

# Placement Report

**2016-2017**

This year the placement team conducted many more placements in the college and produced satisfactory results in terms of the number of students who have been placed. The companies approached the college's placement cell, for the students of Arts and Commerce Background and for Computer Sc and IT students too. Total 9-10 companies visited the college and few companies conducted the joint campus placements. Infosys Ltd conducted the placements in Pillai College of Panvel whereas Ugam Solutions and the TCS Placements were held at their company premises.

The students of Computer Science and IT attended the joint campus placements of Infosys Ltd along with few other 6-7 colleges. Our college students of Computer Sc-IT had higher placements than all other college students who had participated in the placements.

TCS conducted the placements of the students in their own premises. The companies which were invited to our college or they had shown interest to come down to the college to conduct the placements were – L&T Infotech, Nokia HERE, Textronic (for Computer Sc and IT students) , WNS, AON Services Pvt Ltd, IKS Health for having Arts and Commerce background students and finally CodeBox for Computer Sc and IT.

This time it has happened that L&T approached the placement co-ordinator for Computer Sc and IT students and they mentioned that they had decided to visit only 10 colleges in Mumbai for BSc Computer Sc and IT, among which was our VES College. Following are the details of the companies who conducted the placements in our institution.

- 1) The placement coordinator finalised the date and time for campus placement with **WNS Global Services Pvt. Ltd.** in December 2016. WNS (Holdings) Limited is a leading global Business Process Management (BPM) company. Under the program of WNS i-Aspire the company aims at providing a corporate exposure to the students who have just graduated from college. Initially the students were oriented about the company and the job profile, after which an aptitude test was conducted, followed by a Group Discussion. 32 students were shortlisted for the final interview. They were given a letter of intent by the company. The final interviews for them would be conducted in April 2017. The selected students would be offered profiles like Complex data, IT, R&A and F&A.
- 2) Campus placement for **AON services Pvt. Ltd.** was also conducted in December 2016. Aon Services India Pvt. Ltd. is the leading global provider of risk management, insurance and reinsurance brokerage,

and human resources solutions and outsourcing services. An orientation was conducted by the HR personnel of the company, which was followed by Group Discussion. The shortlisted candidates then appeared for an aptitude test and followed by personal interview. 13 students got selected and were given a letter of intent by the company. The selected candidate will be for processing Payroll transactions, service delivery as per client Service Level Agreements, follow Data Security and Code of Conduct standards and ensure compliance to MIS.

- 3) Campus placement for **IKS Health** was also conducted in January 2017. IKS is a global healthcare services company with over 4000 employees that enable healthcare organizations to achieve superior financial and clinical outcomes while also empowering them to grow successfully, operate efficiently, and navigate industry change. Headquartered in New York, IKS has offices in Chicago, Denver, Los Angeles, Montgomery, Mumbai and Hyderabad, India. The profile offered was Trainee Associate. Total 46 students across various departments applied for post out of which 13 were offered the job. They will be joining the company in May 2017.
- 4) On 24<sup>th</sup> Aug'17, the L&T Infotech Placement drive was conducted for BSc Computer Science and IT students. 18 students from Computer Sc and 51 from IT participated in the drive. 5 Computer Sc and 6 IT students were selected in the same. The students were given the letter of intent in few days after placements.
- 5) On 17<sup>th</sup> Jan'17, the aptitude test of Nokia HERE Company was conducted in the labs of Computer Sc and IT department and rest of the rounds were conducted at the company's premise on 31<sup>st</sup> Jan'17. The students were issued the letter of intent few days after placements. 5 students of Computer Science and 4 of Computer IT have been selected and in the second week of May they will be joining the company.
- 6) On 4<sup>th</sup> Feb'17, few students of Computer and IT participated in the joint campus placements conducted by Ugam Solutions in their premises. The students attended the placement drive at Ugam Solutions premise with the help of our *alumni*, who's the employee of the said company. The students appeared for the Aptitude Test, and are waiting for the remaining interview rounds.
- 7) On 18<sup>th</sup> Feb'17, few students attended the interview process at Textronic company. On 7<sup>th</sup> March, 8 students from IT and 4 from Comp Sc were shortlisted for the interview rounds. Finally, 4 students from IT were selected but Comp Sc students were unable to attend the interviews because of their university exam schedule.
- 8) On 12<sup>th</sup> and 25<sup>th</sup> Feb'17, Computer Sc and IT students attended the TCS interviews at their premise and 2 students each from Computer Sc and IT have been selected.
- 9) On 27<sup>th</sup>-28<sup>th</sup> Feb'17, the students of Computer Sc and IT attended the joint campus Infosys campus placements in Pillai College of Panvel and out of 13 Computer Sc students who had participated, 8 have been selected. Out of 36 IT students, 16 have been selected.

10) Finally on 28<sup>th</sup> April'17, 42 non-placed students of Computer Science and IT, the company Codebox conducted an Aptitude test round in our college and in the month of May'17, the shortlisted students in the Aptitude Test, will be appearing for the lab/interview rounds in the company's premises.

11) In addition to all the placements as listed above, 11 students of 15-16 batch of Computer Science and IT were placed in the off-campus placements.
