## Curriculum feedback analysis report 2022-23

### Students Feedback for Curriculum

#### Assessment Method:

Feedback Type	Description of the assessment process	Assessment frequency	Assessed By	Reviewed By	Analysis Method	Action Method
Feedback from Students for curriculum	Feedback is sought from the students using student feedback forms covering various aspects.	Once in a year.	Institute	Institute	To analyse positive responses i.e., count of answers given. By students with rating of 4 & above on the scale of 5.	To take cognizance of negative responses & suggestions and to initiate corrective action.

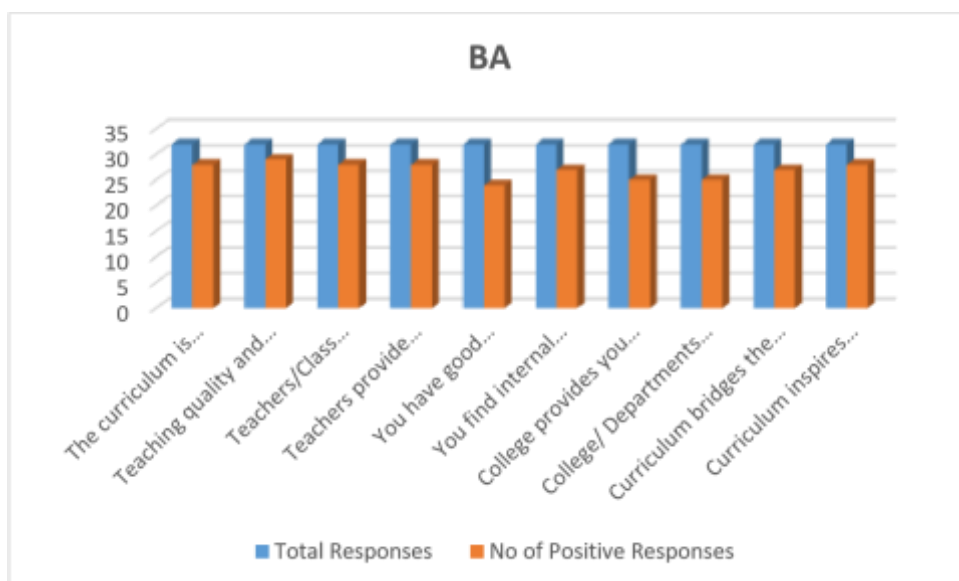

The following chart represents percentage of responses from students who have rated at 4 or above on a scale of 5 to the following questions:

1)

**BA**

<b>Sr.No.</b>	<b>Questions</b>	<b>Total Responses</b>	<b>No. of Positive Responses</b>	<b>Percentage</b>
1	The curriculum is updated enough	32	28	88%
2	Teaching quality and knowledge imparted to you is good	32	29	91%
3	Teachers/Class coordinators give good mentoring to you	32	28	88%
4	Teachers provide adequate study material to you	32	28	88%
5	You have good accessibility to books/ / journals/ ebooks /links and other resources of the college library	32	24	75%
6	You find internal evaluation methods interesting and feel that it has increased your participation in class	32	27	84%
7	College provides you with an opportunity to undertake additional certificate courses offline/online.	32	25	78%
8	College/ Departments conduct co-curricular activities which help to increase your knowledge and skills	32	25	78%
9	Curriculum bridges the gap between theory and practical life	32	27	84%
10	Curriculum inspires you to pursue research/ career.	32	28	88%

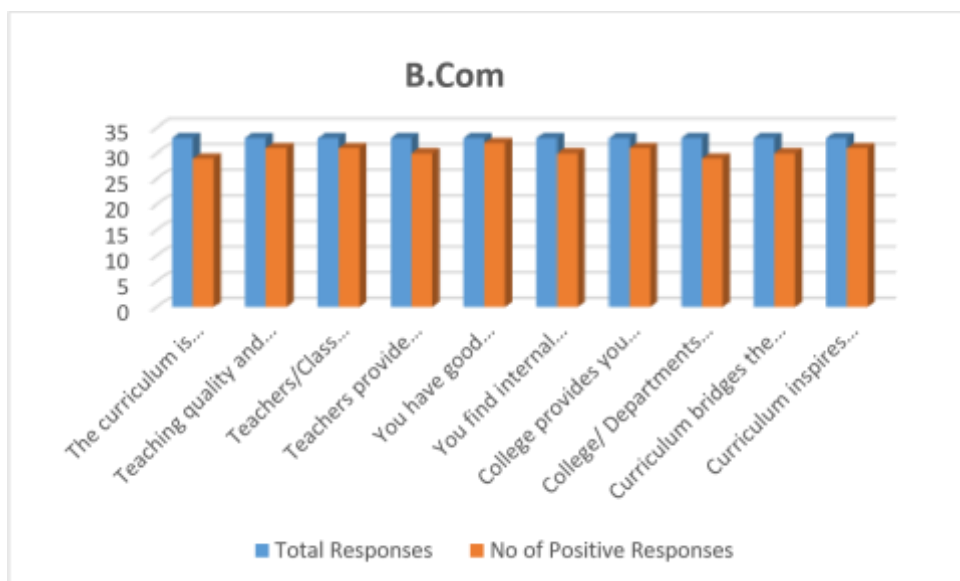

2)

