Part A: The plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement and the outcome achieved by the end of the year.

1. To sustain and enhance quality in all aspects of education.

Quality enhancement initiatives have been taken to enhance the quality of teaching - learning process and research and to improve performance in curricular, co-curricular and extra-curricular activities. Efforts are being made to provide better infrastructure.

Heads of the various domain, develop academic plan delivery in consultation with the Board of Studies, for the year and organize various activities like Seminar, Workshop, Book review, Research paper presentation, Quiz etc, to induce leadership skills and develop their personality.

Continuous evaluation is induced through class participation by all functional departments. Students are encouraged to take up projects and make presentations in their classes. This development through various participative activities enable them to obtain better results in the final year examination.

Quality enhancement is a continuous process. Hence to sustain and enhance the quality in all the aspects of education, the Institute conducts evaluation of student feedback twice a year. One during the mid semester, where Director and Dean Academics goes to each subject lecture and tries to take subjective feedback on structured questionnaire as well as detail understanding of students need. This facilitates in deriving measures that enables in attainment of better academic achievement. The structured questionnaire are attached in. (Annexure - I)

The College had ISO certification done on 6th july 2006 valid till july 2009. The ISO certificate was once again renewed on Dec 2012 and was valid till 2015. Meetings and Workshops were held for staff members to create awareness about the same. The institute decided to go for NBA accreditation in the academic year 2013-2014, hence did not continue with ISO renewal in 2015 Dec.

- 2 To introduce relevant need based courses.

The College identified the rising need of Business Analytics in the contemporary world of work. As such the Institute in the academic year 2014-15, entered into MOU with SAS USA to include analytics to be introduced and implemented through SAS Platform. The Institute entered another MOU with NISM , to start courses in the area of Banking and Finance, under the “Center of Excellence Banking & Finance” in the academic year 2015-16. In the same academic year the Institute entered into MOU with SME Chamber of India to start its entrepreneur course of “e-Rise”. The institute also entered an MOU, with PMI to conduct courses on Project Management. In 2015-16 academic session the Institute entered MOU with EDI to continue with entrepreneur course through Distance Mode, in order to increase the scope of the course.

The Institute plans to start Executive Programme in Analytics in the academic year 2016-17.

3 To strengthen research culture

The College authorities take several motivational initiatives to promote research culture. The IQAC members in particular motivate and guide the faculty to undertake research (for Ph.D , Post Doctoral, etc.), Minor and Major Research Projects are conducted by having interface meeting, workshops and presentations. The Institute promotes research environment and thus conducts Research workshop and Conferences. The HR policy of the Institute has well delineated rules to facilitate research for faculties. The faculty members are encouraged to participate in Research paper presentation, National & International Conference, Research FDP conducted both in house and in other outside Institute.

The motivational initiative has resulted in enrolment of all faculty for Ph D programme. Out of 32 faculties (Both MMS & PGDM) 13 faculties are Ph D holder. The HR faculties are planning to get trained from MBTI, to develop our own behavioral assessment Centre.

We have our in-house journal and faculties are rewarded for publishing in reputed journals indexed under Scopus/ABDC. Many faculties have authored/co-authored/ edited books and text books. Non teaching staff is also taking interest to publish research paper.

The Institute has its own approved Ph D centre, from where one student has already got his Ph D degree awarded. 3 have submitted thesis and awaiting award.

4. To strengthen Industry / Institution Linkages

There is a a continuous effort to develop Industry Institution association. The Institute conducts HR summit to call HR personnel from different sector of the Industry. The Alumni of the Institute are continuously involved in various academic activities. Other Industry experts from different sector comes for technical talk. Every subject arranges two guest lectures from Industry personnel, so that the student learns the contemporary practices of the Industry and also develops a network and bonding. There is a system of Industry mentoring practiced to develop the employable skill set among the students.

5. To strengthen National and International Linkages

To expose faculty and students to the best of the institutions in India and abroad and to develop global competency and development of their personalities, MoU's have been signed and academic linkages are developed.

MoU has been signed with SAS USA, to deliver analytical approach of functional domains, to increase analytical skill set required to match the industry need. 5 faculties have taken training from SAS, India, and few more are to undergo similar training, so that they become resource for the Institute both to impart lectures and train students on analytical approach at SAS platform, develop to take up consultancy projects. The Institute has a long

term goal to prepare for future faculty exchange program with International universities. The Institute has well delineated international policy to take forward faculty exchange programme and senior faculties are in process to sign up MoU with few International universities.

The Institute has signed MoU's with PMI and NISM to impart courses.

The IQAC coordinator and one of the Accreditation member had attended AICTE sponsored 2 week Faculty Development Programme on "Out-come based Learning" from 21.4.15 to 5.5.15.

6 FDP, Conferences and Literature Festival

In the academic year 2015-16, we conducted one International conference, from Feb 22-24 2015. There were participation from both India and abroad. In all there were 52 participants. There were five FDP's conducted in this year. The Institute had its Literature festival called "Litrati" where authors from different parts of India had come. We had one International author from Australia too. The event exhibited richness of culture and professionalism. All our events are student driven activities, under the guidance of faculty, which enables them to develop their managerial skills and team work culture.

7 To strengthen alumni participation

The meetings of the Alumni Association are organized on regular basis. To strengthen their participation, the Alumni cell driven by students under the guidance of a faculty, has taken initiative create a registered Alumni body as VESMA. Few of the events which are a continuous event consists of Alumni mentoring the students and delivering guest lectures. Sending of regular birthday wishes to the alumni and updating all college events through social media-facebook, twitter & Instagram. They are regularly invited on social events like glimpses, Conferences, HR summit etc. These association with their almatatar helps in generating placement and summer internship. Alumni are part of every BoS, both for MMS & PGDM. In the month of august 2015 one special issue of E-Samanvay was published for alumni. On Oct 10th there was a gettogether FETE 2015 in Rajhans hotel, Chembur. On 27th Feb Sports was organized for alumni, which observed very good participation.

8 To apply for NBA accreditation for assessment year, 2013-14, 2014-15, 2015-16.

The Institute has realized the potential it has in imparting courses in Business Analytics. Hence it needs to get the accreditation to plea for increase in seats as well as courses. The Institute plans to start week end Executive programme in Business Analytics

Part B:

1. Activities reflecting the goals and objectives of the institution:

- a. The College provides a very cordial teaching - learning environment to the students.

The institution fosters a culture of learning for students belonging to different strata of the society and enable empowerment through learning. The institute does not have any management quota and admission is fairly on the basis of merit. Complete transparency is maintained.

The overall development of students' personality is of prime importance in the college. As soon as the students join, on the day of induction they are briefed about all the activity cells that exists, and all are encouraged to be part of one cell. Several Committees have been set up to organize and encourage participation in various curricular, co-curricular and extra-curricular activities. This helps to provide value based education to the students and create awareness about the environment and maintain communal harmony. This also helps them to develop their managerial skills like team work, decision making, organizing, coordinating etc.

Annual academic calendar is prepared in consultation with the teachers and students representatives. Plan is developed for academic programmes, collaborative activities, student's activities, to appraise teacher's progress and for infrastructure development.

There is an open culture of taking feedback from the students to strengthen teaching learning system towards "outcome" based. Every semester the Director and Dean academics, visits every class to take feedback, in order to understand what improvement needs to be done. At the end of the semester again feedback is taken to observe the improvement as desired.

- b. Value based education an important aspect of the Institute activities.

To inculcate value education among the students, the Institute aims to create social leaders. The Institute has a very strong "CSR" cell whose primary task is to instill all socially value based activities to the students. The institute has 3 weeks "Yuva for Seva" programme, in which students goes to different NGO's across the country to work for them as a voluntary contribution towards society. This enables them to go close to observe the society of the bottom of the pyramid. An awareness takes place within them to become socially responsible as they grow to be leader's of future. This activity is conducted after completion of Sem II exam in the month of December.

The Institute also has an event of mentoring called "Guru shishya Parampara". 10 students of each year is put under a faculty mentor, who acts as a Guru to guide them become socially responsible citizen.

c. **Organizing Seminars/ Conferences & Workshops**

15 Seminars / Conferences / Workshops, have been organized by various departments to discuss and deliberate on current issues on relevant topics and thereby enhance the quality of teaching-learning process.

2. New academic programmes initiated :

As per the demand of the students and need of the time, college had tied up academic partnership with an MoU signed with NISM, to impart short term course in Banking and Finance.

The institute has established programme for studies in Soft Skill Development, to enhance the employability of its students both for MMS & PGDM. It has its own leadership unit "VESLARC" Different developmental session, Yoga classes, Meditation & Counselling is imparted from this established unit, both for students as well as faculty and staff members.

3. Innovations in curriculum design and transaction:

a) The institute to keep itself updated as per industry requirement, organizes BoS, twice each year, one per semester. The BoS is organized separately for both programme, MMS & PGDM. The BoS consists of Institute Director Dr Satish Modh, the Dean Academics of MMS, the Dean Academics of PGDM, all faculty members associated for each course, subject expert from each functional domain coming from industry, Alumni & Parents.

After exhaustive discussion all new, and best practices as per industry standards are included. Since MMS is a course affiliated to Mumbai University, the curriculum of university has to be followed, but additional requirement not covered through the prescribed curriculum, gets covered through various workshops & guest lectures conducted in each subject.

In case of PGDM new subjects or inclusion of industry suggested topics are taken care in the curriculum.

b) The faculty members use innovative teaching methods to enhance classroom teaching. Guest faculty from industry are invited for special lectures. Industrial / Educational visits were undertaken to supplement classroom teaching. Special efforts are made to improve the communication skills of students. Every subject has project preparation and presentation at the end of each semester. This helps students overcome their inhibition, stage fear, facing the crowd, communication skills, presentation skills etc.

4 Examination reforms implemented:

a. As per University norms in MMS Sem I & II's all papers are conducted by the Institute. In Sem III they have one core paper International Business and one specialization paper from each function domain

conducted by the university. In Sem IV they have one university paper. In case of PGDM, all papers are conducted by the Institute.

- b. To prepare the students for securing excellent results, they are provided with mock test for all the university papers.

7 Research Projects:

VESIM is carrying out a project for Sahakar Bharti, along with Niti Ayog, Government of India, to re-energize the Co-Operative Movement in the country, both legally and financially. It's a collaborative research that will be presented to top Government officials for policy making. Prime Minister Narendra Modi will be presented with these research papers and findings. VESIM is undertaking Research on following topics detailed in the note submitted to Niti Aayog.

Title of projects for cooperatives were:

- 1. 'To assess the role of cooperatives in development of Tourism in India'**

Project start date is 23rd March 2016

Team member: Prof Neerja K & Swapnil K

Project summary:

Tourism is an important upcoming business sector in India. Earlier it was restricted to pilgrimage or standard places like beaches and hill stations. However of late, a lot of people are interested in visiting offbeat places which are rarely marketed or have some unique features in them. Another upcoming aspect of offbeat tourism is the rise in adventure tourism. The government is trying to promote tourism in India with campaigns like 'Incredible India' and many other state level promotions. However it is unable to exercise control at the grass root level. Hence much of the offbeat tourism remains unorganized. Through this study we would like to understand how the implementation of cooperatives would help offbeat tourism in the country and also be a win-win situation for all the stakeholders involved.

2. 'Study of Role of Urban Cooperative Banks in economic development with special reference to Mumbai region'

Project start date is March 2016

Team Member: Prof Barkha J., Pallavi V. & Brijesh Sharma

Project summary:

Target Bank were Janakalyan Sahakari BankSVC Bank LtdThane Janata Sahakari BankSaraswat Cooperative Bank LtdDombivali Nagari Sahakari BankApna Sahakari Bank

Completed the data collection and will be completing our report by April 2017

3. "Analyzing the Gap between demand & supply of consumer's co-operative grocery distribution in Mumbai & Pune"

Project start date is 23.03.2016

Team Member: Prof Satish Billewar & Rupali Rajesh

Project summary:

Objective of the study:-

1. To study the issues and challenges faced by the Mumbai Grahak Samiti.
2. To understand the process of the distribution channels.
3. To identified the gap between demand and supply of distribution process.
4. To understand the process of consumers grievance system in details.

Plan:-

Due to increasing growth of retail industry, now a days organised retail sector provides quality products with lower prices, ensures availability of different number of brands to satisfy the need of lower and middle income group of segments. This creates the competitive environment for Mumbai Grahak Sangha to sustain in the market.

4. ‘A Feasibility Study on Generation & Distribution of Solar Electrical Energy by Co-Operative Sector.’

Project start date 15 February 2016

Team Member: Prof Sachin Deshmukh

Project summary:

The study shall attempt to review the elements of developing a workable and institutional enabling framework for cooperatives for producing and distributing electricity to more communities at reasonable cost. An attempt shall be made to build a cooperative business format which can work effectively as a scalable and replicable model for bringing electricity to communities who face electric load shedding or short supply. The area covered for study will be the State of Maharashtra.
