

STUDENTS COUNCIL REPORT 2019-20

The Students Council conducted a number of different activities for the academic year 2019-20. We started the year with the Students Induction program. The purpose of this program was to welcome the first year students and to introduce them to the different activities conducted in the college. It was an interactive program in which college activities like Talentia, VGT, Sports, Rannbhoomi and others were showcased through dance, music, debate etc. The students were also provided information about the different committees in college like the Students Council, the WDC, Go Green committee, etc. Council members helped in organizing different Forum Activities. Forum activities provide students with a platform to take part in different activities like dance, music and drama. Students Council helped in the conduction of Vivekananda Got Talent, a competition in which students are encouraged to showcase their different talents . The prelude for Talentia, our annual college fest, was conducted successfully by the council. Talentia was conducted on the 13th and 14th of January followed by Annual Day on 15th January. Talentia and Annual Day saw council members working and participating , both on stage and off stage.

The Students council volunteered in different events conducted by the Women Development Cell and Internal Complaints Committee. Rannbhoomi, the annual intra college debate competition was conducted on the 2nd and 3rd of March. Rannbhoomi saw student participation in large numbers and the event was conducted smoothly and efficiently.
