Executive Summary: 2020-201 at a glance (Highlights)

The year 2020-21 will go down in history as a very difficult year. But it is rightly said that when the going gets tough, the tough get going! The faculty and students of VESASC, backed by the management all along, not just continued the process of teaching-learning in the online mode during these tough times, but also took the utmost efforts and care to keep innovating all along the way to excel at their tasks, even as they faced umpteen challenges. On the one hand, there were technological obstacles and on the other hand, there were safety issues with an ongoing pandemic. The authorities at College ensured that all COVID 19 protocols were followed while teaching and administrative staff kept checking on the welfare of students through various modes. A much needed Vaccination Camp could also be organized for the Staff and Students within the safe confines of the College premises. Despite all odds, the College also won many accolades on the academic and research fronts. After all, we don't grow when things are easy, we grow when we face challenges! Following is an account of some of our activities and achievements in this pandemic period.

The year 2020-21 saw some staff receiving awards and honours: Mrs. Samhitha Sharma Kain won Certificate of Excellence (Third Prize) for Innovative Idea Presentation in a One day International Seminar on 'Online Education' and Best Presenter Award for the paper, "Exploring the most suitable online teaching-learning methodology in the Covid-Era - A Survey of the learner profile". Ms. Arpita Sarkar won the Third Prize for Poster presentation on 'Self-Care during COVID-19' in a One day International Seminar. Dr. Sadhana Singh Third Prize for Poster presentation on 'Self-Care during COVID-19' in a One Day International Seminar on 'Impact of COVID-19 on Intellectual Health of Youngsters. There were also many laurels brought to us by students.

Extension Activities

Extension and outreach programmes conducted in collaboration with industry, community and Non- Government Organizations through NSS/NCC/Red cross/Youth Red Cross (YRC) etc.

NSS

We have a vibrant NSS Unit which has been established with a basic objective to encourage the students to do social works during their free time. The report of the NSS activities for the academic year 2019-20 has been given in the following lines:

This year has been different for all of us. We shifted from classroom sessions onto online sessions where the distance served to be a detriment in experiencing a full classroom experience. But, nonetheless, the NSS volunteers were enthusiastic and spirited to wade through these obstacles and organise several activities to keep the zeal of their fellow volunteers burning. The activities conducted by the NSS unit of VESASC are described below:

Road Safety Awareness Project

A ‘Road Safety Awareness’ programme was conducted where volunteers not only enlightened masses about road safety but also distributed sweets to our corona warriors. Later, A “Helmet India Campaign” program was organized by ‘TRAX – Road Safety Society, India’. The NSS volunteers performed a street play on this theme and also helped in helmet distribution. The Mumbai RTO, the Mumbai Traffic Police and BMC supported the NGO for this social cause. A road safety poster drive was held where the volunteers prepared handmade posters and stuck them up locally. An awareness video and a presentation on the same topic were displayed to the students to educate them about the facts, figures, rules and regulations; causes and prevention of road accidents; causes, tips and steps to promote road safety. A quiz was conducted to test their knowledge acquired on the same. There were a plethora of competitions for our volunteers to compete in and exhibit their wit and creativity. An

online digital poster competition on 'Road safety awareness' was organised on the social media platforms of NSS.

Tree Plantation Program

On the occasion of Shivajimaharaj Jayanti on 19th February, the NSS Unit had organized **Tree Plantation Activity**. The idea behind this activity is to propagate the message that planting trees helps to maintain a clear eco-friendly environment, reduces pollution and improves the green ambience. In this activity Volunteers planted saplings in their nearby area, creating awareness about Planting more and more trees. Around 6 NSS volunteers participated in this event.

Online Essay Writing Competition

The event was conducted online in respect of the world environment day, 2020. 40 students from colleges all over the city. Entries were accepted in 3 languages (English, Hindi and Marathi). Top three essays from each language category were awarded certificates to participants.

Yoga related Programmes

College Level Yoga Day Program

On 22nd June, 2020, NSS Unit arranged an online Yoga session for the students in our college. The event was conducted on the occasion of Yoga day. Students from the college participated while yoga teachers performed and explained the importance of Yoga to the students. 80 students participated in that event.

