

Research Methodology Talk

A talk on “**Research Methodology**” was organized by Research Circle and Additional Credit program (ACP) of Vivekanand Education Society’s college of Arts, Science and Commerce, on *Tuesday, 27th July 2021 at 03.00 pm*. A talk was delivered online by **Dr Krishna Ramalingam Iyer**, Professor and Head Department of Pharmaceutical Chemistry Bombay College of Pharmacy using *Google meet*. **Dr. Krishna Iyer** threw a light on the importance of Research in academics. **Dr. Krishna Iyer** explained the different type of research conducted and step involved in research.

Approximately 220 Students (Undergraduate and Postgraduate) from different streams attended session.

The talk was helpful to develop and cultivate the research attitude in students.

Students participating in *ACP programme, Avishkar Research Convention* as well as those conducting research project will surely get benefited from the talk.

The session was interactive and students discussed their problems accompanied during research.

Session concluded with positive notes.