#### B.Com

Sr.No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	The curriculum is updated enough	33	29	88%
2	Teaching quality and knowledge imparted to you is good	33	31	94%
3	Teachers/Class coordinators give good mentoring to you	33	31	94%
4	Teachers provide adequate study material to you	33	30	91%
5	You have good accessibility to books/ / journals/ ebooks /links and other resources of the college library	33	32	97%
6	You find internal evaluation methods interesting and feel that it has increased your participation in class	33	30	91%
7	College provides you with an opportunity to undertake additional certificate courses offline/online.	33	31	94%
8	College/ Departments conduct co-curricular activities which help to increase your knowledge and skills	33	29	88%
9	Curriculum bridges the gap between theory and practical life	33	30	91%

## Teachers Feedback for Curriculum

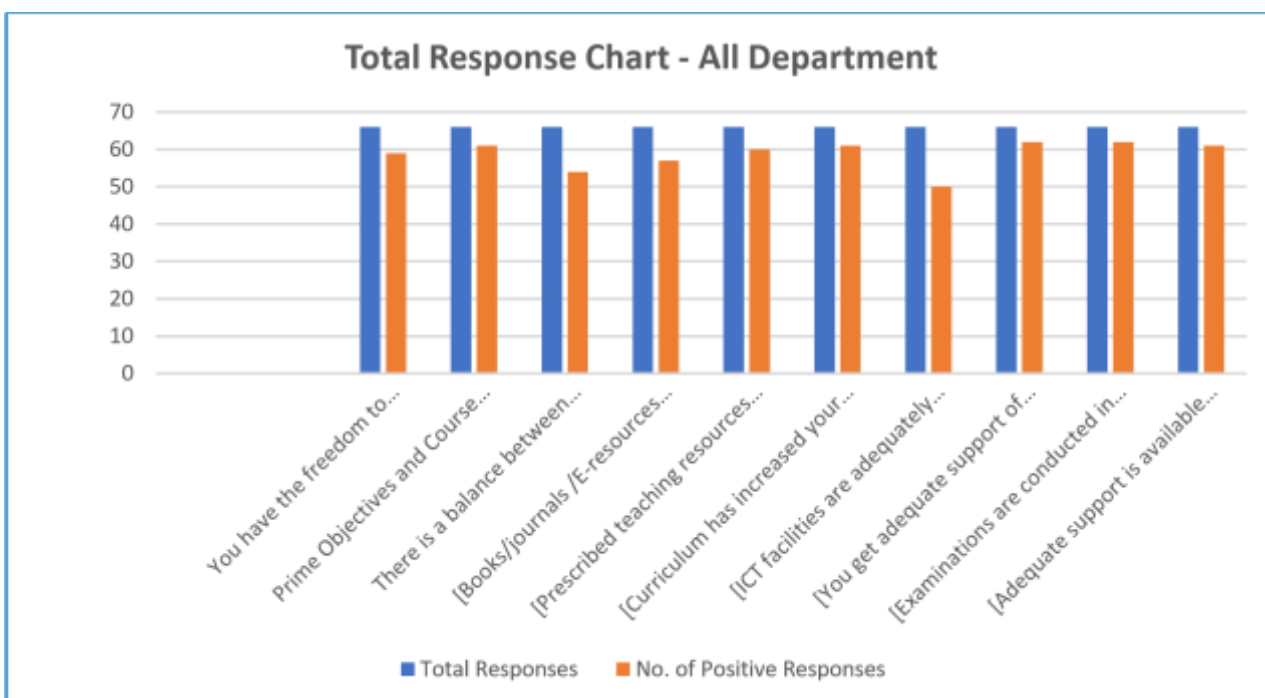

### Assessment Method:

Feedback Type	Description of the assessment process	Assessment frequency	Assessed By	Reviewed By	Analysis Method	Action Method
Feedback from Teachers for curriculum	Feedback is sought from the Teachers using teachers feedback forms covering various aspects.	Once in a year.	Institute	Institute	To analyse positive responses i.e., count of answers given. By teachers with rating of 4 & above on the scale of 5.	To take cognizance of negative responses & suggestions and to initiate corrective action.

**The following chart represents percentage of responses from alumni's who have rated at 4 or above on a scale of 5 to the following questions:**

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development	66	59	89%
2	Prime Objectives and Course outcomes of the curriculum are well defined	66	61	92%
3	There is a balance between theory and practical application in teaching]	66	54	82%
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	66	57	86%
5	[Prescribed teaching resources are available easily from the library]	66	60	91%

6	[Curriculum has increased your interest and subject knowledge]	66	61	92%
7	[ICT facilities are adequately and satisfactorily available in college]	66	50	76%
8	[You get adequate support of the college in the upgradation of knowledge, qualifications and skills through offline/online modes]	66	62	94%
9	[Examinations are conducted in a fair manner and as per rules and regulations.]	66	62	94%
10	[Adequate support is available from the office and library for effective curriculum delivery]	66	61	92%