Awareness on yoga & exercise

The NSS Unit of Vivekanand Education Society's College of Arts, Science & Commerce organized a competition on "Awareness of physical exercise/yoga" for **Poshan pakhwada (University level) Activity**. In this activity all volunteers had participated and sent their photos by showing different poses of yoga and exercises. The main aim of this activity was to create awareness on nutrition and the benefits of yoga and exercise so that people can be aware of the importance of physical health. The activity was successfully completed along with following all the Precautionary measures taken by the volunteers. 49 volunteers participated. Top 5 were declared as winners.

RRC Activities

Every year, the NSS Unit conducts blood donation drives in association with the Red Ribbon Club (RRC). This time, a webinar was conducted by the volunteers to create awareness about blood donation. A quiz on the same was conducted on the birth anniversary of our beloved founding member, late Shri Hashuji Advani, who firmly believed in extending his service to the society at large. On World AIDS Day, posters were created to familiarize the students with causes and prevention. A movie on the same was screened online which aimed at generating empathy with the infected patients, while viewing them with kindness and compassion. Students of NSS also enacted a skit to promote awareness on the topic of HIV AIDS. An elocution competition on the topic of sex education was conducted.

Organ Donation Activity

On 22nd February, 2021, The NSS unit of Vivekanand Education Society's College of Arts, Science & Commerce, organised **ORGAN DONATION ACTIVITY** in the memory of the Birth Anniversary of Late Shri Hashu ji Advani, our beloved founder member of Vivekanand's Institution. For this Activity, the volunteers presented the ppt & explain the importance & need of ORGAN DONATION in their respective classes. The activity was done by the Volunteers in FY & SY lectures of all departments. Also one motivational video was played after the ppt to inspire the youth to take the initiative for Organ Donation. The event was completed successfully.

During the academic year 2020-21, Our NSS volunteers actively participated in two important Projects. These activities are as follows:

Youth Against Covid-19

Our college (37 students) has signed up for the 'Youth Against COVID-19' campaign by United Way Mumbai and UNICEF, in partnership with NSS Cell, Maharashtra during Covid 19 pandemic. Some NSS Volunteers registered themselves as 'Digital COVID Warriors' under this project. As a Digital COVID Warrior, they will be required to create digital awareness through social media (Instagram, face book & WhatsApp, etc) among the members of society, community, friends, relatives. They attended the training session by United Way. In that session, they have given the information of Covid-19 vaccine, symptoms, precaution & how they can help others & create awareness about the vaccine to the people specially to women as there was a fake news circulated on that during their mensuration period, they can't take vaccine which passed on like a wind. They were also been trained to make people aware through digital platforms by sharing the creatives. The creatives that they shared contains the information on vaccination drive, precautions of Covid-19, their symptoms as well all the correct information specially the toll-free number & people who are dealing with stress, how can they come out through that and with whom they can contact. The creatives were helpful and even the captions to make people aware. In this way, they are helping the community in these difficult times.

MGNCRE PROJECT

Our College NSS team is also working in another project along with MGNCRE (Mahatma Gandhi National Council for Rural Education) India. Our NSS PO & Principal, Teacher in Charge Ankita Singh, along with NG Acharya & DK Marathe College PO & Principal had attended the workshop organized by MGNCRE on 24th May, 2021. The topic of that workshop was: MGNCRE - SAP - "Guidance on Psychosocial skills to Helpers during Pandemic". The speaker highlights the necessity of Psychological Assistance to Covid Patients/ Family members.

Some NSS students have registered themselves as Covid helpers. As the second wave of covid has approached, there was insufficient data regarding vaccination and other facilities. Many families are

helpless & they are not getting actual information. This project give the platform where the registered volunteers can help those people by providing information and by doing counselling. These students were given training regarding how they can collect data and how they should talk to a person while counselling.

The students are working under this project under following heads: Vaccination availability, Tele-medicine supplier, Sanitization, Online doctor consult, Online/ phone psychological support, Information of NGOs/ individual support, Information of NGOs/caretaker/service providers/ food distribution, Information of NGOs/caretaker nursing/food provider for covid affected patients, Availability of vendors/ service providers, Availability of hospital beds .

