ABOUT VESASC

Vivekanand Education Society's College of Arts, Science & Commerce (Autonomous) was set up in 1979 and is permanently affiliated to the University of Mumbai. The college has been accredited with A-Grade in 2017 by NAAC (3rd Cycle). We are the proud recipients of the PM-USHA grant in 2024. We have been bestowed with the "Best College Award" by University of Mumbai. We have also received a FIST grant from DST and a Star College grant from DBT. As perceived by our founder member, Late Shri Hashu Advaniji, the College emphasizes character building and holistic education. The ICT-enabled Infrastructure, provided by our supportive and committed management, a dedicated team of teachers and enthusiastic administrative staff, help us provide a conducive academic atmosphere to prepare the students to face the world. We recognize that research develops wider and deeper insights, thereby contributing to the enhancement of teaching. The College, thus, gives paramount importance to research. It has constituted a Research Cell, which has been instrumental in increasing the quantum of research in our college. In today's interconnected world, we actively foster international collaborations to provide our students with a broader, globally conscious perspective.