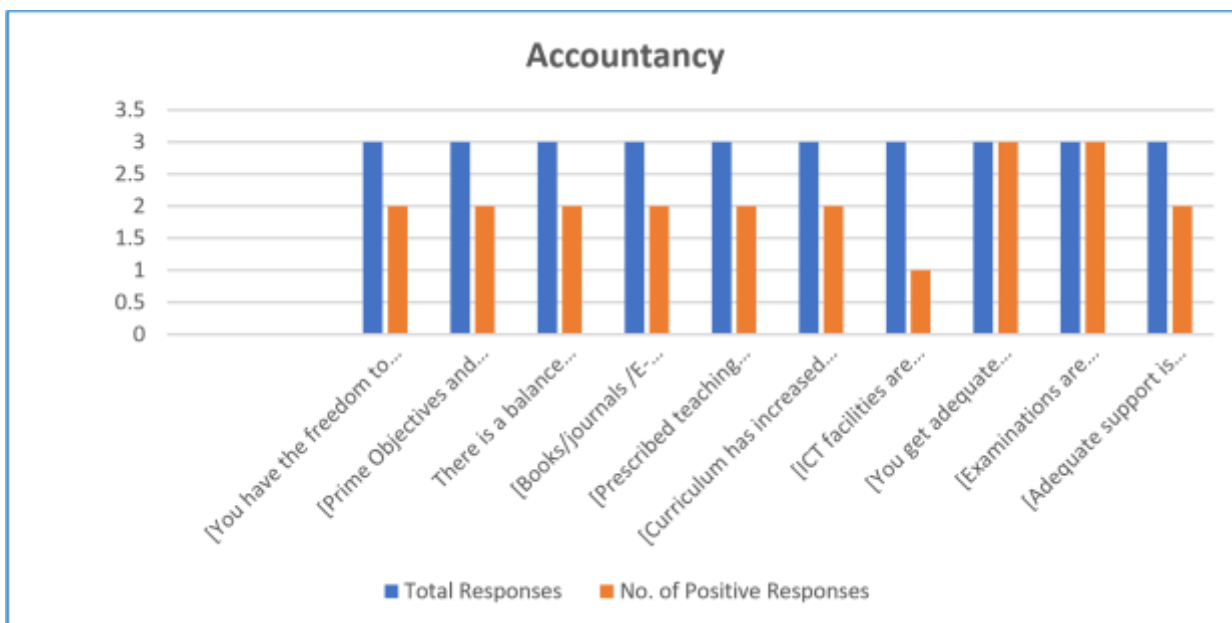

## Department Wise Evaluation

### 1. Accountancy

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	[You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development]	3	2	67%
2	[Prime Objectives and Course outcomes of the curriculum are well defined]	3	2	67%

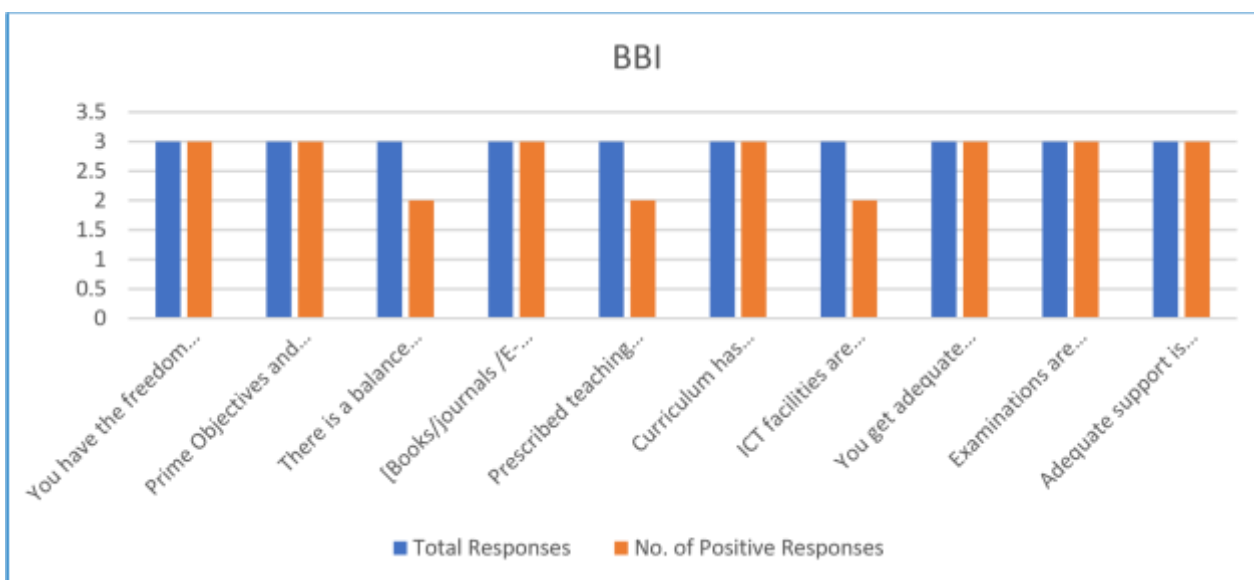

3	There is a balance between theory and practical application in teaching]	3	2	67%
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	3	2	67%
5	[Prescribed teaching resources are available easily from the library]	3	2	67%
6	[Curriculum has increased your interest and subject knowledge]	3	2	67%
7	[ICT facilities are adequately and satisfactorily available in college]	3	1	33%
8	[You get adequate support of the college in the upgradation of knowledge, qualifications and skills through offline/online modes]	3	3	100%
9	[Examinations are conducted in a fair manner and as per rules and regulations.]	3	3	100%
10	[Adequate support is available from the office and library for effective curriculum delivery]	3	2	67%