Number of Quality Initiatives undertaken during the year

1) Quality Initiative 1:

Title: Promotion of VESASC College among Junior College Studentsby visit and Webinar

Objectives: To Promote VESASC College among Junior College Students so as to solicit good students into joining our college at FY level through onsite visit on 28th January 2020 (before pandemic) and online Webinar on 23rd July 2020 (after pandemic). In view of the pandemic situation arising because of COVID -19, it was difficult for the potential students to get information and clarity about the admission process and courses offered by VESASC. Hence the need was felt to conduct the Webinar to reach out to these prospective students seeking admission to the first year undergraduate and postgraduate courses in Arts, Science and Commerce.

Execution: As a Curtain Raiser (28th January 2020), the team consisting of teaching faculty and non-teaching staff led by Dr. Mrs. Santhini Nair, (Vice Principal) and Ms. Rita Vazirani, (Executive Administrator) visited two colleges AFAC English School & Junior College, Chembur and Swami Vivekanand Vidyalaya and Kanishtha Mahavidyalaya, Chembur on 28th January 2020 and explained about the courses offered by VESASC and also discussed the admission process. The report of the presentation at Junior colleges on scope of courses and FY admission procedure at VESASC alongwith the glimpses of the visit is attached.

The ppts prepared for the visits which took place on 28th January 2020 was to be converted into you tube videos for circulation in WhatsApp group and uploaded college website. 913 unique registrations were recorded before the start of the Webinar on 23rd July 2020. The feedback form was circulated amongst the participants on the conclusion of the webinar. All the 4 whatsapp groups of the participants were active after the webinar and all the queries raised were answered by the office staff and faculty.

Outcome: The feedback form was circulated amongst the participants on the conclusion of the webinar was analyzed. All the 4 whatsapp groups of the participants were active after the webinar and all the queries raised were answered by the office staff and faculty. The Webinar facilitated the admission process.

2) Quality Initiative 2:

Title: Autonomy visit and required preparations

Objectives: Collating the information necessary for the ensuing Autonomy visit

Execution: Point wise list of the members who will be collating the data from SSR, AQAR and Principal's report available on our website, was made. It was unanimously decided that committees be formed which will collate the data as per the suggested eight points in the letter and the same must be ready by 20th August 2020. It was also decided that the information will be fetched from NAAC 3rd Cycle SSR for academic year 2014-15, 2015-16 and 2016-17 and AQAR for academic year 2017-18, 2018-19 and 2019-20. The information can also be referred from the Principal's report available on college website.

Outcome: The data as per the suggested eight points was made ready for visit. All departments also submitted their highlights in the form of PPTs that were uploaded on the website.

3) Quality Initiative 3:

Title: Plan of Action prepared by IQAC for online delivery of lectures.

Objectives: Smooth online delivery of lectures

Execution:

1. Since the College has purchased the G Suite, the online delivery platform would be Google Meet and Google Classroom.
2. Maintaining a record of weekly lectures taken by staff members with the timetable in place.
It was discussed that in view of non-feasibility of practicals to be taken, the college might begin lectures later at 9.00 am than the usual 7.30 am. The same was discussed during the HODs meet with the time table committee for finalization.
3. Brief discussion on modality of student enrolment to these online classes was deliberated upon and a common meet for a particular class could be prepared in Google Classroom where teachers can engage class as per scheduled time table.

4. Additional training with respect to google Suite was provided to the Staff by Ms. Anjali Yeole from VESIT. Also the staff was encouraged to start using the system to have experiential learning and with time get used to its working.
5. VESASC college email ids were issued to the students who had taken admission, so that the online lectures could be executed more smoothly.
6. The content prepared by the staff for online mode was directed to have college attributions.

Outcome: With the support of College and Management, the online classes started smoothly.

4) Quality Initiative 4:

Title: 4-day national level webinar on “Steering HEIs in the wake of Covid-19: The Way Ahead for Academia”

Objectives: Smooth online delivery of lectures

Execution: Held from 9/06/2020 to 12/06/ 2020 from 3pm to 6.30 pm by the IQAC and Research Circle in association with Vinjana Bharati.

Outcome: 500 (approximate) participants
