2. Dr. Vaishnavi Bagul – Faculty Member
3. Mrs. Ekta Singh – Faculty Member
4. Mr. Haresh Parpiani – External Subject Expert
5. Mr. Fenil Deahia – External Subject Expert
6. Dr. Kuldeep Sharma – University Nominee
7. Mr. Dhiraj Hinduja – PG Alumnus

Agenda:

1. Welcome and introduction of all BOS members
2. Review and approval of syllabus / academic updates for the upcoming semester
3. Discussion on Course Outcomes (COs) and Programme Outcomes (POs)
4. Deliberation on teaching methodologies and evaluation techniques
5. Any other matter with the permission of the Chair

Proceedings:

The meeting was initiated by Mrs. Sangeeta Bhattacharya, who welcomed all the BOS members and began the session and gave an overview of the Course Outcome – Programme Outcome (CO-PO) Mapping. Thereafter, Dr. Vaishnavi Bagul explained the First-Year syllabus structure along with the mapping of COs and POs as per Bloom's Taxonomy and presented the syllabus in detail before the members for discussion and review.

Discussion Points:

- Dr. Kuldeep Sharma enquired about the student's feedback related to the syllabus and appreciated the positive reviews given by the students.
- The members discussed and approved the inclusion of Equity Research as a subject in Semester V, as suggested by them in the last meeting.
- Mr. Dhiraj suggested that ratio analysis and other relevant indicators should be included in the Equity Research syllabus to strengthen analytical understanding.

- Mr. Haresh Parpiani suggested including practical company analysis in the Equity Research paper to make the paper more application-oriented and industry-relevant.
- Mr. Fenil Deahia discussed the length and structure of the syllabus and shared his observations regarding its scope and balance.
- Dr. Vaishnavi Bagul presented the proposed changes in Semester I subjects. In Financial Accounting, the topics 'Recent Trends in Accounting' and 'Role of Accounting in Financial Market' have been incorporated. Additionally, the concept of the Cash Flow Statement has been considered only at a conceptual level.
- She also discussed the revisions in Business Mathematics & Statistics syllabus. Statistical theory unit of has been merged with the Central Tendency unit and the Diagram topic has been removed from the syllabus. These changes are proposed and approved by the BOS members.

Resolution / Approval:

After the detailed discussion, the BOS members approved the proposed suggestions and recommended incorporating the above changes in the syllabus wherever applicable.

Conclusion:

The meeting concluded with a vote of thanks by Ms. Ekta Singh, who thanked all the members for their valuable suggestions and active participation.

Approved by the Head of Department

Day and Date of Approval: 16/3/2026
