note signed by their parents/ guardians stating reasons for their absenteeism. Absenteeism on medical grounds should be supported by a medical certificate. In all cases, absenteeism over three days should be immediately brought to the notice of the authority .
- **Students will not go for a job, or work or business or private coaching during the college hours. If anyone misses the lectures/practicals for that reason, his/her admission is liable to be canceled immediately.**
- Students shall not bring with them unauthorized persons into the college premises.
- Students shall take proper care of all college property. Any damage done to the property of the college by disfiguring walls, rooms, windows and fittings or breaking the furniture and such things is a breach of discipline and will be punishable. As such damage done to the college property will have to be made good by the concerned class students.
- The Students should come decently dressed to the college. Informal dresses will not be permitted in the college premises. Boys-Full Pant/jeans with shirt/T-shirt with sleeves. Boys should cut their hair short. Girls-Salwar Kameez/ or jeans pants/long skirts with tops/T-shirts with sleeves. For violation of dress code there will be a penalty of Rs. 100/-
- Associations/Organizations will be formed only after the prior permission of the Principal.
- Collecting funds for any purpose is strictly prohibited unless scrutinized and permitted by the Principal.
- SMOKING IS STRICTLY PROHIBITED in the college premises.

- The college has an anti-ragging cell. Any incidents of ragging or harassment of a student by another student must be reported and will be dealt with very strictly.
- The loss of mark-sheet should be immediately reported to the Principal/Vice Principal along with a detailed written explanation of the circumstances in which the mark-sheet was lost. The report of the loss of mark-sheet should be reinforced with a police complaint made to the nearest police station and an affidavit (on a Rs.50/- Stamp paper) specifying details. The Principal may issue a duplicate mark-sheet after considering the propriety of the concerned student. Serious disciplinary action will be taken against students for misusing the mark-sheet. The students will be charged Rs.100/-for duplicate mark-sheet.

XII) Our Activities

A) College Associations: The college has the following Associations:

- | | | |
|-------------------------|---------------------------|--|