## 2. BBI

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development	3	3	100

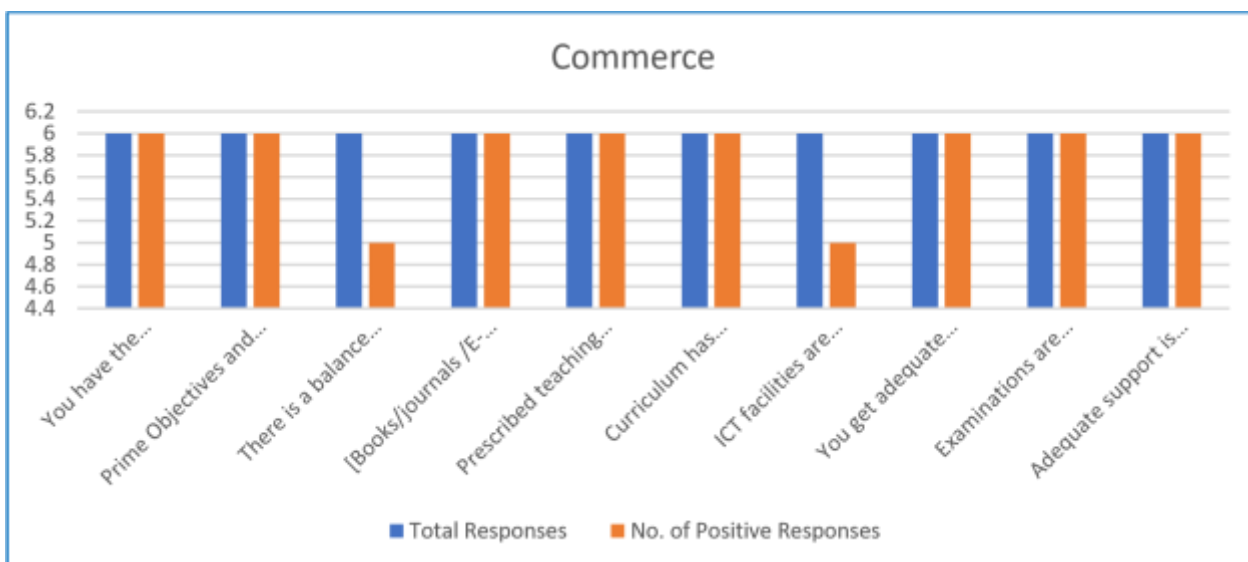

2	Prime Objectives and Course outcomes of the curriculum are well defined	3	3	100
3	There is a balance between theory and practical application in teaching]	3	2	67
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	3	3	100
5	Prescribed teaching resources are available easily from the library	3	2	67
6	Curriculum has increased your interest and subject knowledge	3	3	100
7	ICT facilities are adequately and satisfactorily available in college	3	2	67
8	You get adequate support of the college in the upgradation of knowledge, qualifications and skills through offline/online modes	3	3	100
9	Examinations are conducted in a fair manner and as per rules and regulations.	3	3	100
10	Adequate support is available from the office and library for effective curriculum delivery	3	3	100

### 3. Commerce

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
---------	-----------	-----------------	---------------------------	------------

