- 5) With the permission of the Chair, under A.O.B. following matters were brought under discussion:
- a. In order to categorize the subjects as per NEP, few subjects had to be shuffled across FY, SY and TY. Due to the above shuffling of subjects, the structure of the current FY batch was affected as few subjects which they studied in FY were now shifted to SY, as per new course structure. This would result in the subjects being repeated for the current FY students when they go to SY. In order to avoid the same, it was proposed that subjects would be reshuffled for the current FY students in order to avoid repetition of the subjects. The above proposal was accepted by the BOS members.
 - b. It was also discussed that the current Course Structure, Subjects, Syllabus, Paper Pattern, etc may undergo changes as per the circular/ guidelines that may be issued by Government of Maharashtra and University of Mumbai in view of implementation of NEP 2020 guidelines. The changes, if any, shall be passed in the next BOS meeting succeeding the changes. The above proposal was accepted by the BOS members.
 - c. Maharashtra and University of Mumbai in view of implementation of NEP 2020 guidelines. The changes, if any, shall be passed in the next BOS meeting succeeding the changes. The above proposal was accepted by the BOS members.
