

Our recent workshop on Ethics, Values & Respect was conducted on 9th January 2016, for over 100 students of the 1st & 2nd year of VES College of Pharmacy, explored concepts such as : The Ideal Me, the real Me, how to bridge the gap between the two, the cause - and effect relationship, and the pit falls of rationalizations. Students were encouraged to introspect through writing, after which they shared their thoughts, doubts and concerns.