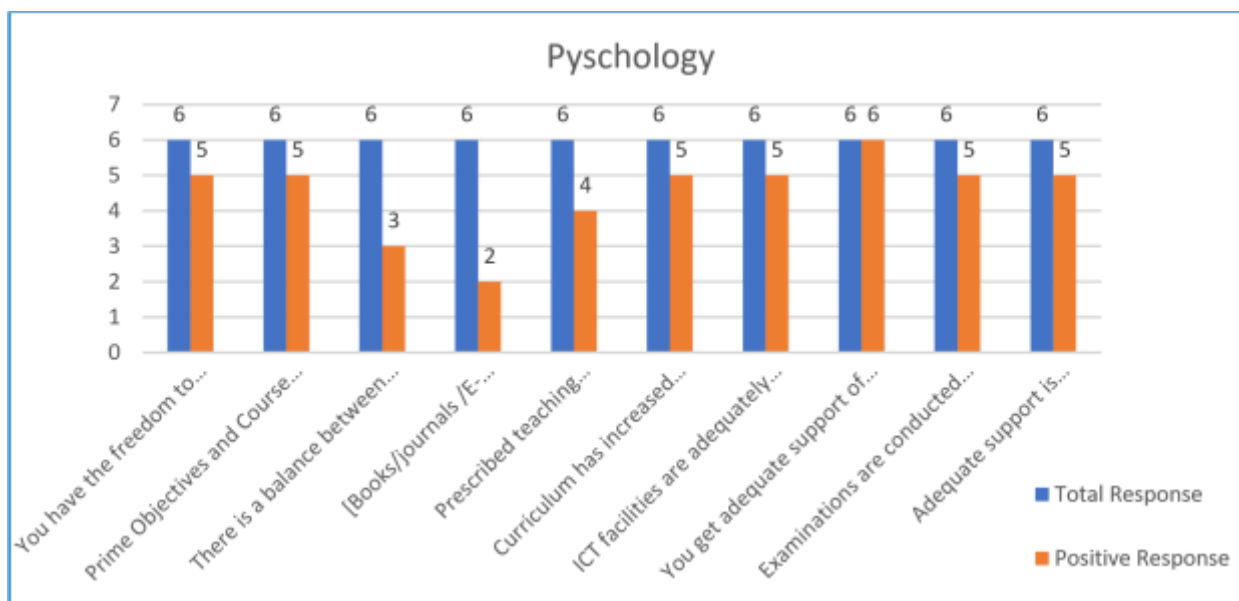

1	You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development	6	6	100
2	Prime Objectives and Course outcomes of the curriculum are well defined	6	6	100
3	There is a balance between theory and practical application in teaching]	6	5	100
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	6	6	83
5	Prescribed teaching resources are available easily from the library	6	6	100
6	Curriculum has increased your interest and subject knowledge	6	6	100
7	ICT facilities are adequately and satisfactorily available in college	6	5	100
8	You get adequate support of the college in the upgradation of knowledge, qualifications and skills through offline/online modes	6	6	83
9	Examinations are conducted in a fair manner and as per rules and regulations.	6	6	100
10	Adequate support is available from the office and library for effective curriculum delivery	6	6	100

#### 4. Psychology

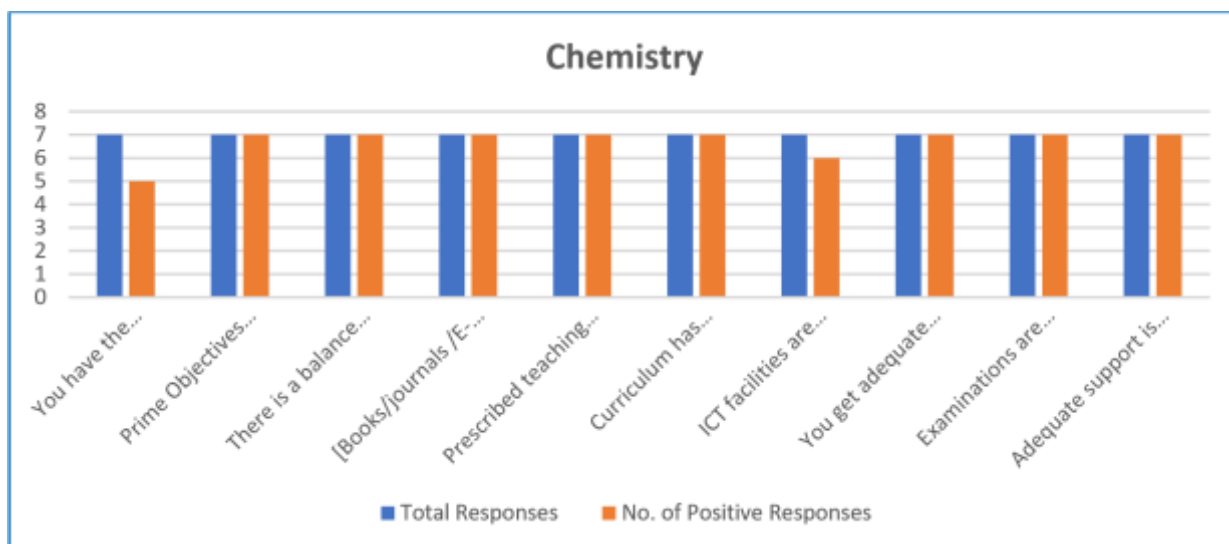

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development	6	5	83%
2	Prime Objectives and Course outcomes of the curriculum are well defined	6	5	83%
3	There is a balance between theory and practical application in teaching]	6	3	50%
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	6	2	33%
5	Prescribed teaching resources are available easily from the library	6	4	67%
6	Curriculum has increased your interest and subject knowledge	6	5	83%
7	ICT facilities are adequately and satisfactorily available in college	6	5	83%
8	You get adequate support of the college in the upgradation of knowledge, qualifications, and skills through offline/online modes	6	6	100%
9	Examinations are conducted in a fair manner and as per rules and regulations.	6	5	83%
10	Adequate support is available from the office and library for effective curriculum delivery	6	5	83%

