7.	Mr. Mehul Lagalwar	Technical Co-ordinator
8.	Miss. Fauzia Shaikh	Student Coordinator
9.	Miss. Yogeeta Kurdia	Student Coordinator

Co-Curricular and other Activities

1. **Fresher's Welcome on 19.7.19:** A Fresher's Welcome was organized by the TY-Eco and TY-Eco-commerce students for the FYBA students. The motive behind organizing this event was to create a bond and have interaction between the newcomers and the department. 70 students attended the program with great enthusiasm and had fun.

The FYBA students were also introduced to the activities organized by the economics and commerce departments. Overall, the event was accompanied by enjoyment, learning, fun, meet and greet.

2. **Industrial Visit:** Mrs. Sunita Choudhury coordinated the I.V. to Bisleri International Pvt. Ltd. on 29th July 2019. The students were taken on a guided tour of the Bisleri manufacturing plant: An outdoor learning experience. TYBA students as well as SYBA, SYBCOM students were part of this visit. One of the proudest moments was that our alumni Mr. Rishiraj Banerjee, who is Asst. Manager (Sales and Marketing) at Bisleri International, introduced us to the company and also guided the students in their career choices. He impressed upon them the significance of a good career option. After reaching the location, the students were shown the journey of Bisleri through a presentation in the conference hall. This left their minds blown with an amazing 40-year journey of Bisleri. Later they were grouped into 10 students each for the tour of the manufacturing unit. The company has installed new conveyor belts in a vertical fashion which results in occupying less space and ensuring an efficient large output from the

plant. Finally, our departure was accompanied by goody bags and certificates from Bisleri international.

Please find below the list of 32 students and 2 teachers (Ms. Sunita Choudhary and Ms. Maitri Dedhia) for the visit to Bisleri International Pvt. Ltd. on 29th July 2019:
