About The College

Vivekanand Education Society's College of Arts, Science & Commerce is an Autonomous College from 2021-22 and is permanently affiliated to the University of Mumbai. The college has been accredited with A-Grade in 2017 by NAAC (3rd Cycle). We have been bestowed with the "Best College Award" by Mumbai University in 2012-2013 in the urban area category. We have also received FIST grant from DST and a Star College grant from DBT. We impart holistic education with emphasis on character building, to create good citizens as perceived by our founder member, Late Shri Hashu Advaniji.

ICT enabled Infrastructure provided by a supportive and committed management, dedicated team of teachers and enthusiastic administrative staff help us provide a conducive academic atmosphere to prepare the students to face the world.

We at VESASC recognize that research develops a wider and deeper insight thereby contributing to enhancement of teaching. The College, thus, gives paramount importance to research and has constituted a Research Circle to promote research activities among faculty members and students. In the process, the college has been able to continuously raise its benchmarks and provide quality education and a conducive research environment over the years.

About The Conference

This virtual inter-disciplinary conference will explore the recent trends and innovative techniques in the field of Science, Technology, Social Science & Management.

This webinar aims to provide a podium for academicians and researchers across the country to deliberate and discuss recent trends & Innovative approaches in their respective fields.

It will provide a premier interdisciplinary forum for researchers, practitioners and educators to present and discuss the most recent trends and innovations, practical challenges encountered, and the solutions adopted in the field of Science, Technology, Social Science & Management.

Budding scientists and researchers will also get an opportunity to articulate their research thinking in the form of a research paper presentation. They will be exposed to the recent developments in their respective fields & interact with the other researchers.