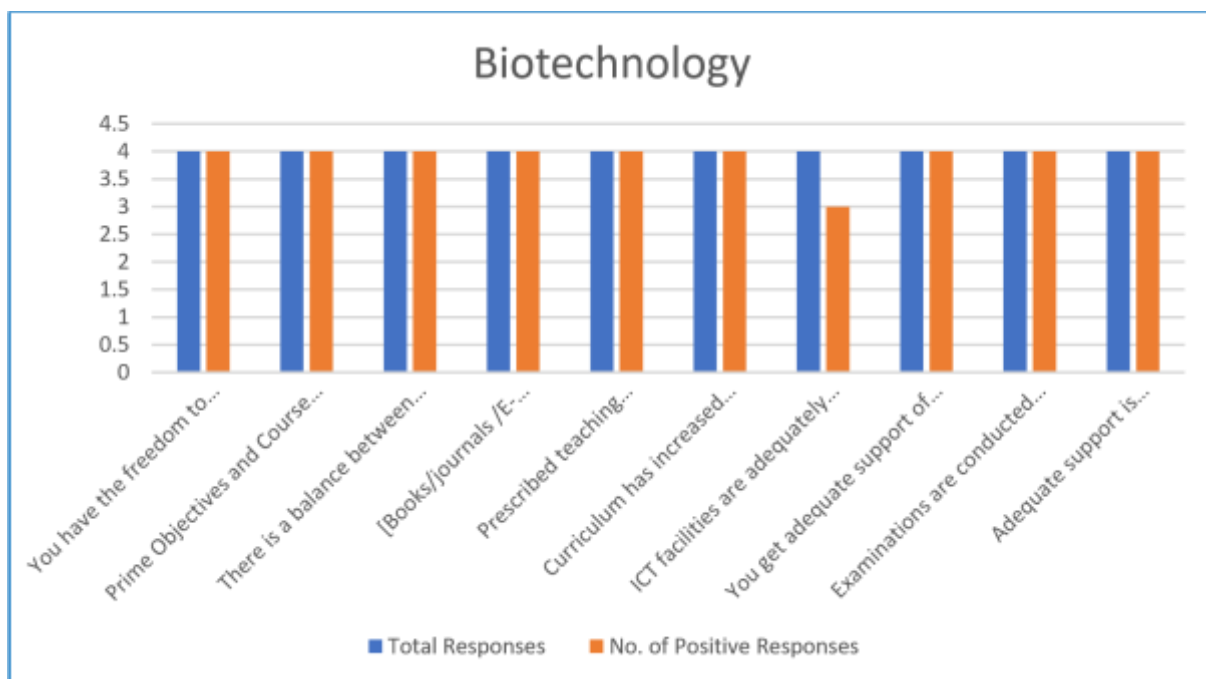

## 5. Chemistry

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development	7	5	71%
2	Prime Objectives and Course outcomes of the curriculum are well defined	7	7	100%
3	There is a balance between theory and practical application in teaching]	7	7	100%
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	7	7	100%
5	Prescribed teaching resources are available easily from the library	7	7	100%
6	Curriculum has increased your interest and subject knowledge	7	7	100%
7	ICT facilities are adequately and satisfactorily available in college	7	6	86%
8	You get adequate support of the college in the upgradation of knowledge, qualifications and skills through offline/online modes	7	7	100%
9	Examinations are conducted in a fair manner and as per rules and regulations.	7	7	100%
10	Adequate support is available from the office and library for effective curriculum delivery	7	7	100%

## 6. Biotechnology

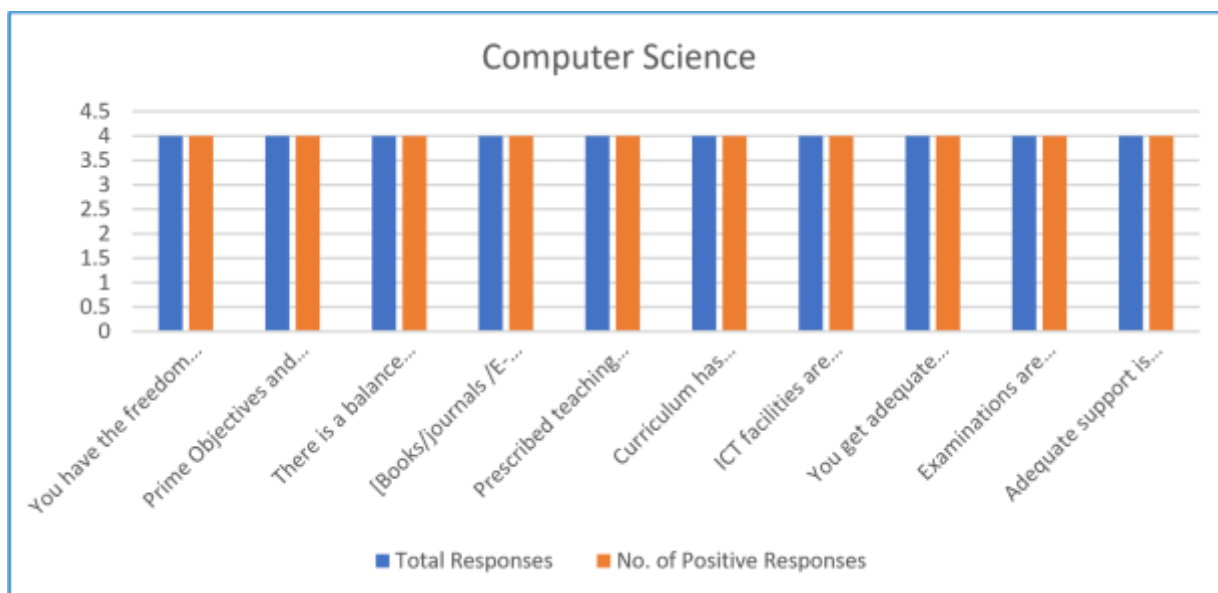

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development	4	4	100%
2	Prime Objectives and Course outcomes of the curriculum are well defined	4	4	100%
3	There is a balance between theory and practical application in teaching]	4	4	100%
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	4	4	100%
5	Prescribed teaching resources are available easily from the library	4	4	100%
6	Curriculum has increased your interest and subject knowledge	4	4	100%
7	ICT facilities are adequately and satisfactorily available in college	4	3	75%
8	You get adequate support of the college in the upgradation of knowledge, qualifications and skills through offline/online modes	4	4	100%
9	Examinations are conducted in a fair manner and as per rules and regulations.	4	4	100%
10	Adequate support is available from the office and library for effective curriculum delivery	4	4	100%

