

Vivekanand Education Society Institute of Management Studies and Research (VESIM) has always been an excellent business school in terms of innovative learning. Our Post Graduate Diploma in Management (PGDM) has won recognition in the marketplace for our quality of education, industry connections, student encouragement programs and career services. Since the inception in 1994, VESIM has won several prestigious awards. However, the greatest recognition is bestowed by the student's community by their responses during admissions.
