## E-waste Collection Drive

Patron

Dr. Adv. Shri  
Laxman Kanal  
Trustee In-Charge  
VESASC

Dr. Anita Kanwar  
Principal, VESASC

With advancement in technology, a large number of electronic devices are becoming obsolete almost on a regular basis resulting in huge e-waste. Old mobiles, Bulky computers, TV sets, Fax machines, Printers, CD Players top the list. These devices contain harmful materials such as beryllium, cadmium, mercury and lead which can pose a threat to the environment if not disposed properly. Besides, the opportunity to recycle these devices would also be lost.

**Go Green Committee (GGC)**, VES college of Arts, Science and Commerce is conducting E-waste collection drive so that e-waste can be sent to authorized recycler for safe disposal and recycling. Joining this initiative will be contribution towards environment sustainability.

We request you to support us by segregating e-waste from household and handover it to us for disposal and recycling. We also request you to kindly share this brochure with your friends & housing society who can handover e-waste for recycling and join hands for a better environment.

### What you can handover

All household electronic equipments, cell phones, computers, laptops & hardware, printers, chargers, Phones, Electronic toys, calculator, torches, Irons, fans, Cables, wires, Batteries, electric switches and any other electronic devices. Kindly enter your name and details of items submitted in a register kept at the Entry gate. Kindly note that VESASC is undertaking this activity as a social responsibility and no charges are collected from a person who is depositing e-waste.