## 7. Computer Science

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	You have the freedom to propose, modify, suggest, and incorporate new topics for syllabus modification/development	4	4	100%
2	Prime Objectives and Course outcomes of the curriculum are well defined	4	4	100%
3	There is a balance between theory and practical application in teaching]	4	4	100%
4	[Books/journals /E-resources etc. prescribed as reference materials is complete, relevant and updated]	4	4	100%
5	Prescribed teaching resources are available easily from the library	4	4	100%
6	Curriculum has increased your interest and subject knowledge	4	4	100%
7	ICT facilities are adequately and satisfactorily available in college	4	4	100%
8	You get adequate support of the college in the upgradation of knowledge, qualifications and skills through offline/online modes	4	4	100%
9	Examinations are conducted in a fair manner and as per rules and regulations.	4	4	100%

10	Adequate support is available from the office and library for effective curriculum delivery	4	4	100%

## Employers Feedback for Curriculum

### Assessment Method:

Feedback Type	Description of the assessment process	Assessment frequency	Assessed By	Reviewed By	Analysis Method	Action Method
Feedback from Employers for curriculum	Feedback is sought from the employers using employers feedback forms covering various aspects.	Once in a year.	Institute	Institute	To analyse positive responses i.e., count of answers given. By employers with rating of 4 & above on the scale of 5.	To take cognizance of negative responses & suggestions and to initiate corrective action.

**The following chart represents percentage of responses from employers who have rated at 4 or above on a scale of 5 to the following questions:**

Sr.No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	[Ability of employee to apply basic knowledge of the subject]	6	5	83%
2	[Ability of the employee to identify, interpret, analyse and solve problems at work ]	6	5	83%
3	[Ability of employee to communicate]	6	6	100%
4	[Ability to initiate and lead]	6	3	50%
5	[Ability to work in a team]	6	5	83%
6	[Ability to understand professional and ethical responsibilities]	6	6	100%
7	[Ability to handle contemporary issues in work]	6	6	100%
8	[Eagerness and ability to learn new techniques and skills]	6	6	100%

9	[Knowledge of curriculum studied relevant to industry]	6	5	83%
10	[Ability of employee to get inclined towards life long learning]	6	6	100%

## Alumni Feedback for Curriculum

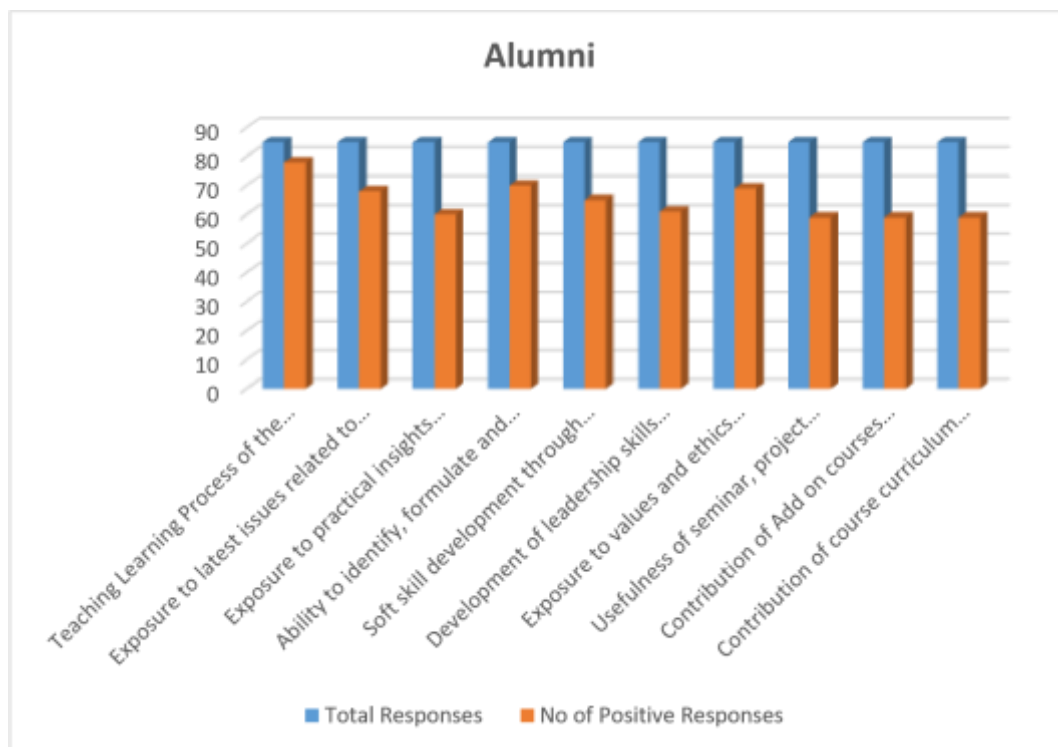

### Assessment Method:

Feedback Type	Description of the assessment process	Assessment frequency	Assessed By	Reviewed By	Analysis Method	Action Method
Feedback from Alumni for curriculum	Feedback is sought from the alumnus using alumni feedback forms covering various aspects.	Once in a year.	Institute	Institute	To analyse positive responses i.e., count of answers given. By alumni with rating of 4 & above on the scale of 5.	To take cognizance of negative responses & suggestions and to initiate corrective action.

