

CAREER GUIDANCE AND PLACEMENT CELL

In our college we believe that students are not only equipped with an academic report they can take along with them as they step out, but also a job. To enable this endeavour, we have the “Career Guidance and Placement cell”. Here we ensure that our market-ready students are channelled to the right employers, which we invite to the campus to employ our students.

Some of the activities conducted by the placement cell in the academic year 2018-19 include an orientation session by Chanakya IAS Academy for Guidance on UPSC/MPSC examinations in July 2018. An orientation was conducted for Third year students of all courses, followed by getting these students registered with the career guidance and placement cell. This was done with a view of having a data bank of all the students. Some of the other highly reputed firms that conducted campus interviews at our college were, Wipro Technology, Coral placements, Infosys placement, Cipla, Wealth Premier Finances, IKS Health, Axis bank, ICICI Life Insurance, Camgemini. LnT Infotech conducted a readiness session for our students.

We had the annual job fair at our college campus in the month of March where a whole host of reputed companies conducted interviews in the college. We are proud to present some fabulous placements post the job fair.

Here are some of our proud achievers:

- **Ashwini Ghodke (TY-BSc Computer Science) along with Rohit Rajani, Mukesh Upadhyay, Sarvesh Naik, Marmik Maurya were selected by WIPRO, INFOSYS, CAMGEMINI and TCS, offering an annual package of 2-4 Lakhs**