**The following chart represents percentage of responses from alumnis who have rated at 4 or above on a scale of 5 to the following questions:**

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	Teaching Learning Process of the Department/College	85	78	92%
2	Exposure to latest issues related to your subject	85	68	80%
3	Exposure to practical insights through mechanisms like industrial visits, internships, guest lectures etc.	85	60	71%
4	Ability to identify, formulate and solve problems in your profession based on knowledge acquired from the curriculum	85	70	82%
5	Soft skill development through initiatives of the college	85	65	76%
6	Development of leadership skills through cocurricular and extra curricular activities	85	61	72%
7	Exposure to values and ethics during the course of study	85	69	81%
8	Usefulness of seminar, project work and research activities in contribution to life long learning	85	59	69%
9	Contribution of Add on courses conducted by the college has added value to your career	85	59	69%

10	Contribution of course curriculum in building your ability to work on multidisciplinary problems	85	59	69%
----	--	----	----	-----

### **Feedback from BOS Faculty from other Universities for Curriculum/Syllabi**

#### **Assessment Method:**

Feedback Type	Description of the assessment process	Assessment frequency	Assessed By	Reviewed By	Analysis Method	Action Method
---------------	---------------------------------------	----------------------	-------------	-------------	-----------------	---------------

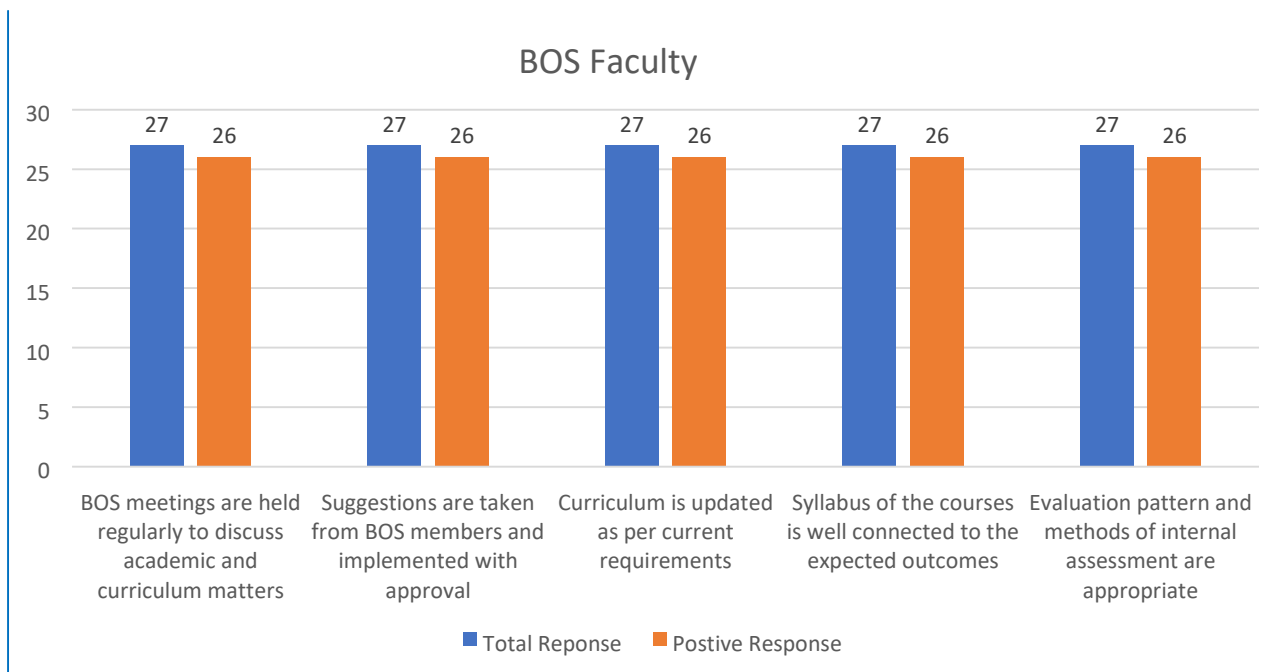

Feedback from BOS Faculty for curriculum	Feedback is sought from the BOS faculty using BOS faculty feedback forms covering various aspects.	Once in a year.	Institute	Institute	To analyse positive responses i.e., count of answers given. By BOS faculty members with rating of 4 & above on the scale of 5.	To take cognizance of negative responses & suggestions and to initiate corrective action.
--	--	-----------------	-----------	-----------	--	---

**The following chart represents percentage of responses from BOS members who have rated at 4 or above on a scale of 5 to the following questions:**

Sr. No.	Questions	Total Responses	No. of Positive Responses	Percentage
1	BOS meetings are held regularly to discuss academic and curriculum matters	27	26	96%
2	Suggestions are taken from BOS members and implemented with approval	27	26	96%
3	Curriculum is updated as per current requirements	27	26	96%
4	Syllabus of the courses is well connected to the expected outcomes	27	26	96%
5	Evaluation pattern and methods of internal assessment are appropriate	27	26	96%
